ORDER TO SHOW CAUSE - FAILURE
TO PAY FEES
1-23-17 [[72](#)]

Tentative Ruling: Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter. If the court's tentative ruling becomes its final ruling, the court will make the following findings of fact and conclusions of law:

The Order to Show Cause was served by the Clerk of the Court on the Debtor Trustee, and other such other parties in interest as stated on the Certificate of Service on January 23, 2017.

The court issued an Order to Show Cause based on Debtor's failure to pay the required fees in this case (\$74.00 due on January 17, 2017).

The court's decision is to sustain the Order to Show Cause.

The court's docket reflects that the default in payment which is the subjection of the Order to Show Cause has not been cured. The following filing fees are delinquent and unpaid by Debtor: \$74.00.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Order to Show Cause having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Order to Show Cause is sustained, no other sanctions are issued pursuant thereto, and the case is dismissed.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on February 1, 2017. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is \$480.00 delinquent in plan payments. The debtor has paid \$20.00 into the plan to date.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. §§ 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Value was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, Chapter 13 Trustee, parties requesting special notice, and Office of the United States Trustee on December 28, 2016. 14 days' notice is required. That requirement is met.

The Motion for Relief from Automatic Stay was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----
-----.

The Motion for Relief from the Automatic stay is granted.

Housing Group Fund, Inc. seeks either relief from the automatic stay with respect to a post-petition state court action for partition or against the state court entering an interlocutory judgment ordering the real property located at 100 Seneca Way, Vacaville, CA to be sold and its proceeds equitably distributed between Movant and debtor or a declaratory judgment that the stay does not apply.

The Movant and debtor each half own the property and debtor has been refusing to allow Movant physical access to the property. Movant requests relief from the stay "for cause." The Movant asserts that all claims asserted in the underlying state court action are for post-petition activities by the debtor, and as a result the automatic stay should not apply to stay any proceedings in the state court on this issue.

The Chapter 13 Trustee does not oppose the motion.

At the hearing Debtor's counsel represented to the court that opposition to the motion is based on the purported sale to Movant being invalid as a matter of law. This opposition is simply that as a matter of California law, a transfer of title cannot occur while an action for the partition of real property is pending.

Though the court does not determine the underlying rights of the parties in the context of a motion for relief from the stay, this opposition asserted is a basic issue of law which can be readily presented to the court of the court to determine whether there is a colorable interest in the Property for Movant to assert.

DISCUSSION

The court notes that the debtor's interest in the property was transferred to her sister pursuant to court approval on February 14, 2017. The parties filed supplemental briefs in order to address the issue of whether or not a transfer of title cannot occur while an action for the partition of real property is pending. Debtor's argument that relates to this issue is that because HGF represented that it intended to pursue the Partition Action at the time of the assignment, the transfer of the 50% interest not owned by the debtor is a violation of the automatic stay.

The court is not persuaded by this bare assertion. The debtor does not introduce any authority to support this claim. Furthermore, the court finds that a purchase of a non-debtor's interest in real property, which as the Creditor points out was not never owned by the debtor or estate, is valid and does not violate the automatic stay. As a result, cause exists to grant the motion for relief from the automatic stay.

The court shall issue a minute order to the effect that the automatic stay does not act to stay the state court proceeding and/or partitioning of the property.

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion for Relief From the Automatic Stay filed by the Movant having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the automatic stay provisions of 11 U.S.C. § 362(a) are vacated to allow the Movant, Housing Group Fund, Inc., to move for a post-petition state court action for partition or for a state court interlocutory judgment ordering the real property located at 100 Seneca Way, Vacaville, CA to be sold and its proceeds distributed between Housing Group Fund, Inc., Movant, and Michele R. Blair, Debtor.

No other or additional relief is granted.

IT IS ORDERED that the Motion to Dismiss the Bankruptcy Case is dismissed without prejudice.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on January 23, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$2,590.00. Debtor has paid \$24,506.00 into the plan.

Debtors' Response

Debtor responds that an amended plan is being completed.

The court notes the debtor's history of making payments. However, no amended or modified plan has been filed. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on January 23, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$1,825.00. Debtor has paid \$20,050.00 into the plan.

Debtors' Response

Debtor responds that an amended plan is being completed. Debtor also alleges that her husband's income was reduced in May 2016 which resulted in an interruption of payments to the Trustee.

The court notes the debtor's history of making payments. However, no amended or modified plan has been filed. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$5,903.00. Debtor has paid \$11,148.00 into the plan to date.
- B. Debtor's motion to confirm was heard and denied on January 10, 2017. Debtor has yet to file an amended plan.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor (*pro se*), Debtor's Attorney, and Office of the United States Trustee on December 21, 2016. 28 days' notice is required. That requirement is met.

Debtor's Response

Debtor responds that (a) they will be current by the date of the hearing and (b) debtors will file an amended plan and request an extension to February 22, 2017 to file such amended plan.

The court notes the extenuating circumstances as laid out in the declaration filed by debtors' attorney. The court will continue this motion until February 22, 2017 in order to file an amended plan.

The court notes that no plan has been filed. The court does not have evidence that the debtors are current. As a result, cause exists to dismiss the case.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review

The court docket reflects that on January 11, 2017, the Debtors paid the fees upon which the Order to Show Cause was based.

The Order to Show Cause is discharged. No appearance required.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on January 24, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to continue the Motion to Dismiss to March 29, 2017 at 9:00 a.m.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in the amount of \$7,150.00 in plan payments.

Debtors' Response

Debtor responds that she fell behind on payments due to unexpected vehicle repairs and because her husband missed hours during the holidays. Debtor asserts that delinquency payments will be made prior to the hearing. Debtor requests that a payment of \$4,975.00 be made on February 25, 2017.

The court will continue the Motion to Dismiss to see if the debtor makes all payments to become current.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is continued to March 29, 2017 at 9:00 a.m.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor (*pro se*), Debtor's Attorney, and Office of the United States Trustee on January 25, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is delinquent in plan payments in the amount of \$4,864.00.

Debtor's Response

Debtors respond that they will be current as of the hearing.

The court does not have evidence that the debtor is current on plan payments. As a result, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Final Ruling: No appearance at the February 22, 2017 hearing is required.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on January 24, 2017. By the court's calculation, 28 days' notice was provided. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is delinquent in plan payments in the amount of \$2,010.00.

Debtor filed a non-opposition to the motion. Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

The court will dismiss Lisa Mineau from the case. The court will continue the Motion to Dismiss to allow debtor, James Mineau, to file an amended plan.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is continued to March 29, 2017 at 9:00 a.m.

IT IS FURTHER ORDERED that debtor, Lisa Mineau, is voluntarily dismissed from the bankruptcy case.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Debtors respond that a new plan may be filed as they are looking at their options.

The court does not currently have evidence of the debtors' payments. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$18,000.00 and another payment of \$6,000 will become due before the hearing date.
- B. The Debtor's Motion to Confirm was denied by the court and to date the Debtor has failed to file an Amended Plan and set it for confirmation.

Debtor's Response

Debtor responds that a new plan is being worked on as the Debtor has gained employment and his financial situation has changed.

Trustee filed a reply to the Motion to Dismiss after the January 18, 2017 hearing. Trustee points out that the debtor is still \$18,000.00 delinquent. Debtor filed an amended plan and motion to confirm. However, debtor is still delinquent under the terms of the amended plan.

The court will continued the motion to see if the debtor would become current. The debtor is still not current, and as a result, cause exists to grant the motion to dismiss.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor (*pro se*), Debtor's Attorney, and Office of the United States Trustee on December 13, 2016. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to deny the Motion to Dismiss.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments and will need to pay a total of \$6,896.20 to become current by the date of the hearing.

Debtor's Response

Debtors respond that they are filing an Amended Plan and Motion to Confirm before the hearing.

At the hearing, counsel for Debtor addressed the court concerning several challenges in this case, including counsel's recent illness. The Chapter 13 Trustee agreed with a continuance of the hearing to allow counsel and debtor to address these issues.

Debtor has filed an Amended Plan and Motion to Confirm. The court has reviewed the Motion to Confirm the Amended Plan and the Declaration in support filed by the Debtor. Dckt. 118. The Motion appears to comply with Federal Rule of Bankruptcy Procedure 9013 (stating grounds with particularity), and the Declaration appears to provide testimony as to facts to support confirmation based upon the Debtor's personal knowledge. Fed. R. Evid. 601, 602.

Debtor appearing to be actively prosecuting this case, the Motion to Dismiss is denied without prejudice.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is denied without prejudice and the case is not dismissed.

Final Ruling: No appearance at the February 22, 2017 hearing is required.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is delinquent in plan payments in the amount of \$5,710.18.

- A. Debtor is delinquent in plan payments in the amount of \$2,325.00. Debtor filed the case on September 23, 2016 and has not made a single payment.

Debtors' Response

Debtor responds that an Amended Plan has been filed and the Debtor will make the February payment to show good faith towards making payments under the Amended Plan.

Trustee's Reply

Trustee replies that debtor proposes to make the February payment but does not address the previous 4 months of delinquency. Trustee requests that if the February payment is made, the motion be continued to April 4, 2017.

The court does not currently have evidence of the debtors' payments. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

Final Ruling: No appearance at the February 22, 2017 hearing is required.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on January 25, 2017. By the court's calculation, 28 days' notice was provided. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$8,016.68.
- B. The monthly contract installment has increased three times since filing yet the debtors have failed to increase their plan payment to account for these changes. The plan will last for longer than 60 months.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Final Ruling: No appearance at the February 22, 2017 hearing is required.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss the Bankruptcy Case is dismissed without prejudice.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on February 1, 2017. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor failed to appear at the Meeting of Creditors held on January 26, 2017.
- B. Debtor is delinquent in plan payments in the amount of \$2,855.00.
- C. Debtor failed to provide the Trustee with a tax transcript or copy of Federal Income Tax Return with attachments for the most recent pre-petition tax year for which a return was required.
- D. Debtor failed to provide the Trustee with business documents requested by the Trustee.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. § § 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes
for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the

Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

Debtors' Response

Debtors respond that they will be current as of the hearing.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on August 9, 2016. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$148,087.48 to date with the last payment received on July 26, 2016. Trustee shows a total of \$152,638.28 is due, thus Debtor is delinquent \$2,893.92 in plan payments. Prior to the hearing on this matter, a payment of \$7,444.72 will come due. As a result, Debtor will need to pay \$4,830 in order to bring the plan current as of the date of this hearing.

DEBTORS' OPPOSITION

Debtors oppose this motion, stating that Mr. Sadler is self employed and has some outstanding receivable, which, when paid, should allow Debtors to cure the default in plan payments. Prior to the September 7, 2016 hearing, Debtors asked the court to continue the hearing on this motion for 30 days to allow them to cure the default. On October 7, 2016 Mark Sadler, Debtor, filed a declaration asserting that he was just awarded a substantial contract that will allow him to get paid in late October or early November.

October 12, 2016 hearing

The court docket reflects that this case was filed on February 7, 2016. Prior to this motion to dismiss for material default due to missed plan payments, the chapter 13 trustee filed a motion to dismiss on December 14, 2015, Dckt. 31, on the basis that Debtor had fallen behind on plan payments. On January 13, 2016, trustee filed a notice of withdrawal of that motion to dismiss because Debtors submitted the delinquent payments, remedying the

delinquency. Debtors' payment history appears to be consistent and forthcoming, and the court notes that, due to Debtors' consistent adherence to the terms of the plan, it is appropriate here to grant Debtors' request and continue the motion for 30 days in order to permit them a period of time in order to catch up with plan payments.

November 16, 2016 hearing

The court did not have evidence that the debtors were current. In light of the debtors being in the 56th month of the Plan, the court, with the concurrence of the Chapter 13 Trustee, affords Debtor the opportunity to cure the arrearage and complete this plan. Alternatively, if the plan cannot be cured or amended, Debtor could also seek a hardship discharge, if necessary and appropriate.

Discussion

The court does not have evidence that the debtors are current under the plan. No hardship discharge has been requested. As a result, cause exists to dismiss the case.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.
