

UNITED STATES BANKRUPTCY COURT

Eastern District of California

Honorable Robert S. Bardwil
Bankruptcy Judge
Sacramento, California

September 2, 2008 at 1:00 p.m.

INSTRUCTIONS FOR PRE-HEARING DISPOSITIONS

1. Matters resolved without oral argument:

Unless stated otherwise, the court will prepare a civil minute order on each matter listed. If the moving party wants a more specific order, it should submit a proposed amended order to the court. In the event a party wishes to submit such an Order it needs to be titled "Amended Civil Minute Order."

If the moving party has received a response or is aware of any reason, such as a settlement, that a response may not have been filed, the moving party must contact Nancy Williams, the Courtroom Deputy, at (916) 930-4580 at least one hour prior to the scheduled hearing.

- 2. The court will not continue any short cause evidentiary hearings scheduled below.**
- 3. If a matter is denied or overruled without prejudice, the moving party may file a new motion or objection to claim with a new docket control number. The moving party may not simply re-notice the original motion.**
- 4. If no disposition is set forth below, the matter will be heard as scheduled.**

DSW #1

HEARING - MOTION
TO CONFIRM DEBTORS' SECOND
AMENDED CHAPTER 13 PLAN
7-16-08 [32]

The motion is denied for the following reasons: (1) the moving parties served the creditor filing Claim Nos. 7, 9 and 10 at an incomplete address (no city, state, zip code), and failed to serve the creditors filing Claim Nos. 8, 11, and 12 at the addresses on their proofs of claim as required by FRBP 2002(g); (2) the notice of hearing incorrectly states the deadline for filing objections as Aug. 20, and incorrectly states in the text the courtroom and department in which the hearing will be held; (3) the proposed plan is not filed separately, but only as an attachment to the motion, contrary to GO.05-03, para. 8(a); and (4) the proposed plan is incomplete, in that it does not contain a page 3; thus, it does not comply with GO.05-03, para. 2(a), which requires that debtors use the standard form plan. For these reasons court will deny the motion by minute order. No appearance is necessary.

32. 08-21936-D-13L GORDON MCMAHON HEARING - MOTION
DBJ #3 FOR HEARING ON CONFIRMATION
OF FIRST AMENDED PLAN
7-14-08 [48]

The motion is denied for the following reasons: the moving party failed to serve the holder of Claim No. 13; (2) the plan contains an Attachment M-1 - motion to avoid the judicial lien of Ocwen Loan Servicing. However, this creditor's proof of claim indicates the CR holds a deed of trust, not a judicial lien. Further, the deed of trust attached to the proof of claim indicates the actual lender is Fremont Investment & Loan. Although the moving party served Ocwen and Fremont, neither was served to the attention of an officer, managing or general agent, or agent for service of process, as required by FRBP 7004(b)(3). Further, there is nothing in the motion or notice of hearing that would provide the CR with notice of the type required by GO.05-03, para. 3(b) - that the debtor seeks to avoid its lien (or to value its collateral). As a result of these defects the court will deny the motion by minute order. No appearance is necessary.
