TO CONFIRM FIRST AMENDED  
CHAPTER 13 PLAN  
4-6-09 [31]

The motion is denied for the following reasons: (1) the moving party has not filed a proof of service; (2) General Order 05-03 requires that when a motion to confirm a plan is filed and set for hearing, that the notice of hearing, motion and plan be served on all creditors. The time for service of the notice, motion and plan is set by General Order 05-03, paragraphs 3 and/or 8 and requires a minimum of 39 days notice. The court record indicates that the plan was served on April 6, 2009, giving only 36 days' notice to creditors; (3) the moving party has failed to include an appropriate docket control number (See LBR 9014-1(c)); and (4) the declaration filed by moving party is that of the debtor's attorney and is not based on personal knowledge. It is necessary the moving party submit competent evidence to enable the court to make findings that the plan, or plan modification, complies with 11 U.S.C. § 1325(a). The moving party has failed to submit competent evidence for the court to make these necessary findings. For these reasons the court will deny the motion by minute order. No appearance is necessary.
