Information Necessary to Apply Amended Section [E.g., to determine standing to bring a motion under section 707(b), you must first determine **the median family income** for California. See 11 U.S.C. §§ 101(39A) and 707(b)(6) & (7). This amount is calculated by the Bureau of the Census. If it is not reported for the most recent year, the amount reported for the latest available year is used but must be adjusted to reflect the percentage change in the Consumer Price Index for All Urban Consumers. Where can the Bureau of Census and CPI data be obtained? Is there an Internet site, a publication? What is it?]
