RE: Case Number: _____

DATE: _____

Your objection to the trustee's report of no distribution will not be placed on calendar at this time for the following reason(s).

- () No written Notice of Hearing setting the objection for hearing in accordance with the date on the Notice of Trustee's Report of No Distribution was filed.
- () The "Notice of Filing Report of No Distribution..." offers parties in interest an opportunity to object to the trustee's report. Your objection fails to state grounds related to the trustee's duties.

Examples of appropriate grounds include, but are not limited to, failure by the trustee to collect and reduce to money the property of the estate; failure of the trustee to account for all property received; failure by the trustee to investigate the financial affairs of the debtor.

The following are examples of matters which are not appropriate for hearings on objections to the trustee's report: general objections to the debtor's discharge; objections to the dischargeability of specific debts; failure to be paid on a debt owed (except in an asset case where the trustee made a distribution in accordance with 11 U.S.C. Section 726, but improperly failed to include the objecting party in such distribution); and return of property.

For more information about the duties of the trustee, please refer to 11 U.S.C. Section 704. You may wish to contact your attorney.

If you disagree with this determination, you may file a written motion for hearing. Such motion shall be prepared and served in the manner provided for in Federal Rules of Bankruptcy Procedures 9013 and 9014.
