8 This matter comes before the Court on the motion of \_\_\_\_\_ requesting  
9 an exemption from payment of electronic public access user fees prescribed by Item (I) of the  
10 Electronic Public Access Fee Schedule (effective September 18, 2007). Payment of electronic  
11 public access fees will impose an unreasonable burden on Movant, while the granting of an  
12 exemption from payment will promote public access to information. Cause having been shown by  
13 the motion and supporting documents, if any,

14 **IT IS ORDERED** that \_\_\_\_\_ is granted an exemption  
15 from payment of the electronic public access user fee prescribed by Item (I) of the Electronic Public  
16 Access Fee Schedule for the period \_\_\_\_\_ to \_\_\_\_\_ for access related to the  
17 performance of his/her duties as a researcher. Movant shall make arrangements to establish a  
18 billable account with the PACER Service Center for access not related to performance of his/her  
19 duties as a researcher, and shall be responsible for using the appropriate account. In addition to  
20 a fee exempt account, the PACER Service Center shall establish a billable account for Movant's  
21 use in connection with access unrelated to the performance of his/her duties as a researcher.

22 **IT IS FURTHER ORDERED** that data, dockets, reports, and documents obtained using a  
23 fee exempt account shall not be sold for profit, transferred, or otherwise provided to third parties.  
24 The Clerk of Court, or the Clerk's designee, shall provide copies of this order to Movant and the  
25 PACER Service Center.
