INSTRUCTIONS FOR PRE-HEARING DISPOSITIONS

1. Matters resolved without oral argument:

Unless otherwise stated, the court will prepare a civil minute order on each matter listed. If the moving party wants a more specific order, it should submit a proposed amended order to the court. In the event a party wishes to submit such an Order it needs to be titled 'Amended Civil Minute Order.'

If the moving party has received a response or is aware of any reason, such as a settlement, that a response may not have been filed, the moving party must contact Nancy Williams, the Courtroom Deputy, at (916) 930-4580 at least one hour prior to the scheduled hearing.

2. The court will not continue any short cause evidentiary hearings scheduled below.
3. If a matter is denied or overruled without prejudice, the moving party may file a new motion or objection to claim with a new docket control number. The moving party may not simply re-notice the original motion.
4. If no disposition is set forth below, the matter will be heard as scheduled.

Tentative ruling:

The proof of service regarding this hearing, filed at docket entry no. 275, purports to attach to it the form of notice that was served. However, the notice of hearing is not attached to the proof of service at docket entry no. 275, nor is there a notice of hearing on the docket that corresponds with the date of the proof of service. As a result, the court does not know whether the creditors have been properly served with notice of this hearing. Further, in the event the notice that was served gave less than 28 days' notice of the date for filing written objections to the Disclosure Statement, the notice did not comply with Fed.Rul.Bankr.Proc. 2002(b). As a result of the foregoing, it does not appear that parties have been properly served with notice of this hearing and the request for approval of Disclosure Statement will be denied. The court will hear the matter.
