

## **Special Message: "Error reading linearized hint data"**

If you are using Adobe Acrobat Reader version 5.0 or 6.0, you may get the message "Error reading linearized hint data." Don't worry, this is simply a preset key that must be changed in Adobe Acrobat Reader. To correct the problem, simply do the following:

### **If you are using Adobe Acrobat v5.0:**

From your desktop, open Adobe Acrobat Reader and then open the menu Edit/Preferences/General/Options. Disable the entry: "Allow fast web view." Save the changes and reopen the web browser and try again to view the report.

### **If you are using Adobe Acrobat v6.0:**

From your desktop, open Adobe Acrobat Reader and then open the menu Edit/Preferences. Select the Internet option in the list provided. Disable the entry: "Allow fast web view." Save the changes and reopen the web browser and try again to view the report.
