JGE #1

HEARING - MOTION  
TO CONFIRM DEBTOR'S FIRST  
AMENDED CHAPTER 13 PLAN  
3-24-09 [22]

The motion is denied for the following reasons: (1) the moving parties failed to serve several creditors at the addresses on their filed proofs of claim as required by 2002(g); (2) the moving parties failed to serve the IRS and the U.S. Dept. of Education at their addresses on the Roster of Public Agencies; (3) the proof of service contains two different signature/service dates - December 31, 2008 and March 19, 2009. The proof of service of the amended notice of hearing contains these two signature/service dates despite the fact that the amended notice of hearing was not signed until March 30, 2009; (4) the motion refers to an amended plan filed March 20, 2009; however, there is no such plan on file; (5) it is unclear whether the plan was served on creditors, as the proof of service does not refer to the plan, and although one version of the motion (part of DN 24) is followed immediately by the plan, purportedly as an exhibit, the other version of the motion (DN 28) does not have the plan attached; (6) the moving party originally filed amended schedules, the motion, and the plan as a single document, which causes confusion in the docket; and (7) there is no stand-alone supporting declaration. For these reasons the court will deny the motion by minute order. No appearance is necessary.

CHRYSLER FINANCIAL SERVICES 3-26-09 [75]  
AMERICAS LLC, VS.

In the debtors' confirmed plan this creditor is scheduled as Class 4 - to be paid outside the plan. Therefore, the motion is unnecessary as the plan explicitly provides: "Entry of the confirmation order shall constitute an order modifying the automatic stay to allow the holder of a Class 4 secured claim to exercise its rights against its collateral in the event of a default under the terms of its loan or security documentation provided this case is pending under chapter 13." As the motion is unnecessary, the court will deny the motion by minute order. No appearance is necessary.

RTK #1

HEARING - MOTION FOR  
CONFIRMATION OF CHAPTER 13 PLAN  
3-25-09 [36]

The motion is denied for the following reasons: 1) the moving party served the notice and motion, but not the plan itself, contrary to GO.05-03, para. 8(a) (the motion states that the plan is attached as an exhibit, but it is not); (2) the moving party failed to serve the creditors filing Claim Nos. 4 and 5 at the addresses on their proofs of claim as required by FRBR 2002(g), and failed to serve IndyMac Bank, listed in his D-schedule, at all; (3) the moving party has failed to file a declaration in support of confirmation. It is necessary the moving party submit evidence to support findings that the plan, or plan modification, complies with 11 U.S.C. § 1325(a). The moving party has failed to submit evidence to support these necessary findings; and (4) the plan fails to provide for the secured claim of EMC Mortgage contrary to § 1322(b), and although the Debtor has filed a separate motion to value this claim, he has utilized the notice procedure of GO.05-03, para. 3(b), whereas the time frame for use of that procedure has passed. The moving party has failed to set his motion for hearing, and has failed to serve the creditor to the attention of an officer, managing or general agent, or agent for service, pursuant to FRBP 7004(b)(3). For these reasons the court will deny the motion by minute order. No appearance is necessary.

The plan filed two weeks later is the subject of a new motion to confirm, set for hearing May 19, 2009. As such the court will deny the motion as moot by minute order. No appearance is necessary.

SJJ #2

HEARING - MOTION  
TO VALUE COLLATERAL OF  
COUNTRYWIDE MORTGAGE  
3-19-09 [15]

The motion is denied for the following reasons: (1) the moving party failed to serve the creditor to the attention of an officer, managing or general agent, or agent for service of process, as required by FRBP 7004(b)(3); (2) the moving party served the creditor through the attorney requesting special notice at DN 13, but not through the attorney requesting special notice at DN 12. Both special notice requests are on behalf of Countrywide. Countrywide holds both the first and second deeds of trust on the property, and it cannot be determined which special notice request pertains to which deed of trust; thus, both attorneys should have been served; and (3) the notice, motion, and declaration are insufficient to inform the creditor that the debtor seeks an order valuing its secured claim at \$0. The motion needs to specifically state the effect of granting the motion will be to have the creditor's secured claim valued at \$0.00. For these reasons the court will deny the motion by minute order. No appearance is necessary.

It is necessary the moving party submit evidence to support findings that the plan, or plan modification, complies with 11 U.S.C. § 1325(a).
