JULY 9, 2015 STATUS PRELIMINARY INJUNCTION CONFERENCE

Pursuant to the stipulation of the parties, the Adversary Proceeding Status Conference has been continued to 2:30 p.m. on October 14, 2015. Order, Dckt. 49. In a Joint Status Conference Statement, the parties advise the court that this matter has been resolved and the parties are drafting the settlement documents. In the Plaintiff-Debtor's bankruptcy case, El Dorado Savings Bank reported that the settlement of this Adversary Proceeding is tied to confirmation of a plan which provides for treatment of various claims. 15-22182, Dckt. 80.

The court set this Status Conference date to afford the parties a date certain as an option for filing motions to modify the preliminary injunction in this Adversary Proceeding. It appears that the preliminary injunction, and this Adversary Proceeding, are being resolved through a stipulation. No motion to modify the preliminary injunction have been filed and no additional pleads with respect to this special Status Conference.

The court removes the Status Conference re: Preliminary Injunction from the calendar. Parties may, if they have not otherwise resolved these matters, file and set for hearing motions as they determine proper.
