1. [17-21900](#)-C-13 CLARENCE JOHNSON AND MOTION TO DISMISS CASE
[DPC](#)-1 BRENDA HUFFINE 5-1-18 [[19](#)]
Seth Hanson

Final Ruling: No appearance at the May 30, 2018 hearing is required.

The Chapter 13 Trustee having filed a Withdrawal of the Motion to Dismiss the Bankruptcy Case, pursuant to Federal Rule of Civil Procedure 41(a)(1)(A)(i) and Federal Rules of Bankruptcy Procedure 9014 and 7041 **the Motion to Dismiss the Bankruptcy Case was dismissed without prejudice, and the matter is removed from the calendar .**

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on April 10, 2018. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to continue the Motion to Dismiss to July 11, 2018 at 9:00 a.m.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$6,779.68.
- B. Debtor has failed to set a confirmation hearing to date.

Debtor's Response

Debtor responds that due to her case being dismissed and reinstated she got confused about the payments due.

The Trustee filed a status report indicating that the debtor is still delinquent in the amount of \$3,403.00. Debtor has filed an amended plan, and the Trustee suggests continuing this hearing to a date after the Motion to Confirm.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is continued to July 11, 2018 at 9:00 a.m.

ORDER TO SHOW CAUSE - FAILURE
TO PAY FEES
5-8-18 [[25](#)]

Tentative Ruling: Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter. If the court's tentative ruling becomes its final ruling, the court will make the following findings of fact and conclusions of law:

The Order to Show Cause was served by the Clerk of the Court on the Debtor Trustee, and other such other parties in interest as stated on the Certificate of Service on May 8, 2018.

The court issued an Order to Show Cause based on Debtor's failure to pay the required fees in this case (\$79.00 due on May 3, 2018).

The court's decision is to sustain the Order to Show Cause.

The court's docket reflects that the default in payment which is the subjection of the Order to Show Cause has not been cured. The following filing fees are delinquent and unpaid by Debtor: \$79.00.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Order to Show Cause having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Order to Show Cause is sustained, no other sanctions are issued pursuant thereto, and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor (*pro se*), Debtor's Attorney, and Office of the United States Trustee on May 1, 2018. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtors are delinquent in plan payments in the amount of \$8,811.91. Debtor has paid \$11,764.00 into the plan to date.

Debtor responds that a modified plan will be filed. The court notes that no plan has been filed. Therefore, cause exists to dismiss this case as plan payments have not been made. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on May 9, 2018. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is \$1,195.61 delinquent in plan payments. The debtor has paid \$2,391.22 into the plan to date.
- B. Debtor has not filed an amended plan since the court sustained the Trustee's objection to confirmation on April 17, 2018.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. § § 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on April 18, 2018. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to continue the Motion to Dismiss to July 11, 2018 at 9:00 a.m.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. The debtor's plan will not complete in 60 months because unsecured debts came in higher than scheduled.

Debtor's Response

Debtor responds that either (a) debtor can increase plan payments to provide for the higher than scheduled unsecured creditors, or (b) debtor can object to a claim.

The court will continue this hearing to allow time for the debtor to file an objection to claim, otherwise the debtor can propose greater payments to provide for the larger than scheduled unsecured debts.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is continued to July 11, 2018 at 9:00 a.m.

Final Ruling: No appearance at the May 30, 2018 hearing is required.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss the Bankruptcy Case is dismissed without prejudice.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on May 7, 2018. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is \$165.00 delinquent in plan payments. The debtor has paid \$175.00 into the plan to date.
- B. It is unclear if the debtor has filed his tax returns during the 4-year period preceding the filing of the petition.
- C. After the Trustee's objection to confirmation was sustained on April 17, 2018, debtor has not filed an amended plan.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. § 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor has a Class 1 claim but has failed to provide the Class 1 Checklist and Authorization to Release Information forms to the Trustee.
- B. Debtor has filed several previous cases and Trustee believes this plan is an attempt to delay his mortgage and not an attempt to reorganize mortgage debt.
- C. Debtor has not complied with Rule 1007(c) which requires, among other things, credit counseling to be filed, but debtor filed an out-dated creditor counseling certificate from one of debtor's previous cases.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

- A. Debtor is delinquent in plan payments in the amount of \$3,405.00. Debtor has paid \$20,991.01 into the plan to date.
- B. Debtor's Motion to Confirm was denied on December 5, 2017 and debtors have failed to file an amended plan since then.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor (*pro se*), Debtor's Attorney, and Office of the United States Trustee on May 1, 2018. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtors are delinquent in plan payments in the amount of \$7,111.38. Debtor has paid \$30,951.00 into the plan to date.

Debtor responds that a modified plan will be filed. The court notes that no plan has been filed. Therefore, cause exists to dismiss this case as plan payments have not been made. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Final Ruling: No appearance at the May 30, 2018 hearing is required.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss the Bankruptcy Case is dismissed without prejudice.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on February 14, 2018. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and the case is dismissed.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. The case was filed on October 24, 2017 and debtor has yet to confirm a plan. Trustee's objection to confirmation was sustained on January 9, 2018.
- B. Debtors failed to provide the Trustee with a tax transcript or a copy of the Federal Income Tax Return with attachments for the most recent pre-petition tax year for which a return was required.

IRS's Response

The IRS responded to the motion indicating its support for the motion.

Debtor's Response

Debtor responds the debtor is not current and that debtor requests additional time to file tax returns and file, set, and serve an amended plan.

The court does not have evidence that the debtor is current. Furthermore, the debtor has had ample time to file all tax returns. However, the court continued the hearing. The court still does not have evidence that the debtor is current on payments, therefore cause exists to dismiss the case.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the

Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. The plan will run 74 months as opposed to 60 because filed priority claims were greater than scheduled.

Debtors respond that a modified plan has been filed. However, the amended plan was not set for hearing, was filed without a declaration, and filed without a motion to confirm. The filing of an amended plan on its own is insufficient. The motion will be granted and the case dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. The plan will complete in 67 months as opposed to 60 where Sacramento County Child Support Services filed a priority claim.

Debtor responds that a modified plan will be filed, or debtor will show evidence that Sacramento County Child Support Services' claim will be withdrawn. The court notes that no plan has been filed and there is no evidence of the claim being withdrawn. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtors are delinquent in plan payments in the amount of \$2,450.00. Debtor has paid \$47,743.00 into the plan to date.

The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. 1. Debtor's income was as high as \$13,885 per month but he stated that it was only \$10,484.20 per month.
2. Debtors hid a lawsuit that they had against Sacramento Metro Fire.
3. Debtor Shannon Baker lied under oath about the nature of the lawsuit, alimony and child support that was to be paid and other assets.
4. Debtors' home has increased in value.

TRUSTEE'S RESPONSE

Chapter 13 Trustee filed response asserting that the Trustee does not believe there is sufficient evidence to deny the Debtor a discharge for fraud. The income may be very slightly understated on the schedules, but not as understated as told by the movants, especially in light of the fact that the schedules were prepared in 2012. While one of the debtors made more money during the course of the plan, the other made less, and the overall income appears to have remained steady. Debtors did disclose the lawsuit, amended the schedules to reflect the true value of it, and there was an exemption fight over the value of the lawsuit where the estate got \$48,400 from the proceeds of that lawsuit.

There is no requirement that the increase in property value post-confirmation in a chapter 13 case needs to be paid to creditors.

DEBTOR’S RESPONSE

Debtors assert that there were never concealed assets, movants were active participants from the outset of this case, projecting family income was difficult, but the debtors stuck with the plan and worked with the trustee to adhere to a good faith plan.

DISCUSSION

There does not appear to be a basis for denying the debtors’ discharge based on fraud. The Chapter 13 Trustee succinctly summarizes the failure of movant’s objection to state valid grounds to dissuade the court from entering the debtors’ discharge.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Objection to Notice of Intent to Enter Chapter 13 Discharge filed by the Chapter 13 Trustee, having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that Objection to Notice of Intent to Enter Chapter 13 Discharge is overruled.

OBJECTION TO DISCHARGE BY DAVID

3-12-18 [[173](#)]

Final Ruling: No appearance at the May 30, 2018 hearing is required.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Objection and supporting pleadings were served on Debtor, Debtor's Attorney, Chapter 13 Trustee, parties requesting special notice, and Office of the United States Trustee on March 12, 2018. 28 days' notice is required.

The Objection to Discharge has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1) and Federal Rule of Bankruptcy Procedure 4003(b). The failure of the Debtor and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered as consent to the granting of the motion. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Boone v. Burk (In re Eliapo)*, 468 F.3d 592 (9th Cir. 2006). Therefore, the defaults of the Debtor and the other parties in interest are entered, the matter will be resolved without oral argument and the court shall issue its ruling from the parties' pleadings.

The Objection to Discharge is overruled.

Chapter 13 Trustee objects to discharge because of a pending Objection to Final Report and Account. The court continued the hearing on the Objection to Final Report to May 30, 2018. Trustee does not otherwise oppose debtors' discharge. The court is inclined to overrule the objection to discharge where there do not appear to be valid grounds to object to such discharge.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Objection to Discharge filed by the Chapter 13 Trustee, having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that Objection to Discharge is overruled.

Tentative Ruling: The Objection to Trustee's Final Report and Account has been set for hearing on the notice required by Local Bankruptcy Rules 3015-1(d)(2), 9014-1(f)(1), and Federal Rule of Bankruptcy Procedure 3015(g). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Hearing Required.

Correct Notice Provided. The Proof of Service states that the Objection and supporting pleadings were served on Chapter 13 Trustee, all creditors, parties requesting special notice, and Office of the United States Trustee on February 26, 2018. Twenty-eight days' notice is required. That requirement was met.

The Objection to Trustee's Final Report and Account has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). Opposition having been filed, the court will address the merits of the objection at the hearing. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The Objection to Trustee's Final Report and Account is overruled.

Creditors, Jason and Dianne Tiffany, object to the Trustee's Final Report and Account. Creditors appear to have filed three different objections, all substantially identical (Dckts. 158, 159, 166). Creditor requests that a criminal investigation for fraud and perjury be opened by this court against the debtors. Creditors object to the final report for the following reasons:

1. Debtor's income was as high as \$13,885 per month but he stated that it was only \$10,484.20 per month.
2. Debtors hid a lawsuit that they had against Sacramento Metro Fire.
3. Debtor Shannon Baker lied under oath about the nature of the lawsuit, alimony and child support that was to be paid and other assets.
4. Debtors' home has increased in value.

Debtors' Response

Debtors respond that the objection is moot because the court entered its order Approving Final Report and Account and Discharging Trustee on February 27, 2018. Creditor did not file an objection with proof of service until Dckt. 166. Debtors assert that the objection does not have any evidence in support of the contentions contained in the objection.

Trustee's Response

Trustee responds that there have been several confirmed plans, many payments by the debtor, and no opposition to any motion to confirm plan during the course of the case. Creditor has been involved in the case since nearly its inception. The debtors have conformed to the terms of the confirmed plans, and have made all plan payments contemplated.

Discussion

Creditor has not stated grounds for an Objection to Trustee's Final Report and Account. It is undisputed that the debtor made the payments required by the terms of the confirmed plan. No objection to the plan was ever filed by the creditor. No opposition to a motion to confirm plan was filed by the creditor. This is not the appropriate court nor the appropriate procedure for requesting a criminal investigation.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Objection to Trustee's Final Report and Account filed by the Creditor having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Objection to Trustee's Final Report and Account is overruled.

Final Ruling: No appearance at the May 30, 2018 hearing is required.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss the Bankruptcy Case is dismissed without prejudice.

WELLS FRGO BANK, N.A. VS.

Tentative Ruling: The Motion for Relief From the Automatic Stay has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Hearing Required.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, Chapter 13 Trustee, and Office of the United States Trustee on November 28, 2017. Twenty-eight days' notice is required. That requirement was met.

The Motion for Relief From the Automatic Stay has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). The defaults of the non-responding parties are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The Motion for Relief From the Automatic Stay is granted.

Wells Fargo Bank, N.A. seeks relief from the automatic stay with respect to the real property commonly known as 11779 Gold Parke Lane, Gold River, California.

Debtor has not made 5 post-petition payments, with a total of \$10,689.66 in post-petition payments past due. From the evidence provided to the court, and only for purposes of this Motion for Relief, the debt secured by this property is determined to be \$314,222.02 (including \$314,244.02 secured by movant's first trust deed), while the value of the property is determined to be \$375,000.00, as stated in Schedules A and D filed by Debtor.

Debtor's Response

Debtor responds that Wells Fargo is listed as a class 1 claim under the plan that is to come on for hearing on January 9, 2018 at 2:00 p.m. The plan suspends any and all delinquent post-petition mortgage arrears and proposes to pay all post-petition arrears.

Trustee's Response

Trustee points out that the debtor is delinquent \$13,835.00 under the confirmed plan. No payment have been made curing pre-petition arrears. The Trustee has filed an opposition to the debtor's Motion to Modify.

Trustee filed a status report indicating that the debtor is delinquent \$4,334.00 under the terms of the confirmed plan.

Discussion

The court maintains the right to grant relief from stay for cause when the debtor has not been diligent in carrying out his or her duties in the bankruptcy case, has not made required payments, or is using bankruptcy as a means to delay payment or foreclosure. *In re Harlan*, 783 F.2d 839 (B.A.P. 9th Cir. 1986); *In re Ellis*, 60 B.R. 432 (B.A.P. 9th Cir. 1985). The court determines that cause exists for terminating the automatic stay since the debtor has not made post-petition payments. 11 U.S.C. § 362(d)(1); *In re Ellis*, 60 B.R. 432 (B.A.P. 9th Cir. 1985).

Additionally, Movant has provided sufficient grounds to grant relief from the co-debtor stay under 11 U.S.C. § 1301(a). Movant has established, pursuant to 11 U.S.C. § 1301(a), that it would be irreparably harmed if relief from the co-debtor stay were not granted.

The court continued the hearing to allow the parties time to work out an adequate protection stipulation. No stipulation appears to have been filed with the court.

The court shall issue a minute order terminating and vacating the automatic stay to allow Wells Fargo Bank, N.A., and its agents, representatives and successors, and all other creditors having lien rights against the property, to conduct a nonjudicial foreclosure sale pursuant to applicable nonbankruptcy law and their contractual rights, and for any purchaser, or successor to a purchaser, at the nonjudicial foreclosure sale to obtain possession of the property.

The moving party has not pleaded adequate facts and presented sufficient evidence to support the court waving the 14-day stay of enforcement required under Rule 4001(a)(3), and this part of the requested relief is not granted.

No other or additional relief is granted by the court.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion for Relief From the Automatic Stay filed by the creditor having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the automatic stay provisions of 11 U.S.C. § 362(a) are vacated to allow Wells Fargo Bank, N.A., its agents, representatives, and successors, and trustee under the trust deed, and any other beneficiary or trustee, and their respective agents and successors under any trust deed which is recorded against the property to secure an obligation to exercise any and all rights arising under the promissory note, trust deed, and applicable nonbankruptcy law to conduct a nonjudicial foreclosure sale and for the purchaser at any such sale obtain possession of the real property commonly known as 11779 Gold Parke Lane, Gold River, CA.

IT IS FURTHER ORDERED that the co-debtor stay provisions of 11 U.S.C. § 1301(a) are vacated to allow Wells Fargo Bank, N.A., its agents, representatives, and successors, and trustee

under the trust deed, and any other beneficiary or trustee, and their respective agents and successors under any trust deed which is recorded against the property to secure an obligation to exercise any and all rights arising under the promissory note, trust deed, and applicable nonbankruptcy law to conduct a nonjudicial foreclosure sale and for the purchaser at any such sale obtain possession of the real property commonly known as 11779 Gold Parke Lane, Gold River, CA.

No other or additional relief is granted.

The court's decision is to continue the Motion to Dismiss to July 11, 2018 at 9:00 a.m.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor failed to appear at the first meeting of creditors.
- B. Debtor has failed to provide the Trustee with 60 days of employer payment advices received prior to the filing of the petition.
- C. Debtor is delinquent \$8 on plan payments, Debtor has paid \$0 into the plan to date.
- D. Debtors failed to provide the Trustee with a tax transcript or a copy of the Federal Income Tax Return with attachments for the most recent pre-petition tax year for which a return was required.

Debtor responds that he will become current as of the date of the hearing. Additionally, Debtor requests a 30 day extension to hire an attorney and correct defects in his schedules. The court agrees that an attorney would help this case, and will continue this matter to July 11, 2018 at 9:00 a.m.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss the Bankruptcy Case is dismissed without prejudice.

Final Ruling: No appearance at the May 30, 2018 hearing is required.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on April 18, 2018. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. The plan will not complete until 73 months where unsecured claims were greater than scheduled.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on May 9, 2018. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is \$525.00 delinquent in plan payments. The debtor has paid \$0.00 into the plan to date.
- B. The plan fails to list any creditors in Classes 1-4 and fails to provide a dividend to unsecured creditors.
- C. Debtor may not be eligible for chapter 13 where debtor does not have sufficient regular income to pay a chapter 13 plan as debtor's monthly expenses are more than debtor's income.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. § 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted
and the case is dismissed.

The court's docket reflects that the default in payment which is the subjection of the Order to Show Cause has not been cured. The following filing fees are delinquent and unpaid by Debtor: \$77.00.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

IT IS ORDERED that the Order to Show Cause is sustained, no other sanctions are issued pursuant thereto, and the case is dismissed.

The court has reviewed the Motion to Confirm the Modified Plan and the Declaration in support filed by the Debtors. The Motion appears to comply with Federal Rule of Bankruptcy Procedure 9013 (stating grounds with particularity) and the Declaration appears to provide testimony as to facts to support confirmation based upon personal knowledge (Fed. The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$4,875.00. Debtor has paid \$21,125.00 into the plan to date.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,
