

## CAEB Web Calendar

We'd like to introduce our new calendaring website <https://www.calendar.caeb.uscourts.gov>. This brand-new website will replace the mobile application the court currently has available through the Google Play and Apple App Stores. This application includes a Hearing Calendar, a 341 Calendar, the Pre-Hearing Disposition Calendar, and an Attorney Calendar which allows attorneys to view all matters currently on calendar. The website is also searchable by case number and/or debtor(s) name.

The new website is also a PWA website. Progressive Web Application, or PWA, means you can place an icon in your phone's application drawer, on its home screen or on your pc's desktop to launch the site. It allows you to launch the website easier and faster and mimics the functionality of a native app. You can still visit the site normally through your browser either way.

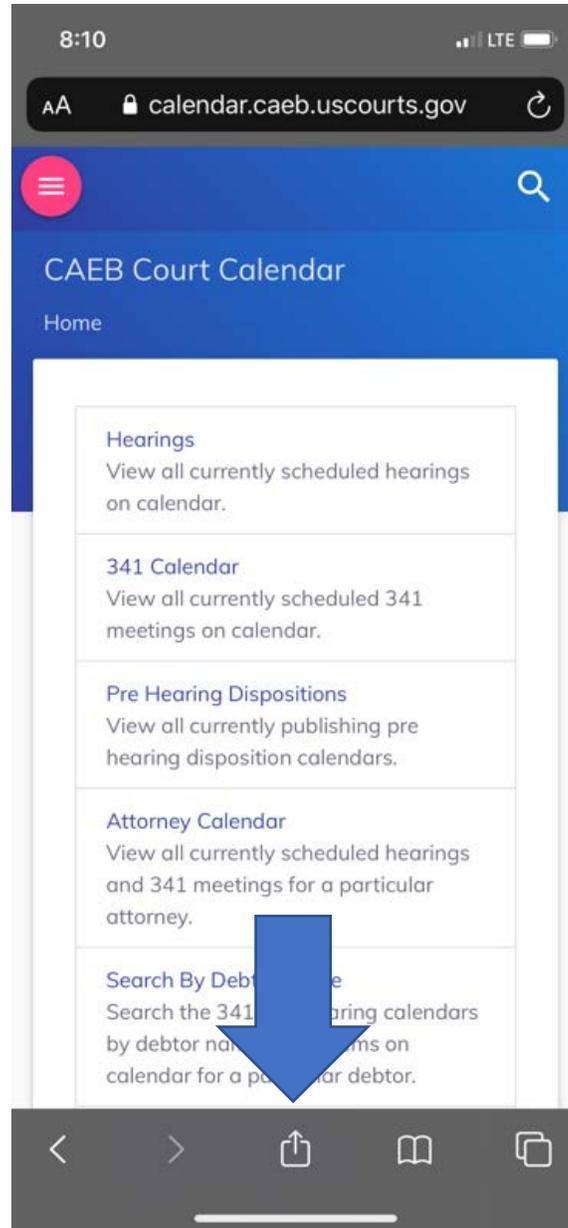

The following steps will show you how to add the icon to your phone.

### Android

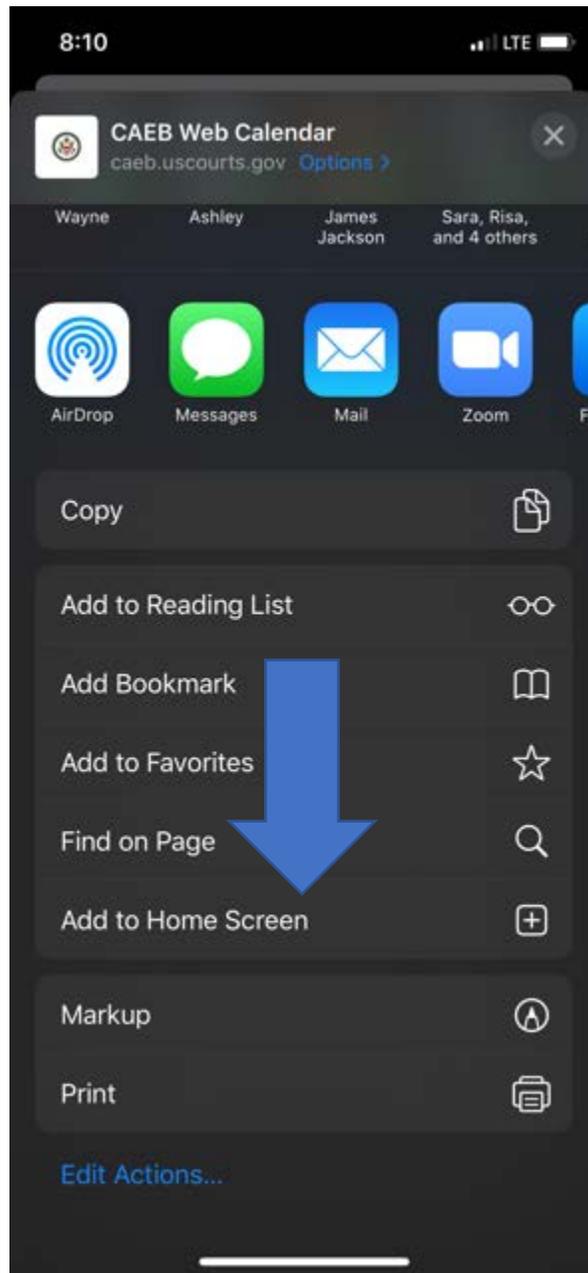

- 1) Using Chrome, go to <https://www.calendar.caeb.uscourts.gov>.
- 2) In the top left corner of the browser click the menu button .
- 3) Click the "Add to Home screen" button.
- 3) You will be prompted with a dialog box asking for confirmation. Click the "Add" button.
- 4) In your phones application drawer you should see a new icon titled "CAEB Web Calendar." Clicking this icon will launch the standalone calendar website.

## iPhone

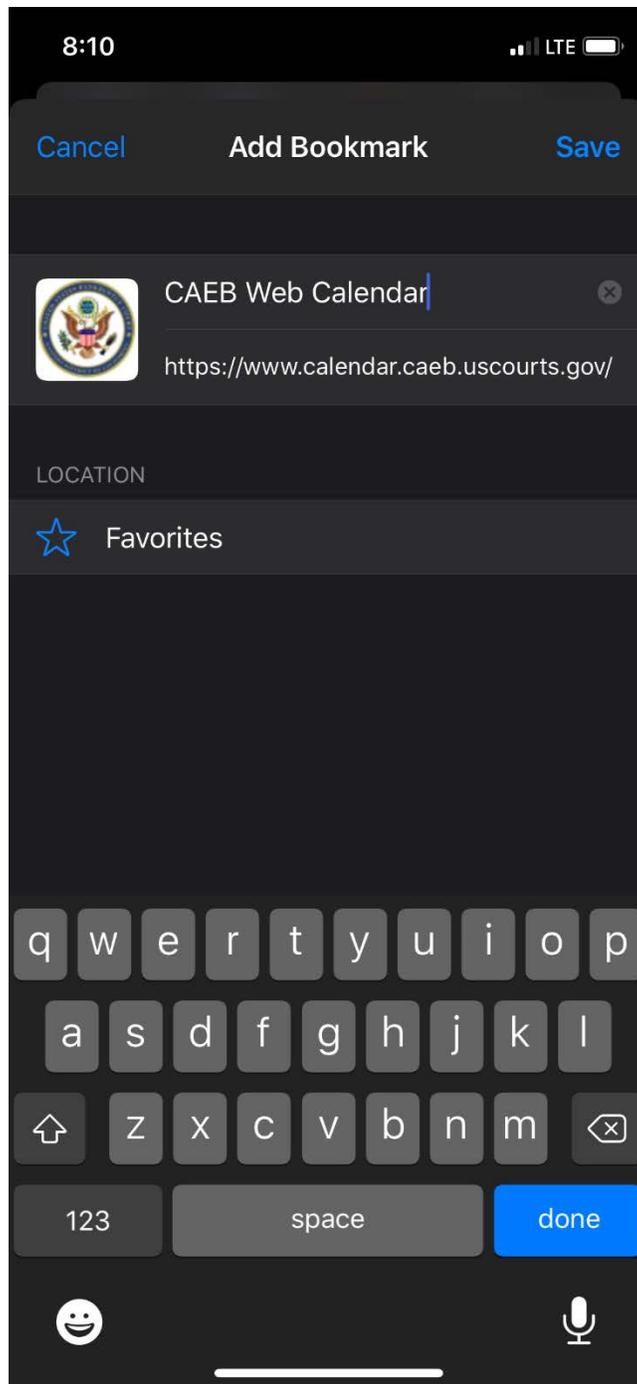

- 1) Using Safari, go to <https://www.calendar.caeb.uscourts.gov>.
- 2) Click the menu button in the bottom center of the screen.

3) The menu screen will appear. Click “Add to Home Screen”

4) Click the “Save” button.

5) In your phones application drawer you should see a new icon titled “CAEB Web Calendar”. Clicking this icon will launch the standalone calendar website.
