OCTOBER 2, 2014 STATUS CONFERENCE

The Chapter 11 Trustee filed a Status Conference Report on September 29, 2014. Dckt. 515. He reports that he is still addressing issues with the California Franchise Tax Board over monies which were withheld and disbursed by the Title Company to the Franchise Tax Board from the sale of properties by the Estate. He reports that part of the confusion arises from the two Debtors having two separate tax identification numbers for the bankruptcy estate, and then one for each Debtor.

The Chapter 11 Plan was confirmed in this case by order filed on March 13, 2014. Dkct. 472.
