DPC-4 Mark Wolff 3-18-16 [[60](#)]

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor is \$6,100 delinquent in plan payments to the Trustee to date with another monthly payment of \$6,100 to become due prior to this hearing. Debtor has paid \$311,665 into the plan to date.

Debtor states that the delinquency will be cured by the hearing date.

April 20, 2016 at 10:00 a.m.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on March 18, 2016. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

1. Debtor is \$3,204 delinquent in plan payments to the Trustee to date with another monthly payment of \$1,071 to become due prior to this hearing. Debtor has paid \$36,423 into the plan to date.

Debtor's Opposition

Discussion

The docket reflects that the Debtor has filed an amended chapter 13 plan.

At this time, the court is not prepared to dismiss the case.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is denied without prejudice.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(2) Motion -

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on April 5, 2016. 14 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. After the court sustained objections to confirmation on February 24, 2015, the Debtor failed to file an amended plan. The Trustee's Motion argues that the Debtor did not file a Plan or a Motion to Confirm a Plan following the court's denial of confirmation to Debtor's prior plan on January 26, 2016. Debtor filed an amended plan of February 18, 2016 and has failed to set a confirmation hearing date.

As of April 18, 2016, the docket does not reflect that Debtor has set a confirmation hearing date. Debtor offers no explanation for the delay in setting the Plan for confirmation. This is unreasonable delay which is prejudicial to creditors. 11 U.S.C. §1307(c)(1). Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter. If the court's tentative ruling becomes its final ruling, the court will make the following findings of fact and conclusions of law:

The Order to Show Cause was served by the Clerk of the Court on the Debtor Trustee, and other such other parties in interest as stated on the Certificate of Service on April 1, 2016.

The court issued an Order to Show Cause based on Debtor's failure to pay the required fees in this case (\$79.00 due on March 28, 2016).

The court's decision is to sustain the Order to Show Cause, and dismiss the case.

The court's docket reflects that the default in payment which is the subjection of the Order to Show Cause has not been cured. The following filing fees are delinquent and unpaid by Debtor: \$79.00.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Order to Show Cause having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Order to Show Cause sustained, no other sanctions are issued pursuant thereto, and the case is dismissed.

Final Ruling: No appearance at the April 20, 2016 hearing is required.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on March 16, 2016. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. Cf. *Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. See *Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The Motion to Dismiss is granted and the case is dismissed.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor is \$2,097 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$699 is due prior to the hearing. Debtor has paid \$27,261 into the plan to date.

The court has considered the Trustee's reason for dismissal and finds it to be valid. Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on March 18, 2016. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor is \$620 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$310 is due prior to the hearing. Debtor has paid \$4,650 into the plan to date.

Debtor's Responsive Declaration Dkt. 52

Debtor states dissatisfaction with attorney Richard Jare. Debtor has been trying to convert her case to one under Chapter 7 for nearly a year but has been stymied by her attorney. Debtor states that she would need to pay A-L Financial an additional \$1,000-\$3,000 to convert the case, but that she never received the exact amount. Mr. Jare informed Debtor that A-L Financial was not returning his calls. When Debtor called A-L Financial, she was informed that A-L Financial had not received any calls from Mr. Jare. Debtor contacted Mr. Jare about responding to this motion, but Mr. Jare did not respond. Debtor is currently seeking to hire another attorney.

Debtor's Attorney's Response Dkt. 524

Mr. Jare states that he sent Debtor some form oppositions to the Motion to Dismiss including a declaration promising to become current.

Discussion

The court has considered the Trustee's reason for dismissal and finds it to be valid. At this time, the court does not have proof that all delinquent payments have been cured.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted, and the case is dismissed.

1. Debtor is \$7,680 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$3,900 is due prior to the hearing. Debtor has paid \$97,620 into the plan to date.

Debtors' Opposition

Debtors have already sent the trustee \$3,915.00 since the motion was filed. Debtors believe they can bring the plan current by the hearing on this motion, but they are waiting for tax refunds in the amount of \$4,915.00 which may not be available until after the hearing. 1. Debtor is \$1,355.15 delinquent in plan payments to the Trustee to date with another monthly payment of \$451.69 to become due prior to this hearing. Debtor has paid \$19,874.28 into the plan to date.

Debtor's Opposition

Debtor states that he intends to cure the delinquency by March, 2013. The Debtor lost income in October due to a temporary disability as set forth in the Declaration filed with this reply.

To supplement Debtor's income due to any future temporary inability to work or for fluctuations in business, Debtor has applied for and will be receiving benefits from Social Security commencing the end of February 2016. This will allow him to bring the Plan payments current and to continue to make the payments in the future.

Previously

At the hearing held on February 18, 2016, the Trustee concurred with Debtor's request for a continuance, the Debtor being only one month in default in payments and working to address the arrearage. The court granted the request for a continuance.

The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The Motion to Dismiss is granted and the case is dismissed.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor is \$1,200 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$2,970 is due prior to the hearing. Debtor has paid \$4,388 into the plan to date.

The court has considered the Trustee's reason for dismissal and finds it to be valid. Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

Debtor's Opposition

Debtor will be current with his plan payment and cure the priority claim of the EDD prior to the hearing on this matter.

Discussion

The court has considered the Trustee's reason for dismissal and finds it to be valid. At this time, the court does not have proof that all delinquent payments have been cured or that the EDD priority claim has been provided for.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor is \$4,210 delinquent in plan payments to the Trustee to date with another monthly payment of \$2,105 to become due prior to this hearing. Debtor has paid \$2,105 into the plan to date.

Debtor's Opposition

Debtor states that the delinquency will be cured by the hearing date.

Previously

At the hearing held on February 18, 2016, Debtor reported that she intended to market and sell her real property to save the equity in it. The court continued the hearing to allow a modified plan being filed or, if the Debtor obtains employment, to use her new employment to fund the current plan.

Discussion

The court has considered the Trustee's reason for dismissal and finds it to be valid. The docket does not reflect that Debtor filed an amended plan. At this time, the court does not have proof that all delinquent payments have been cured.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The Motion to Dismiss is granted and the case is dismissed.

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$11,100 to date with the last payment received on January 26, 2016. Trustee shows a total of \$12,000 is due, thus Debtor is delinquent \$900 in plan payments. Prior to the hearing on this matter, a payment of \$300 will come due. As a result, Debtor will need to pay \$1,200 in order to bring the plan current as of the date of this hearing.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtors, Debtor's Attorney, and Office of the United States Trustee on March 18, 2016. By the court's calculation, 33 days' notice was provided. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$1,851 to date with the last payment received on November 23, 2015. Trustee shows a total of \$2,619 is due, thus Debtor is delinquent \$768 in plan payments. Prior to the hearing on this matter, a payment of \$256 will come due. As a result, Debtor will need to pay \$1,024 in order to bring the plan current as of the date of this hearing.

DEBTORS' OPPOSITION

Debtors oppose this motion, stating that they will be current on or before the date of hearing on the motion.

DISCUSSION

Although Debtors have stated their intent to be current by the date of hearing, they have not provided evidence to the court that they are actually current. No testimony, or even argument by counsel, is provided as to why the Debtor has defaulted in the payments. To date, no evidence has been presented that the Debtor has cured the delinquency.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Final Ruling: No appearance at the April 20, 2016 hearing is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. The court's decision is to continue the Motion to Dismiss to 2:00 p.m. on May 24, 2016.

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is causing unreasonable delay in filing a new plan and obtaining confirmation. The case was filed on September 15, 2015, and Debtor has yet to confirm a plan. Debtor's motion to confirm plan was heard and denied on March 15, 2016 and Debtor has failed to amend the plan and set a confirmation hearing date.

The last motion to confirm and amended plan had been filed January 19, 2016. Trustee filed and served an opposition February 16, 2016, and Creditor First U.S. Community Bank filed and served opposition February 23, 2016. Debtor filed a response March 7, 2016 which acknowledged an amended plan needed to be filed. This case was filed September 15, 2015 and 6 months have elapsed without confirmation of a plan.

DEBTOR'S OPPOSITION

Debtor responds stating a new plan and motion to confirm were filed April 5, 2016 and will be heard May 24, 2016.

TRUSTEE'S STATUS REPORT

Trustee updates the court, providing a status report. Trustee states that Debtor is causing unreasonable delay to creditors. This is Debtor's second bankruptcy filing and there has been no confirmed plan. This is Debtor's 5th attempt to confirm a plan over the course of two bankruptcies. Debtor filed his first chapter 13 bankruptcy on October 22, 2014 and was unable to confirm a plan, case 14-30438, which was dismissed on May 11, 2015. Debtor filed a second amended plan in this case April 5, 2016 and a motion to confirm plan, which is set for hearing on May 24, 2016. Trustee has reviewed the motion and will be filing an opposition as the Debtor has failed to address the issues raised in both Trustee's objection to confirmation and trustee's objection to Debtor's motion to confirm first amended plan. Debtor's plan does not address the following issues:

1. The plan is not Debtor's best efforts as Debtor has failed to propose to pay his income tax refund into the plan. Debtor received a tax refund of \$5,332 for his 2014 taxes.
2. The plan fails the liquidation analysis as the Debtor's non-exempt assets total \$5,577 and Debtor is proposing a 0% dividend to unsecured creditors.

CREDITOR'S RESPONSE

Creditor First U.S. Community Credit Union files a statement in support of Trustee's Motion to Dismiss. Creditor echoes the sentiments of Trustee, pointing out that Debtor is causing unreasonable delay prejudicial to creditors as this is Debtor's new plan the fifth plan over the course of two bankruptcies, which is again unconfirmable.

1. The Plan provides for four payments of \$200 each, which does not even cover the Monthly Contract Installment Amount of \$300 proposed to be paid to First U.S. Thus, First U.S.'s claim is being impermissibly impaired. This also suggests that the Plan is not feasible.
2. The proposed Arrearage Dividend of \$400 is insufficient to pay First U.S.'s arrears, which total not less than \$33,000. If the Debtor pays \$400 for 56 months as proposed, that would total just \$22,400, leaving a deficit of \$10,600. The suggestion that the Debtor may sell certain real property parcels, which proceeds "may" be used to pay off the arrears to First US, is both non-committal and highly speculative in nature. See Motion to Confirm, Dkt. No. 154. This approach also suggests that the Plan is not feasible.
3. The Plan will not be feasible once the Debtor's payments change to include principal and interest in July 2017 (the payments currently are interest-only). In July 2017, the Monthly Contract Installment Amount will increase to approximately \$793.44 per month, which is nearly \$500 more than the current amount. The Debtor's representation that he will make a second bedroom "usable by that time for acquiring a roommate," and that he estimates that he "should be able to net \$500 more at that time if necessary," is once again both non-committal and highly speculative in nature. *Id.* Again, this suggests that the Plan is not feasible.

DEBTOR'S RESPONSE

Debtor responds to Creditor's statements and Trustee's basis for

objection.

First, Debtor states that Creditor improperly raises objections to confirmation that have not been addressed by this court and to which the Debtor has not had opportunity for hearing and reply. These objections are more properly raised in a motion to confirm and in a manner to give Debtor opportunity to reply. Objections to confirmation are not in and of themselves proper reasons for support in a motion to dismiss, and Creditor suggests further reasons for opposition that are speculative. Furthermore, Creditor appears to imply that filing two cases causes unreasonable delay to creditors.

Next, Debtor addresses concerns of Trustee, stating that as to the Debtor's 2014 tax return, it was clarified that the funds that existed in the bank accounts as disclosed include the refund from the 2014 taxes. Second, as to the liquidation analysis which relies on the equity Debtor has in a bare parcel, the values did not account for the cost of sale. As to the sale of that parcel, Debtor was approved to hire a real estate agent to assist in the sale of the parcel, and Debtor's valuation of the parcel was far off the mark and it is unlikely that the parcel can be sold for enough to cover the loan against it let alone pay for the cost of sale. The true value will result in 0% to unsecured creditors.

DISCUSSION

The court agrees that Trustee and Creditor have a substantial basis for concern, and that it appears that Debtor is causing unreasonable delay prejudicial to creditors. However, Debtors also raise a valid argument that these basis for objection, as they are given merely days after Debtor's amended plan and accompanying motion to confirm plan, are best argued in the context of the plan and not here in this motion to dismiss. The court will continue the instant motion to take place concurrently with the hearing on the amended plan for permit time for parties to formulate their analysis and basis for objection.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is continued to May 24, 2016 at 2:00 p.m.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor (*pro se*) and Office of the United States Trustee on March 9, 2016. 28 days' notice is required. This requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor did not appear at the first meeting of creditors on March 3, 2016. Trustee does not have sufficient information to determine if the plan is suitable for confirmation under 11 U.S.C. § 1325.
2. Debtor does not appear able to make plan payments under 11 U.S.C. § 1325(a)(6). Debtor is delinquent \$75. To date, Trustee has not received any plan payments from Debtor, where one payment has come due. The next payment of \$75.00 is due on March 25, 2016.
3. Trustee has requested that Debtor provide Trustee with answers to certain questions as to Debtor's business. Debtor has not done so.
4. Debtor has not provided Trustee with a tax transcript or a copy of the Federal Income Tax Report with attachments for the most recent pre-petition tax year for which a return was required, or a written statement that no such documentation exists. 11 U.S.C. § 521(e)(2)(A). This is required 7 days before the date set for the meeting of creditors. 11 U.S.C. § 521(e)(2)(A)(i).

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

**

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on March 16, 2016. 28 days' notice is required. This requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$17,300 to date with the last payment received on January 21, 2016. Trustee shows a total of \$23,650 is due, thus Debtor is delinquent \$6,350 in plan payments. Prior to the hearing on this matter, a payment of \$2,850 will come due. As a result, Debtor will need to pay \$9,200 in order to bring the plan current as of the date of this hearing.

DEBTORS' OPPOSITION

Debtor responds with her declaration, stating that she intends to modify the plan and prays that the motion be denied. Debtor states that she is delivering to her counsel two cashier's checks of \$1,400 totaling \$2,800 for February and March, payable to Trustee. Debtor states she has made significant efforts in this case, and intends to have more money to Trustee by April 2016 for \$2,000. Beginning April, the adequate protection payments for the first deed of trust should increase to \$1,770 per month in order to address the concerns of the court that the adequate protection payments are not adequate.

DISCUSSION

Although Debtor appears to be making efforts in this case, and has transmitted to Debtors counsel a number of checks according to Debtor's declaration, Debtor remains in default on plan payments. Where Debtor has paid \$2,800 and states that she intends to have an additional \$2,000 paid by April (which the court is generously including in this calculation as it is not guaranteed that Debtor will or has made this \$2,000 payment), this totals \$4,800 in back payments. However, Trustee has made clear that \$9,200 is due. Furthermore, the court docket does not reflect that a modified plan has been set for hearing in this matter.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Final Ruling: No appearance at the April 20, 2016 hearing is required.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on March 18, 2016. 28 days' notice is required. This requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. See *Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The Motion to Dismiss is granted and the case is dismissed.

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$19,787.35 to date with the last payment received on December 22, 2015. Trustee shows a total of \$21,689.28 is due, thus Debtor is delinquent \$1,901.93 in plan payments. Prior to the hearing on this matter, a payment of \$602.48 will come due. As a result, Debtor will need to pay \$2,504.41 in order to bring the plan current as of the date of this hearing.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Final Ruling: No appearance at the April 20, 2016 hearing is required.

The Order to Show Cause was served by the Clerk of the Court on Beverly Goodrow ("Debtor"), Trustee, and other such other parties in interest as stated on the Certificate of Service on March 14, 2016.

The court issued an Order to Show Cause based on Debtor's failure to pay the required fees in this case (\$79.00 due on March 8, 2016). However, this appears to be a typographical error as the payment of the filing fee schedule reflects that \$77.00 was due on 03/08/16, not \$79.00.

The court's decision is to discharge the Order to Show Cause, and the case shall proceed in this court.

The Order to Show Cause was served by the Clerk of the Court on Beverly Goodrow ("Debtor"), Trustee, and other such other parties in interest as stated on the Certificate of Service on March 1, 2016.

The court issued an Order to Show Cause based on Debtor's failure to pay the required fees in this case (\$79.00 due on February 8, 2016).

The court's decision is to discharge the Order to Show Cause, and the case shall proceed in this court.

IT IS ORDERED that the Order to Show Cause is discharged, no sanctions ordered, and the case shall proceed in this court.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis the Debtor is causing unreasonable delay in filing a new plan. Debtors filed their case on December 23, 2015 and have yet to confirm a plan. Trustee's Objection to Confirmation was heard and sustained at the hearing on March 1, 2016 and Debtors have not amended the plan and set a confirmation hearing date. Debtors are causing unreasonable delay that is prejudicial to creditors.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on March 16, 2016. 28 days' notice is required. This requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtors are causing an unreasonable delay prejudicial to creditors under 11 U.S.C. § 1307(c). The case was filed on August 31, 2015, and Trustee's Objection to Confirmation was heard and sustained on November 17, 2015. Debtor has failed to amend the plan and set it for confirmation hearing. Four months have passed.

DEBTORS' OPPOSITION

Debtors oppose Trustee's motion, stating that Debtors had a motion to value the secured claim of Patelco Credit Union, filed on January 18, 2016 and set for hearing on February 23, 2016. The motion to value was denied, and Debtors and counsel have been conferring as to the value of Debtors' real property securing the debt owed to Patelco and the possibility of obtaining an appraisal as to the value of the real property at the time of filing. Debtors' chapter 13 plan is dependent on the granting of the motion to value, or in the alternative, amending the treatment of Patelco's claim and providing for the post-filing mortgage payments in Class 2A. Counsel has reviewed the objections to confirmation filed by both the chapter 13 trustee and Patelco, and feels all issues absent the treatment of Patelco's claim can be resolved in an amended chapter 13 plan and amended schedules. Debtors and counsel require additional time to determine the appropriate path forward as to the treatment of Patelco's claim.

DISCUSSION

Debtors filed this case on August 31, 2015, and have yet to confirm a chapter 13 plan. Debtors assert that their proposed plan was contingent upon the court granting a motion to value the secured claim of Patelco Credit Union, which was denied by this court on February 23, 2016. At the time of the hearing on this motion to dismiss, two months will have passed since the court denied that motion. Debtors and counsel, however, state that they are conferring as to "possibility of obtaining an appraisal" as to the value of the home, and that Debtors and counsel "require additional time" to determine the appropriate path forward. Counsel does not suggest a time frame within which this may happen, and instead merely suggests that a nebulous "additional time" is required. Meanwhile, Debtors' failure to propose an amended plan, let alone confirm one, and their insistence for "additional time" without assurances to the court as to how much time, has caused unreasonable delay that is prejudicial to creditors.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Final Ruling: No appearance at the April 20, 2016 hearing is required.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on March 18, 2016. 28 days' notice is required. This requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. See *Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The Motion to Dismiss is granted and the case is dismissed.

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$11,430 to date with the last payment received on November 9, 2015. Trustee shows a total of \$13,760 is due, thus Debtor is delinquent \$2,330 in plan payments. Prior to the hearing on this matter, a payment of \$860 will come due. As a result, Debtor will need to pay \$3,190 in order to bring the plan current as of the date of this hearing.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on March 16, 2016. 28 days' notice is required. This requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor is in material default pursuant to section 5.03 of the plan, which requires that the plan is not to exceed 60 months. According to Trustee's calculations, the plan will complete in 74 months as opposed to 60, exceeding the maximum amount of time permitted under 11 U.S.C. § 1322(d).

DEBTOR'S OPPOSITION

Debtor's counsel files a declaration in opposition to Trustee's motion, stating that on March 23, 2016, Debtor's counsel prepared a modified plan to address the deficiency described by Trustee. Debtor's counsel has attempted to get in touch with Debtor, who is now in hospice care, in order to sign the new plan. Debtor's counsel states that he has attempted to contact Debtor twice since March 23, and he has not returned the new plan signed or returned his calls. Debtor's counsel asks the court not to dismiss the case at this time, and hopes to have the modified plan filed and set for hearing before the hearing on this motion.

DISCUSSION

The court finds Debtor's counsel's declaration, Dckt. 46, greatly concerning. In fact, the representations to the court in said declaration make clear that counsel is not acting at the direction of the Debtor, who may or may not know about the status of the instant case and the default in plan payments, but Debtor's counsel is not able to get in touch with Debtor at all and as such has been unable to proceed with the case. The docket in fact reflects that no modified plan has been filed, set or served. The Chapter 13 Debtor is not effectively prosecuting the case, and the Debtor remains in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6).

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on March 16, 2016. 28 days' notice is required. This requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$9,932 to date with the last payment received on March 9, 2016. Trustee shows a total of \$10,854.30 is due, thus Debtor is delinquent \$922.30 in plan payments. Prior to the hearing on this matter, a payment of \$723.62 will come due. As a result, Debtor will need to pay \$1,645.92 in order to bring the plan current as of the date of this hearing.

DEBTOR'S OPPOSITION

Debtor responds to Trustee's motion, stating that Debtor has paid a delinquent amount of \$922.30 and will have paid the next installment of \$723.62 prior to the date of hearing.

DISCUSSION

Although Debtor has stated his intent to be current by the date of hearing, and has stated that he paid the delinquent amount of \$922.30, he has not provided evidence to the court that he is actually current. No testimony, or even argument by counsel, is provided as to why the Debtor has defaulted in the payments. To date, no evidence has been presented that the Debtor has cured the delinquency.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter. If the court's tentative ruling becomes its final ruling, the court will make the following findings of fact and conclusions of law:

The Order to Show Cause was served by the Clerk of the Court on Lakischa Fullard ("Debtor"), Trustee, and other parties in interest on April 5, 2016.

The court issued an Order to Show Cause based on Debtor's failure to pay the required fees in this case (\$79.00 due on March 31, 2016).

The court's decision is to sustain the Order to Show Cause and order the case dismissed.

The court's docket reflects that the default in payment which is the subjection of the Order to Show Cause has not been cured. The following filing fees are delinquent and unpaid by Debtor: [\$79.00].

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Order to Show Cause having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Order to Show Cause is sustained, no other sanctions are issued pursuant thereto, and the case is dismissed.

Final Ruling: No appearance at the April 20, 2016 hearing is required.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss the Bankruptcy Case is dismissed without prejudice.
