

UNITED STATES BANKRUPTCY COURT

Eastern District of California

Honorable Whitney Rimel

Bankruptcy Judge

Bakersfield, California

1. Matters resolved without oral argument:

If the moving party has received a response or is aware of any reason, such as a settlement, that a timely opposition may not have been filed, the moving party must contact Marlene Medina, the Calendar Clerk, at (559) 499-5825 by 4:00 p.m. the day before the scheduled hearing.

Following the hearing (not before), moving party shall submit an appropriate form of order. When the debtor's discharge has been entered, proposed orders for relief from stay should reflect that the motion is dismissed as to the debtor and granted only as to the trustee. Entry of discharge normally is indicated on the calendar.

2. If a matter is denied without prejudice, the moving party may file a new motion or objection to claim with a new docket control number. It may not simply re-notice the original motion.

3. If no disposition is set forth below, the hearing will take place as scheduled.

Notice was adequate pursuant to Local Bankruptcy Rule 9014-1(f)(1). No timely opposition was filed. As set forth in the findings of fact stated on the record, relief from stay is warranted under 11 U.S.C. § 362(d)(1) and/or (d)(2). The motion is granted. To the extent that moving party seeks an order of adequate protection, such request is moot in light of the relief granted. To the extent moving party requests attorneys' fees, that request is denied without prejudice to a separately noticed motion setting forth legal and factual predicates for such award. No appearance is necessary.

The chapter 13 plan has been confirmed. Moving party has a secured claim that is in Class 3 or Class 4 of the confirmed plan. Entry of the order confirming the plan constituted an order modifying the automatic stay to allow the creditor to exercise its rights against the collateral in the event of a default. Therefore, the motion is denied as moot and unnecessary. No appearance is necessary.
