1.	17-21208-C-13 DPC-1	LOUIS BROWN Mary Ellen Terranella	MOTION TO DISMISS CASE 9-10-18 [76]
----	--	--------------------------------------	--

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on September 10, 2018. Twenty-eight days notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is delinquent in plan payments in the amount of \$4,460.92, with another Plan payment in the amount of \$2,250.36 due prior to the date of the hearing. Debtor has paid \$22,518.90 into the plan to date.

B. Debtor's Plan cannot be completed in (60) months, according the Trustee's calculations the Plan will require (69) months.

DEBTOR'S RESPONSE:

Debtor's counsel responds that the Debtor anticipates filing a modified plan and motion to approve prior to the hearing date. (Dckt. 80). Additionally, the response indicates that the Debtor has been approved for a refinance of his residence that will pay of the existing loan and the pre-petition arrears.

RULING:

In the absence of evidence that Debtor has filed a confirmable modified plan, cause exists to dismiss this case as plan payments have not been made. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter. If the court's tentative ruling becomes its final ruling, the court will make the following findings of fact and conclusions of law:

The Order to Show Cause was served by the Clerk of the Court on the Debtor, Trustee, and other such other parties in interest as stated on the Certificate of Service on September 12, 2018.

The court issued an Order to Show Cause based on Debtor's failure to pay the required fees in this case (\$66.00 due on September 4, 2018).

The court's decision is to sustain the Order to Show Cause.

The court's docket reflects that the default in payment which is the subjection of the Order to Show Cause has not been cured. The following filing fees are delinquent and unpaid by Debtor: \$66.00.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Order to Show Cause having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Order to Show Cause is sustained, no other sanctions are issued pursuant thereto, and the case is dismissed.

No Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

DEBTOR'S RESPONSE:

Debtor's counsel responds that the Debtor anticipates making the \$825.00 payment that is due on September 25, 2018. Debtor's counsel states that the remaining deficiency will be addressed by the proposed modified plan presently set for confirmation hearing on November 6, 2018. (Dckt. 48).

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on August 17, 2018. Twenty-eight days notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to deny the Motion to Dismiss without prejudice.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is delinquent in plan payments in the amount of \$660.00, with two additional Plan payments in the amount of \$330.00 due prior to the date of the hearing. Debtors have paid \$1,346.00 into the plan to date.

DEBTOR'S RESPONSE:

Debtor acknowledges the delinquency and anticipates filing an amended plan and be current under the amended plan by the hearing date. (Dckt. 119).

RULING:

The Court notes that on October 8, 2017, Debtor filed a Motion to Confirm Debtor's Third Amended Plan, set for hearing on November 20, 2018. A summary review of the Motion to Confirm and Declaration in support appear to be consistent with the pleading requirements of Federal Rule of Bankruptcy Procedure 9013 and the declaration provides specific testimony, not merely the Debtor's personal findings and conclusions.

Based on the amended plan having been filed and the Debtor appearing to be actively prosecuting

the case, the court denies the Motion without prejudice.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is denied without prejudice.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on September 12, 2018. Twenty-eight days notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is delinquent in plan payments in the amount of \$3,732.68, with another Plan payment in the amount of \$2,866.34 due prior to the date of the hearing. Debtor has paid \$13,465.36 into the plan to date.

DEBTOR'S RESPONSE:

Debtor's counsel responds, without a declaration, that the Debtor delinquent and that the Debtor has advised counsel that a payment of \$2,866.34 was mailed to the Trustee on September 25, 2018. (Dckt. 65). Debtor's counsel further responds that Debtor anticipates being able to become current by October 12, 2018 (two days after the hearing). Debtor requests that if he is not able to cure the delinquency by October 12, 2018, that his case be converted to a Chapter 7.

At the hearing -----.

In the absence of evidence that debtor can become current or have filed a confirmable modified plan, cause exists to dismiss this case as plan payments have not been made under 11 U.S.C. § 1307. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter. If the court's tentative ruling becomes its final ruling, the court will make the following findings of fact and conclusions of law:

The Order to Show Cause was served by the Clerk of the Court on the Debtor, Trustee, and other such other parties in interest as stated on the Certificate of Service on September 23, 2018.

The court issued an Order to Show Cause based on Debtor's failure to pay the required fees in this case (\$79.00 due on September 17, 2018).

The court's decision is to sustain the Order to Show Cause.

The court's docket reflects that the default in payment which is the subjection of the Order to Show Cause has not been cured. The following filing fees are delinquent and unpaid by Debtor: \$79.00.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Order to Show Cause having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Order to Show Cause is sustained, no other sanctions are issued pursuant thereto, and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

A. Debtor is delinquent in plan payments in the amount of \$1,694.95, with another Plan payment in the amount of \$1,671.26 due prior to the date of the hearing. Debtor has paid \$46,606.00 into the plan to date.

DEBTOR'S RESPONSE:

Debtor's counsel responds that Debtor will be able to cure the delinquency prior to the hearing. (Dckt. 78). Additionally, Debtor's counsel states that Debtor advised him that Debtor lost the cashier's check before it was sent to the Trustee and anticipates obtaining a replacement check. Debtor's counsel notes that he was unable to meet with the Debtor prior to the opposition deadline because counsel was out of town from September 25, 2018 through September 30, 2018.

At the hearing -----.

In the absence of evidence that debtor can become current, cause exists to dismiss this case as plan payments have not been made under 11 U.S.C. § 1307. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

DEBTOR'S RESPONSE:

Debtor's counsel responds, without a declaration providing evidence of the facts alleged, that she is attempting to secure a loan modification with Wells Fargo or in the alternative will propose a modified plan in the absence of a loan modification. In support of this, Debtor submitted unauthenticated written communications with Wells Fargo dated August 21, 2018.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtors, Debtors' Attorney, and Office of the United States Trustee on September 12, 2018. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. The court shall issue a minute order substantially in the following form holding that:

**ORDER TO SHOW CAUSE - FAILURE
TO PAY FEES
9-10-18 [58]**

Final Ruling: No appearance at the October 10, 2018 hearing is required.

Final Ruling: The court issued an order to show cause based on Debtor's failure to pay the required fees in this case (installment fee payment for the filing fee, \$80.00 due by 9/4/2018). The court docket reflects that on October 3, 2018 the Debtor paid the fees upon which the Order to Show Cause was based.

The Order to Show Cause is discharged. No appearance required.

The fees having been paid, the Order to Show Cause is discharged.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Order to Show Cause having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Order to Show Cause is discharged, no sanctions are ordered, and the case shall proceed.

Final Ruling: No appearance at the October 10, 2018 hearing is required.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on September 12, 2018. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is delinquent in plan payments in the amount of \$5,821.21, with one payment in the amount of \$1,663.17 due prior to the date of hearing. Debtor has paid \$48,800.00 into the plan to date.

The court finds the Trustee's objections are valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. § 1307, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Debtor's Counsel's Response:

Debtor's counsel responds that Debtor passed away in December 2017 and the family was not aware of the bankruptcy proceedings. The family is now requesting a short continuance to have time to file a notice of death and motion for omnibus relief upon death of the Debtor.

The court agreed to continue the hearing until September 5, 2018 at 9:00 a.m. The court notes that as of August 30, 2018 at approximately 12:00 p.m., neither a notice of death or motion for omnibus relief upon death of the Debtor has been filed.

A hearing was held on September 5, 2018. The court continued the hearing until October 10, 2018 to allow Debtor's counsel additional time to file a notice of death.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is delinquent in plan payments in the amount of \$2,440.77, with one payment in the amount of \$3,715.87 due prior to the date of hearing. Debtor has paid \$88,036.00 into the plan to date.

B. Debtor's Plan is overextended, the Trustee calculates that the Plan will be completed in 67 months rather than the proposed 60 months. Approximately \$40,500.00 remains to be paid under the confirmed plan, excluding the future monthly installment contract amount. The monthly plan payment net of the Trustee's fee and monthly contract installment amount is approximately \$1,000.00. The Debtor would require 41 more months to complete the plan, but the plan is already in its 26th month.

DEBTOR'S SUPPLEMENTAL RESPONSE:

On October 7, 2018, Debtors' counsel responded that Debtors no longer intend to file a modified Plan and do not oppose the Trustee's Motion.
