UNITED STATES BANKRUPTCY COURT  
EASTERN DISTRICT OF CALIFORNIA

In re ) Case No. 08-36585-D-7  
NORTHSTAR/GRASS VALLEY, LLC, ) Docket Control No. JFF-4  
Debtor. ) DATE: May 12, 2010  
 ) TIME: 10:00 a.m.  
 ) DEPT: D (Courtroom 34)

**MEMORANDUM DECISION ON FIRST AND FINAL APPLICATION  
FOR APPROVAL OF ATTORNEYS FEES AND COSTS PAYABLE**

**This memorandum decision is not approved for publication and may not be cited except when relevant under the doctrine of law of the case or the rules of claim preclusion or issue preclusion.**

Northstar/Grassvalley, LLC (the "Debtor") filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code ("Code") on November 13, 2008. The case was converted to Chapter 7 on August 20, 2009. Fitzmaurice & Demergian ("Counsel") has acted as Debtor's attorney in its Chapter 11 case and this is Counsel's first and final fee motion (the "Motion"). Through the Motion Counsel seeks approval of \$83,100 in fees and \$7,743.33 in costs. Although no party has filed opposition to the Motion, the court has an independent duty to review all requests for compensation and to determine their reasonableness.

Section 330 of the Code sets out the standard by which courts should determine the reasonableness of fees, and reasonableness is determined by looking at the nature, extent and value of the services

1 rendered. See In re Eliapo 298 B.R. 392, 401 (9th Cir. BAP 2003).  
2 Section 330(a)(3) of the Code states that in determining the amount  
3 of reasonable compensation the court should consider the nature,  
4 extent, and value of the services rendered, taking account of all  
5 relevant factors, including the time spent on the services, the rates  
6 charged for the services, and the customary compensation of  
7 comparably skilled attorneys in other cases.

8 The court has concerns regarding (1) the nature of certain  
9 services that were charged by multiple timekeepers that are  
10 secretarial in nature and not compensable, (2) the extent of charges  
11 by multiple timekeepers to become familiar with the local rules and  
12 procedures of the court, and (3) time spent to prepare a proof of  
13 claim for the law firm upon conversion of the case to chapter 7, as  
14 proofs of claim for chapter 11 administrative expenses are  
15 unnecessary.

16 Specifically, Counsel's billing statements include the time  
17 entries highlighted on Exhibit "A" that are for services secretarial  
18 in nature or for the timekeeper to familiarize himself or herself  
19 with local rules or procedures, or for preparation of the proof of  
20 claim, and therefore, are non-compensable. These charges total  
21 \$12,084.50.

22 In light of the above deductions, Counsel's request for fees of  
23 \$83,100 will be reduced by \$12,084.50 and the court will allow fees  
24 of \$71,015.50 and costs of \$7,743.33 for a total of \$78,758.83.

25 A separate order will be entered consistent with this memorandum  
26 decision.
