

UNITED STATES BANKRUPTCY COURT  
Eastern District of California  
Honorable W. Richard Lee  
Hearing Date: Thursday, March 27, 2014  
Place: Department B – Courtroom #12  
Fresno, California

**INSTRUCTIONS FOR PRE-HEARING DISPOSITIONS**

1. The following rulings are tentative. The tentative ruling will not become the final ruling until the matter is called at the scheduled hearing. **Pre-disposed matters will generally be called, and the rulings placed on the record at the end of the calendar.** Any party who desires to be heard with regard to a pre-disposed matter may appear at the hearing. If the party wishes to contest the tentative ruling, he/she shall notify the opposing party/counsel of his/her intention to appear. **If no disposition is set forth below, the hearing will take place as scheduled.**
2. Submission of Orders:  
  
Unless the tentative ruling expressly states that the court will prepare a civil minute order, then the tentative ruling will only appear in the minutes. If any party desires an order, then the appropriate form of order, which conforms to the tentative ruling, must be submitted to the court. When the debtor(s) discharge has been entered, proposed orders for relief from stay must reflect that the motion is denied as to the debtor(s) and granted only as to the trustee. Entry of discharge normally is indicated on the calendar.
3. Matters Resolved Without Opposition:  
  
If the tentative ruling states that no opposition was filed, and the moving party is aware of any reason, such as a settlement, why a response may not have been filed, the moving party must advise Vicky McKinney, the Calendar Clerk, at (559) 499-5825 by 4:00 p.m. the day before the scheduled hearing.
4. Matters Resolved by Stipulation:  
  
If the parties resolve a matter by stipulation after the tentative ruling has been posted, but **before the formal order is entered on the docket**, the **moving party** may appear at the hearing and advise the court of the settlement or withdraw the motion. Alternatively, the parties may submit a stipulation and order to modify the tentative ruling together with the proposed order resolving the matter.
5. Resubmittal of Denied Matters:  
  
If the moving party decides to re-file a matter that is denied without prejudice for any reason set forth below, the moving party must file and serve a new set of pleadings with a new docket control number. It may not simply re-notice the original motion.

SAND CANYON CORPORATION  
2-24-14 [[25](#)]

This motion to value the collateral for a consensual lien against real property was fully noticed in compliance with the Local Rules and there was no opposition. The motion will be granted for cause shown without oral argument. Based on the evidence offered in support of the motion, the respondent's junior priority mortgage claim is found to be wholly unsecured and may be treated as a general unsecured claim in the chapter 13 plan. The debtor(s) may proceed under state law to obtain a reconveyance of respondent's trust deed upon completion of the chapter 13 plan and entry of the discharge. *Unless the chapter 13 plan has been confirmed, then the order shall specifically state that it is not effective until confirmation of the plan.* The debtor(s) shall submit a proposed order consistent with this ruling. No appearance is necessary. *This ruling is only binding on the named respondent in the moving papers and any successor who takes an interest in the property after service of the motion.*

In addition, the record does not establish that the motion was served on either of the named respondents in compliance with Federal Rule of Bankruptcy Procedure 7004(b)(1) (service on an individual), 7004(b)(3) (corporation, partnership or unincorporated association) or 7004(h) (FDIC Insured Depository Institution). *In re Villar*, 317 B.R. 88 (9<sup>th</sup> Cir. For a directory of FDIC Insured Institutions, see <http://www3.fdic.gov/idasp/main.asp>.
