Judge Holman will not allow telephonic hearings if parties have not downloaded the tentative rulings from the Internet and reviewed them before the hearing. The tentative rulings are located under Pre-Hearing Dispositions and are normally available no later than 4:00 p.m. on the court day prior to the hearing date. Matters removed from calendar are identified by the phrase "Disposition Without Oral Argument". No appearances will be permitted if there is a "Disposition Without Oral Argument".

Pursuant to Local Rule 9014-1(c), a Docket Control Number (designated as D.C. No.) shall be included by all parties immediately below the case number on all motions and other pleadings. Once a Docket Control Number is assigned, all related pleadings filed by any party shall have the same number.
