- b. MTI's remaining inventory assets (estimated value of \$75,416.00);
- c. MTI's remaining other equipment assets but it shall not include any equipment asset for which a Certificate of Title is issued by a governmental entity and Bank of America, N.A. is not noted as a lienholder on said Certificate of Title. Bank of America shall not retain a lien on any set for which a Certificate of Title is issued by a governmental entity and Bank of America, N.A. is not noted as a lienholder on said Certificate of Title and such assets shall be free and clear of any such uncertificated lien, claim or encumbrance;
- d. MTI's member interest in Matheson Air Services, LLC;
- e. MTI's member interest in Matheson Mail Transportation, Inc.;

¹ This number reflects the transfer to the Debtors of \$200,000 from the MTI Cash Deposit as described further in Article 5.7.11 below.

² Beginning on the Effective Date through December 31, 2024, Bank of America, N.A. has agreed to continue to allow use of credit cards issued by Bank of America, N.A. on the same terms as approved previously by the Court in the Bank of America Credit Card Agreement Approval Order, as amended by the terms set out in Article 5.7.11 below. These amended terms include an agreement to reduce the MTI Cash Deposit to secure obligations incurred by the Debtors under the company credit cards issued by Bank of America, N.A. to the Debtors to \$50,000 from \$250,000.

1 f. MTI's contingent rights to any refund of the proceeds of the drawn

6 from said standby letter of credit.

7 g. MTI's contingent rights to any refund of the proceeds of the drawn
8 standby letter of credit dated as of October 12, 2016 (as amended and extended), issued
9 by Bank of America, N.A. for the benefit of XL and/or any collateral resulting from said
10 standby letter of credit.

11 Entry of the Confirmation Order and occurrence of the Effective Date shall be
12 deemed to: (a) avoid Bank of America, N.A.'s security interest in any assets of the Debtors or the
13 Debtors' Estates other than those identified in this Article 4.1.1, and (b) constitute a final
14 resolution of any and all disputes concerning the extent of Bank of America, N.A.'s security
15 interest in assets of the Debtors' Estates or challenges that the Debtors' Estates hold or may hold
16 against Bank of America, N.A. relating to the amount owed to Bank of America, N.A. and/or the
17 validity and extent of its secured claim in the Debtors' cases, including but not limited to any
18 claims arising under Chapter 5 of Title 11 of the United States Code.

19 **4.1.2 Treatment.**

20 In full satisfaction, settlement, release, and discharge of, and in exchange for its
21 Allowed Class 1 Claim, Bank of America, N.A. shall receive the following:

22 **4.1.2.1 Retention of Lien.**

23 Bank of America, N.A. shall retain a security interest in and lien on the Debtors'
24 Estates' assets to the extent provided in Article 4.1.1 to secure payment of Bank of America's
25 Class 1 Claim. For the avoidance of doubt: (a) the validity and amount of said lien shall not be
26 augmented, diminished, or otherwise affected by substantive consolidation of the Debtors'
27 Estates pursuant to Article 5.2, and (b) said lien shall not attach to MTI's contingent rights to any
28 refund of the proceeds of the drawn standby letter of credit (as amended and extended) in the

1 amount of \$2,821,375.00 issued by Texas Capital Bank for the benefit of XL and/or any
2 collateral resulting from said standby letter of credit, or MTI's contingent rights to any refund of
3 the proceeds of the drawn standby letter of credit (as amended and extended) in the amount of
4 \$5,200,000.00 issued by Texas Capital Bank for the benefit of AIU Insurance and its affiliates.

5 Except as modified by this Plan, such lien shall be governed by the Bank of
6 America Loan Agreement, and Bank of America, N.A. shall have all of the rights of a secured
7 party under Division 9 of the California Commercial Code, Cal. Comm. Code § 9101, *et seq.*,
8 except that whenever a provision of Division 9 of the California Commercial Code makes
9 reference to or incorporates an agreement between the secured party and debtor, such agreement
10 shall be deemed to be the agreement between the Debtors and Bank of America, N.A. as
11 modified by this Plan.

12 **4.1.2.2 Class 1 Payments.**

13 On the Effective Date, Bank of America, N.A. shall be paid \$5,656,067.00 in part
14 satisfaction of its Class 1 Claim. Said payment along with all other payments made to Bank of
15 America, N.A. as adequate protection in these Chapter 11 Cases pursuant to Court orders shall
16 also be deemed full satisfaction of any rights that Bank of America, N.A. may be entitled to
17 assert under 11 U.S.C. §507(b) and any Bankruptcy Court orders authorizing use of cash
18 collateral and/or determining that Bank of America, N.A.'s secured claim in the Chapter 11 Case
19 was adequately protected. In addition, within ten (10) days after the Debtors' Estates or Plan
20 Administrator realizes net cash proceeds from the sale or other recovery on account of the
21 unliquidated assets listed in Article 4.1.1 (i.e., credit card agreement deposit, inventory, other
22 fixed assets, equity interests in Matheson Air Services, LLC and Matheson Mail Transportation,
23 Inc., and contingent refunds of the drawn proceeds of any letters of credit issued by Bank of
24 America, N.A. pursuant to the Bank of America Loan Agreement, including its allocable share of
25 the XL Letter of Credit Proceeds and/or other XL Collateral calculated in accordance with
26 Article 5.20), such proceeds shall be paid to Bank of America, N.A., after deduction for any and
27 all reasonable costs incurred by the Debtors' Estates and/or Plan Administrator to recover such
28 proceeds, including but not limited to: broker/sale commissions, taxes incurred on sale that are

1 payable by the Debtors' Estates or Plan Administrator, repairs, transportation fees, any
2 applicable permits or transfer fees, and reasonable fees incurred by attorneys or financial
3 advisors that relate directly to the realization of such recoveries. All payments made to Bank of
4 America, N.A. shall be applied first to accrued post-Effective Date interest, and then to principal
5 until the Class 1 Claim is paid in full.

6 **4.1.2.3 Interest.**

7 From and after the Effective Date, the Allowed Class 1 Claim shall accrue simple
8 interest at the rate of seven and 75/100ths (7.75%) percent per annum (based on a 365-day year),
9 or such other rate as the Court shall determine is appropriate at the Confirmation Hearing ("Post-
10 Confirmation Interest Rate"). Interest shall begin accruing on the unpaid amount of the Allowed
11 amount of the Class 1 Secured Claim on the Effective Date and continue until the Allowed
12 amount of the Secured Claim is paid in full., as follows To the extent the Class 1 Secured Claim
13 is secured by the equity interests in Matheson Air Services LLC, and Matheson Mail
14 Transportation, Inc., the amount of the interest charge shall be calculated based on the amount of
15 the gross cash proceeds realized by the Debtors' Estates or Plan Administrator from such assets.
16 For purposes of illustration only, if the Plan Administrator realizes \$1 million in gross proceeds
17 on account of the member interest in Matheson Air Services LLC, the interest charge would be
18 determined by multiplying the Post-Confirmation Interest Rate by \$1 million through the date
19 net proceeds are remitted to Bank of America, N.A. Hence, if the net proceeds of the Matheson
20 Air Services LLC member interest are paid to Bank of America, N.A. ninety (90) days after the
21 Effective Date, the interest charge would be \$19,109.59 [$\$1,000,000 \times 7.75\% \times 90/365 =$
22 $\$19,109.59$]. If after costs of sale, the Plan Administrator remits \$900,000 to Bank of America,
23 N.A., \$19,109.59 will be deemed payment on account of accrued post-Effective Date interest,
24 and \$880,890.41 will be applied to reduce the principal amount of the indebtedness owed to
25 Bank of America, N.A.

26 To the extent the Class 1 Secured Claim is secured by the contingent rights to
27 refund of the proceeds of any letters of credit issued by Bank of America, N.A. pursuant to the
28 Bank of America Loan Agreement, including its allocable share of the XL Letter of Credit

1 Proceeds and/or other XL Collateral, interest shall begin to accrue on the date(s) such refunds are
2 received by the Plan Administrator and continue until such refund(s) are paid to Bank of
3 America, N.A.

4 **4.1.2.4 Deficiency Claim.**

5 Bank of America, N.A.'s total claim against the Debtors' Estates, including its
6 Allowed Class 1 Secured Claim, is \$9,190,672.34 as of July 31, 2024. In the event the entire
7 indebtedness owed by the Debtors Estates to Bank of America, N.A. on account of the Allowed
8 Class 1 Secured Claim is not satisfied through payment on account of the Class 1 Secured Claim,
9 Bank of America, N.A. shall be deemed to hold an Allowed Class 7 Claim for any deficiency.
10 The Plan Administrator shall reserve sufficient funds to ensure that any deficiency claim under
11 this Article 4.1.2.4 shall receive its Pro Rata Share. For clarity and the avoidance of doubt, Bank
12 of America, N.A. shall be deemed to hold an Allowed General Unsecured Claim in Class 7 for
13 \$3,534,605.34, as of the Effective Date (which sum represents the total claim owed to Bank of
14 America, N.A. minus \$5,656,067.00), however, Bank of America, N.A.'s Allowed General
15 Unsecured Claim shall be reduced to the extent Bank of America, N.A. receives subsequent
16 payments on account of its Allowed Class 1 Secured Claim from the Plan Administrator after the
17 Effective Date.

18 **4.1.2.5 Pre-Payment.**

19 The Debtors' Estates shall be permitted to pre-pay the Allowed Class 1 Claim at
20 any time without penalty or other premium.

21 **4.1.3 Option to Surrender Bank of America, N.A Collateral.**

22 In the event the Plan Administrator determines that sale or other disposition of an
23 item of the Bank of America, N.A Collateral is not cost effective or in the best interests of the
24 Debtors' Estates, the Plan Administrator shall retain the right to abandon and/or surrender said
25 item of Bank of America, N.A Collateral to Bank of America, N.A.

26 **4.1.4 Rights Upon Default.**

27 In the event the Debtors' Estates or Plan Administrator fails to make the payments
28 required by Article 4.1.2.2, Bank of America, N.A. shall be entitled to seek a hearing in the

1 Bankruptcy Court on seven (7) days' notice seeking an order compelling the Plan Administrator
2 to make the payment or granting any other appropriate relief.

3 **4.2 Class 2 –Banc of America Leasing & Capital, LLC**

4 **4.2.1 Determination of Liens and Secured Amount.**

5 The Class 2 Claim shall be deemed secured in the amount of \$985,213.16, minus
6 any additional adequate protection payments made after the filing of this Plan. Entry of the
7 Confirmation Order and occurrence of the Effective Date shall be deemed to: (a) avoid Banc of
8 America Leasing & Capital, LLC's security interest in any assets of the Debtors or the Debtors'
9 Estates other than the BALC Perfected Collateral, and (b) constitute a final resolution of any and
10 all disputes concerning the extent of Banc of America Leasing & Capital, LLC's security interest
11 in assets of the Debtors' Estates or challenges that the Debtors' Estates hold or may hold against
12 Banc of America Leasing & Capital, LLC relating to the amount owed to Banc of America
13 Leasing & Capital LLC and/or the validity and extent of its secured claim in the Debtors' cases,
14 including but not limited to any claims arising under Chapter 5 of Title 11 of the United States
15 Code.

16 **4.2.2 Treatment.**

17 In full satisfaction, settlement, release and discharge of, and in exchange for its
18 Allowed Class 2 Claim, Banc of America Leasing & Capital, LLC shall receive the following:

19 **4.2.2.1 Retention of Lien.**

20 Banc of America Leasing & Capital, LLC shall retain a lien on the BALC
21 Perfected Collateral to secure payment of the Class 2 Claim. For the avoidance of doubt, the
22 validity and amount of said lien shall not be augmented, diminished, or otherwise affected by
23 substantive consolidation of the Debtors' Estates pursuant to Article 5.2. Except as modified by
24 this Plan, such lien shall be governed by the Banc of America Leasing & Capital Equipment
25 Loan, and Banc of America Leasing & Capital, LLC shall have all of the rights of a secured
26 party under Division 9 of the California Commercial Code, Cal. Comm. Code § 9101, *et seq.*,
27 except that whenever a provision of Division 9 of the California Commercial Code makes
28 reference to or incorporates an agreement between the secured party and debtor, such agreement

1 shall be deemed to be the agreement between the Debtors and Banc of America Leasing &
2 Capital, LLC as modified by this Plan.

3 **4.2.2.2 Class 2 Payments.**

4 Within ten (10) days after the Debtors' Estates or Plan Administrator realizes cash
5 proceeds from the sale of the BALC Perfected Collateral, the net proceeds shall be paid to Banc
6 of America Leasing & Capital LLC, after deduction of any and all reasonable costs incurred by
7 the Debtors' Estates and/or Plan Administrator to recover such proceeds, including but not
8 limited to: broker/sale commissions, taxes incurred on sale that are payable by the Debtors'
9 Estates or Plan Administrator, repairs, transportation fees, any applicable permits or transfer fees,
10 and reasonable fees incurred by attorneys or financial advisors that relate directly to the
11 realization of such recoveries. All payments made to Banc of America Leasing & Capital LLC
12 shall be applied first to accrued post-Effective Date interest, and then to principal. If by October
13 15, 2024, the net proceeds realized from sale of the BALC Perfected Collateral are not sufficient
14 to pay Banc of America Leasing & Capital LLC \$985,213.16 (minus any additional adequate
15 protection payments made after the filing of this Plan) plus accrued interest, the Debtors' Estates
16 or Plan Administrator shall within five (5) business days remit the amount required to fully
17 satisfy the Class 2 Claim plus accrued interest. Payment of such amount shall constitute full and
18 final satisfaction of the Class 2 Claim and any rights that Banc of America Leasing & Capital
19 LLC may be entitled to assert under 11 U.S.C. §507(b) and any Bankruptcy Court orders
20 authorizing use of cash collateral and/or determining that Banc of America Leasing & Capital
21 LLC's secured claim in the Chapter 11 Case was adequately protected. Banc of America
22 Leasing & Capital, LLC shall have no interest in any unsold BALC Perfected Collateral after it
23 receives full payment of the Class 2 Claim.

24 **4.2.2.3 Interest.**

25 From an after the Effective Date, the unpaid amount of the Allowed Class 2
26 Secured Claim shall accrue simple interest at the Post-Confirmation Interest Rate, or such other
27 rate as the Court shall determine is appropriate at the Confirmation Hearing ("") and continue
28 until paid in full.

1 **4.2.2.4 Deficiency Claim.**

2 Banc of America Leasing & Capital, LLC's total claim including its Allowed
3 Class 2 Claim is \$4,282,158.00 as of July 31, 2024. For clarity and the avoidance of doubt, Banc
4 of America Leasing & Capital, LLC shall have an Allowed General Unsecured Claim for
5 \$3,296,944.84 which sum represents the difference between the agreed secured claim and the
6 total claim owed to Banc of America Leasing & Capital, LLC.

7 **4.2.2.5 Pre-Payment.**

8 The Debtors' Estates shall be permitted to pre-pay the Allowed Class 2 Claim at
9 any time without penalty or other premium.

10 **4.2.2.6 Option to Surrender BALC Perfected Collateral.**

11 In the event the Plan Administrator determines that sale or other disposition of an
12 item of the BALC Perfected Collateral is not cost effective or in the best interests of the Debtors'
13 Estates, the Plan Administrator shall retain the right to abandon and/or surrender said item of
14 BALC Perfected Collateral to Banc of America Leasing & Capital, LLC.

15 **4.2.3 Rights Upon Default.**

16 In the event the Debtors' Estates or Plan Administrator fails to make the payments
17 required by Article 4.2.2.2, Banc of America Leasing & Capital, LLC shall be entitled to seek a
18 hearing in the Bankruptcy Court on seven (7) days' notice seeking an order compelling the Plan
19 Administrator to make the payment or granting any other appropriate relief.

20 **4.3 Class 3 –PACCAR Financial Corp.**

21 **4.3.1 Determination of Liens and Secured Amount.**

22 The Class 3 Claim shall be deemed secured only to the extent that the Debtors'
23 Estate or Plan Administrator realizes gross proceeds through the sale or other disposition of the
24 PACCAR Perfected Collateral (which gross proceeds are currently estimated to be
25 approximately \$169,155.00). Entry of the Confirmation Order and occurrence of the Effective
26 Date shall be deemed to: (a) avoid PACCAR Financial Corp.'s security interest in any assets of
27 the Debtors or the Debtors' Estates other than the PACCAR Perfected Collateral, and (b)
28 constitute a final resolution of any and all disputes concerning the extent of PACCAR Financial

1 Corp.'s security interest in assets of the Debtors' Estates or challenges that the Debtors' Estates
2 hold or may hold against PACCAR Financial Corp. relating to the amount owed to PACCAR
3 Financial Corp. and/or the validity and extent of its secured claim in the Debtors' cases,
4 including but not limited to any claims arising under Chapter 5 of Title 11 of the United States
5 Code.

6 **4.3.2 Treatment.**

7 In full satisfaction, settlement, release and discharge of, and in exchange for its
8 Allowed Class 3 Claim, PACCAR Financial Corp. shall receive the following:

9 **4.3.2.1 Retention of Lien.**

10 PACCAR Financial Corp. shall retain its lien on the PACCAR Perfected
11 Collateral to secure payment of its Class 3 Claim.

12 **4.3.2.2 Class 3 Payments.**

13 Within ten (10) days after the Debtors' Estates or Plan Administrator realizes cash
14 proceeds from the sale of the PACCAR Perfected Collateral, such net proceeds shall be paid to
15 PACCAR Financial Corp., after deduction for any and all reasonable costs incurred by the
16 Debtors' Estates and/or Plan Administrator to recover such proceeds, including but not limited
17 to: broker/sale commissions, taxes incurred on sale that are payable by the Debtors' Estates or
18 Plan Administrator, repairs, transportation fees, and any applicable permits or transfer fees. All
19 payments made to PACCAR Financial Corp. shall be applied first to accrued post-Effective Date
20 interest, and then to principal.

21 **4.3.2.3 Interest.**

22 From an after the Effective Date, the unpaid amount of the Allowed Class
23 Secured 3 Claim shall accrue simple interest at the rate of seven and 75/100ths (7.75%) percent,
24 or such other rate as the Court shall determine is appropriate at the Confirmation Hearing ("Post-
25 Confirmation Interest Rate") until paid in full.

26 **4.3.2.4 Deficiency Claim.**

27 In the event the entire indebtedness owed by the Debtors Estates to PACCAR
28 Financial Corp. is not satisfied through payment on account of the PACCAR Perfected

Collateral, the Class 3 Claimant shall be deemed to hold an Allowed Class 7 Claim for any deficiency.

4.3.2.5 Pre-Payment.

The Debtors' Estates shall be permitted to pre-pay the Allowed Class 3 Secured Claim at any time without penalty or other premium.

4.3.2.6 Option to Surrender PACCAR Perfected Collateral.

In the event the Plan Administrator determines that sale or other disposition of an item of the PACCAR Perfected Collateral is not cost effective or in the best interests of the Debtors' Estates, the Plan Administrator shall retain the right to abandon and/or surrender said item of PACCAR Perfected Collateral to PACCAR Financial Corp.

4.3.3 Rights Upon Default.

In the event the Debtors' Estates or Plan Administrator fails to make the payments required by Article 4.3.2.2, PACCAR Financial Corp. shall be entitled to seek a hearing in the Bankruptcy Court on seven (7) days' notice seeking an order compelling the Plan Administrator to make the payment or granting any other appropriate relief.

4.4 Class 4 –BMO Harris Bank, N.A.

The Class 4 Claim held by BMO Harris Bank, N.A. shall be deemed satisfied in full pursuant to payments made by the Debtors prior to the Effective Date. No distributions shall be made to the Class 4 Claimholder under this Plan. Confirmation of the Plan and the occurrence of the Effective Date shall be deemed a complete release and discharge of any liens or security interests held by BMO Harris Bank, N.A. in any assets of the Debtors' Estates held as of the Effective Date.

4.5 Class 5 – Workers Compensation Claims

After the Effective Date, each holder of a Workers' Compensation Claim shall be entitled to pursue its Claim against the Debtors' Estates/Plan Administrator as if the Chapter 11 Cases had not been commenced and, in connection therewith, Workers Compensation Claims covered by any XL Insurance Policies shall continue to be administered, handled, defended, settled and paid as provided in the XL Insurance Order. The Debtors' Estates/Plan Administrator shall

1 continue to administer their existing programs for workers compensation insurance as if the
2 Chapter 11 Cases had not been commenced and, in connection therewith, the Debtors'
3 Estates/Plan Administrator shall satisfy all administrative costs associated with their workers
4 compensation insurance programs, all costs of defense, and all claims or losses up to the amount
5 of any applicable deductible or self-insured retention relating to any Class 5 claim and otherwise
6 pay all obligations and perform all duties of the insured as required under any applicable XL
7 Insurance Policies providing coverage for Workers Compensation Claims (as that term is defined
8 in the XL Insurance Policies and XL Insurance Program). Neither this Section 4.5 nor any other
9 provision of the Plan or Plan Documents shall be deemed to expand, diminish, alter, impair or
10 affect any rights that any Class 5 Claimholder has or may have to seek recovery from the
11 Debtors Estates or any Insurer under an Insurance Policy or applicable law, nor shall any
12 provision of the Plan or the Plan Documents be deemed to expand, diminish, alter, impair or
13 affect any obligations that the Debtors Estates or an Insurer has or may have to a Class 5
14 Claimholder or the Debtors' Estates under an Insurance Policy or applicable law.

15 To the extent that one or more of the Debtors' Estates, Plan Administrator, or an Insurer
16 agrees to satisfy in full a Class 5 claim (whether adjudicated by a court of competent jurisdiction
17 or otherwise settled), then immediately upon such payment, the applicable portion of the Class 5
18 Claimholder's claim against the Debtors' Estates shall be deemed disallowed without the Plan
19 Administrator or Debtors' Estates having to file an objection to such claim, and without any
20 further notice to or action, order, or approval of the Bankruptcy Court. To the extent that one or
21 more of the Debtors' Estates, Plan Administrator, or an Insurer agrees to satisfy in part a Class 5
22 claim (whether adjudicated by a court of competent jurisdiction or otherwise settled), then
23 immediately upon such payment, the applicable portion of the Class 5 Claimholder's claim
24 against the Debtors' Estates shall be deemed reduced by the amount of such payment without the
25 Plan Administrator or Debtors' Estates having to file an objection to such claim, and without any
26 further notice to or action, order, or approval of the Bankruptcy Court.

28

1 **4.6 Class 6 – Tort Claims**

2 Except to the extent that a Holder of an Allowed Tort Claim agrees to less
3 favorable treatment of its Allowed Claim, in full and final satisfaction, settlement, release, and
4 discharge of and in exchange for each Allowed Tort Claim, each such holder of an Allowed Tort
5 Claim in Class 6 shall receive distributions in accordance with Article 4.6.4. Each and every
6 Tort Claim arising prior to the commencement of the Bankruptcy Cases shall be deemed
7 disputed and may become an Allowed Claim against the Debtors estates entitled to a distribution
8 pursuant to this Plan only if the conditions for allowance specified in either Articles 4.6.1 or
9 4.6.2 occur:

10 **4.6.1 Participation in Mandatory Alternative Dispute Resolution Program**

11 The Plan Administrator and all holders of a Tort Claim must participate in good
12 faith and complete the Mandatory Alternative Dispute Resolution Program (“MADRP”)
13 provided for in this Article 4.6.1 which is intended to facilitate an agreement between the Plan
14 Administrator and the Tort Claimholder determining: (a) whether to Allow the holder’s Tort
15 Claim, (b) the amount of any such Allowed Tort Claim, and (c) the extent to which the
16 Claimholder will receive distributions on account of such Allowed Tort Claim in accordance
17 with Article 4.6.4. Notwithstanding any provision of this Plan to the contrary, the holder of a
18 Tort Claim may not seek to modify or lift the stay imposed by 11 U.S.C. §362(a) and continued
19 in effect by Article 5.17 prior to the conclusion of the MADRP proceeding relating to its claim.

20 *Allocation of MADRP Costs.* The Plan Administrator and holders of a Tort Claim
21 shall be responsible for their own attorneys’ fees and costs associated with participating in the
22 MADRP and unless otherwise agreed shall share equally in the cost, if any, of a mediator.

23 *Selection of Mediator.* The Plan Administrator and holder of a Tort Claim shall
24 meet and confer to identify the individual to serve as the mediator. The mediator may be any
25 individual acceptable to both parties that is willing to act as mediator, and who would not be
26 disqualified under the standards set forth in 28 U.S.C. §455(b). In the event the Plan
27 Administrator and the claim holder cannot agree on an individual to serve as mediator within
28 twenty-one (21) days after the initiation of the meet and confer process, the Bankruptcy Court

1 shall select the mediator on the parties' behalf. In such cases, the Plan Administrator and holder
2 of the Tort Claim shall submit a joint statement *in camera* to the Bankruptcy Court that: (a)
3 briefly summarizes the basis for the holder's Tort Claim and the Debtors' defenses thereto, (b)
4 nominates no more than two candidates from each party (for a total of no more than four) to
5 serve as mediator, and (c) briefly summarizes the reasons why each party recommends their
6 proposed mediator candidate(s) and opposes the mediator candidate(s) recommended by the
7 other party. The Bankruptcy Court may select one of the candidates proposed by the parties to
8 serve as mediator or may determine to appoint an individual not recommended by either party.
9 A hearing on the appointment of a mediator shall be held only at the Bankruptcy Court's
10 discretion. The Bankruptcy Court's selection of a mediator shall be deemed final and not subject
11 to any further appeal or reconsideration.

12 *Procedures Governing the Conduct of the Mediation.* The initial mediation
13 conference shall take place not later than thirty (30) calendar days following the selection of the
14 mediator at a location convenient to the parties and the mediator, unless the mediator determines
15 otherwise. The mediation conference may be conducted either in person or by video conference,
16 provided however, that if during the course of the mediation the mediator determines in his/her
17 sole discretion that in-person attendance by the parties at the mediation is better suited to
18 achieving a consensual resolution of the dispute, the mediator shall provide written notice of the
19 time and place for the in-person MADRP conference. The mediator may direct the parties to
20 participate in subsequent mediation conferences if the mediator determines in his/her sole
21 discretion that additional mediation conferences are likely to result in a consensual resolution of
22 the dispute.

23 Unless modified by the mediator, no later than fifteen (15) calendar days after the
24 selection of the mediator each party shall submit directly to the mediator a written MADRP
25 statement, who shall keep such statements confidential. Such statements shall not exceed fifteen
26 (15) pages (not counting exhibits and attachments). While such statements may include any
27 information that a party deems useful, they must:
28

- 1 a. Identify the person(s), in addition to counsel, who will attend the session as
- 2 representative of the party with decision making authority;
- 3 b. Describe briefly the substance of the dispute;
- 4 c. Set forth the history of past settlement discussions, including disclosure of prior
- 5 and any presently outstanding offers and demands;
- 6 d. Estimate the cost and time to be expended for further discovery, pretrial
- 7 motions, expert witnesses, and trial if the matter were litigated; and
- 8 e. Include an offer the mediator is authorized to share during the mediation with
- 9 the other party, along with an explanation for why if such offer was accepted it would constitute
- 10 a fair resolution of the dispute.

11 *Insurer Participation.* Any Insurer may, but is not required, to participate as a
12 third-party in the mediation conference. The Plan Administrator shall take commercially
13 reasonable steps to (i) provide notice to Insurers of the mediation conference and opportunity to
14 participate as a third party and (ii) obtain an Insurer's participation in the mediation conference
15 and consent to any settlement where: (a) the holder's Tort Claim is of a kind where insurance
16 coverage is potentially available under one of the Debtors' Insurance Policies, (b) the likely
17 Allowed amount of the holder's Tort Claim is in excess of the Debtors' remaining self-insured
18 retention obligations related to such claim, and (c) the Debtors have not exhausted available
19 coverage under the applicable Insurance Policies for such claim.

20 *Participation of Other Interested Parties.* Any person or entity alleged by a Tort
21 Claim holder to be jointly liable with the Debtors on account of a Tort Claim may, but is not
22 required, to participate as a third-party in the MADRP mediation conference. The Plan
23 Administrator shall take commercially reasonable efforts to provide reasonable notice to any
24 such potentially interested third parties of a MADRP mediation conference and opportunity to
25 participate as a third party.

26 *Conclusion of the Mediation.* The mediation shall continue until the parties have
27 reached a consensual resolution of the dispute, or the mediator determines, in his/her sole
28 discretion, that further proceedings in the mediation are unlikely to facilitate the parties' ability

1 to reach a consensual resolution of the dispute. Within ten (10) calendar days after the
2 conclusion of the mediation, the mediator shall file a notice with the Bankruptcy Court stating
3 solely whether: (a) the parties have complied with their obligations under the MADRP and
4 instructions of the mediator, and (b) a settlement has been or has not been reached (as the case
5 may be).

6 *Allowance of Tort Claim.* If the MADRP mediation results in a consensual
7 resolution of the dispute, the holder's Tort Claim shall be deemed allowed as an unsecured non-
8 priority claim in the amount agreed to between the Plan Administrator and the holder of the Tort
9 Claim, and the holder shall thereafter be entitled to receive distributions on account of such
10 Allowed Tort Claim in accordance with Article 4.6.4.

11 *Sanctions for Violation of MADRP Obligations.* The willful failure to attend the
12 initial or any subsequent MADRP conference, any willful violation of the parties' obligations
13 under this Article 4.6.1, or willful violation of the mediator's instructions to the parties during
14 the course of the mediation shall be reported to the Bankruptcy Court and may result in the
15 imposition of sanctions by the Bankruptcy Court. If the Bankruptcy Court determines after
16 notice and a hearing that a willful violation has occurred, the Bankruptcy Court may in its
17 discretion impose appropriate sanctions upon the offending party which may include: (a)
18 injunctive orders compelling the offending party to perform its MADRP obligation or mediator
19 instruction, (b) imposition of fees and costs to compensate the non-offending party or mediator
20 for any costs or expenses resulting from the offending party's violation, (c) a monetary penalty,
21 (d) disallowance of the Tort Claim (if the claim holder is the offending party), or (e) allowance
22 of the Tort Claim in an amount determined as appropriate by the Bankruptcy Court (if the Plan
23 Administrator/Debtors' Estates is the offending party).

24 *Relief from Mediation Requirements.* Nothing in this Plan shall be deemed to
25 preclude the Plan Administrator or holder of a Tort Claim from seeking relief in the Bankruptcy
26 Court from the obligations of the MADRP created by this Plan or any requirements or
27 instructions that are imposed by the mediator. Any such request for relief shall be initiated
28 within seven (7) calendar days after the party has become subject to the obligation from which

1 relief is sought. (For example, if the party is directed by the mediator to appear at an in-person
2 mediation conference, the seven-day time-period begins to run from the date the mediator gives
3 notice of the direction to appear, not the date the in-person mediation conference was scheduled
4 to occur.) Any request for relief under this Article shall be initiated by filing a motion with the
5 Bankruptcy Court on notice to the opposing party and the mediator. Pending resolution of such
6 motion for relief, the party initiating the motion shall not be deemed in willful violation of its
7 obligations under the MADRP or any requirements or instructions imposed by the mediator.

8 *Confidentiality.* All written and oral communications made in connection with or
9 during any MADRP conference, including the MADRP statements referred to above, shall be
10 subject to all the protections afforded by Fed. R. Evid. 408 and by Fed. R. Bankr. P. 7068.

11 **4.6.2 Tort Claims Not Resolved Through MADRP**

12 If the Plan Administrator and holder of a Tort Claim do not reach an agreement to
13 allow the holder's Tort Claim in accordance with Article 4.6.1, said claim shall be deemed a
14 disputed claim for purposes of Article 5.11 of this Plan, provided however, that the deadline for
15 filing an objection to the Tort Claim under Article 5.11.1 shall be the later of: (a) the deadline
16 imposed by Article 5.11.1 (as may be extended by the Bankruptcy Court), or (b) sixty (60) days
17 after the mediator has filed the notice stating that the mediation has concluded under Article
18 4.6.1. All such Tort Claim(s) shall be allowable only in the amount and to the extent that the
19 Bankruptcy Court enters a Final Order allowing the Tort Claim, unless such claim was
20 previously estimated in a lower amount as provided in Article 5.13.

21 **4.6.3 Limitations on Tort Claimants' Recourse to Available Insurance**

22 Notwithstanding any applicable law to the contrary, no holder of a Tort Claim that
23 has been Disallowed, and all holders of Tort Claims that are Allowed pursuant to this Plan shall
24 be barred from asserting any claim against or otherwise recovering from the Debtors' Insurers to
25 the extent that: (a) no applicable or available Insurance Policies provide coverage for the Tort
26 Claim, (b) the Allowed amount of the Tort Claim as determined by the Bankruptcy Court or
27 agreement with the Plan Administrator reached in connection with an MADRP conference is less
28 than the Debtors' remaining self-insured retention obligations under the applicable and available

1 Insurance Policies providing coverage for said claim, (c) the proceeds from the applicable and
2 available Insurance Policies providing coverage for said claim have been exhausted or are
3 otherwise insufficient to pay in full the Allowed amount of said Claim, or (d) recovery is not
4 permitted under the terms of the applicable and available Insurance Policies.

5 In the event that a holder of a Tort Claim asserts a claim against XL or any other
6 Insurer in violation of this Article 4.6.3 and such action results in XL or such other Insurers to
7 incur costs or pay amounts that the Debtors otherwise were obligated to incur or pay, and such
8 action causes XL or the such other Insurer to offset such costs and expenses against the XL
9 Collateral or collateral held by such other Insurer, as applicable, the Plan Administrator shall
10 have a claim against the holder of the Tort Claim for reimbursement of the amount by which the
11 XL Collateral or other collateral, as applicable, was diminished. The Plan Administrator may
12 assert such claim against the holder of the Tort Claim through an action in the Bankruptcy Court,
13 and/or by withholding and offsetting any distributions to which the holder of the Tort Claim may
14 be entitled to receive under the terms of this Plan.

15 In the event an Allowed Tort Claim holder receives distributions pursuant to this
16 Plan and from applicable and available Insurance Policies, such holder shall not be entitled to
17 receive more than one hundred (100%) percent of the Allowed amount of its Allowed Tort Claim
18 calculated in accordance with the provisions of this Plan and the Bankruptcy Code. The Plan
19 Administrator may assert a claim against the holder of the Tort Claim to recover any excess
20 payment through an action in the Bankruptcy Court, and/or by withholding and offsetting any
21 distributions to which the holder of the Tort Claim may be entitled to receive under the terms of
22 this Plan.

23 **4.6.4 Distributions to Allowed Class 6 Claims**

24 The holder of an Allowed Tort Claim shall be entitled to receive payment from an
25 Insurer only to the extent that such Insurer is required under an applicable Insurance Policy to
26 pay such Allowed Tort Claim. (For the avoidance of doubt, the holder of an Allowed Tort Claim
27 shall not be entitled to receive payment from an Insurer to the extent that the Allowed Tort Claim
28 is less than the self-insured retention under the Insurance Policy applicable to such Claim, or the

1 amount of the Allowed Tort Claim exceeds the policy limits under the Insurance Policy
2 applicable to such Claim. Provided that the Claimholder has not violated Article 4.6.3, in the
3 event that there are no available proceeds of an Insurance Policy for such claim or the amount
4 paid by an Insurer to the holder of an Allowed Tort Claim results in a recovery on account of
5 such Allowed Tort Claim that is less than the Pro Rata Share paid to Allowed Class 7
6 Claimholders, the Claimholder shall be entitled to receive an additional payment from the
7 General Unsecured Creditors' Fund sufficient to result in a recovery on account of such Allowed
8 Tort Claim that is equal to the Pro Rata Share paid to Allowed Class 7 Claimholders.
9 Notwithstanding the foregoing, the Plan Administrator may, but is not required to, consent to an
10 additional payment to the holder of an Allowed Tort Claim as part of any settlement reached in a
11 MDRAP mediation. Until such time as the Class 6 Claim becomes an Allowed Tort Claim, the
12 Plan Administrator shall reserve sufficient funds for such Class 6 Claim as required by Article
13 5.13.

14 **4.7 Class 7 – General Unsecured Claims**

15 Except to the extent that a Holder of an Allowed General Unsecured Claim agrees
16 to less favorable treatment of its Allowed Claim, in full and final satisfaction, settlement, release,
17 and discharge of and in exchange for each Allowed General Unsecured Claim, each such Holder
18 of an Allowed General Unsecured Claim in Class 7 shall receive its Pro Rata share (along with
19 Allowed Claims in Classes 6, 8 and 9) of the amounts deposited into and distributed from the
20 General Unsecured Creditors' Fund. After reserving funds as required by Article 3.1.5 and
21 Article 5.13, the Plan Administrator shall make payments to each Allowed Class 7 Claimholder
22 of its Pro-Rata Share of the funds on hand in the General Unsecured Creditors' Fund consistent
23 with the terms of the KEIP as set forth in Article 5.5.

24 **4.8 Class 8 – Disputed Claims of United States Postal Service**

25 All Claims asserted or held by the USPS that have been filed against the Debtors' Estates
26 or that are deemed filed against the Debtors' Estates shall be treated as disputed Claims and
27 resolved in accordance with the claims resolution procedures of Article 5.11. In the event
28 Claim(s) asserted by USPS become Allowed Claim(s), in full and final satisfaction, settlement,

1 release, and discharge of and in exchange for each such Allowed Claim, USPS shall receive its
2 Pro Rata share (along with Allowed Claims in Classes 6, 7, 9 and 10) of the amounts deposited
3 into and distributed from the General Unsecured Creditors' Fund.

4 **4.9 Class 9 – Unsecured Claims of Insiders**

8 other manner as may be agreed between the Plan Administrator and the Class 9 Claimholder. In
9 the event Claim(s) asserted by an Insider becomes Allowed Claim(s) not subject to subordination
10 under Bankruptcy Code section 510 or other applicable law, in full and final satisfaction,
11 settlement, release, and discharge of and in exchange for each such Allowed Claim, said Insider

13 the extent provided in this Plan) of the amounts deposited into and distributed from the General
14 Unsecured Creditors' Fund.

15 **4.10 Class 10 – XTRA Lease**

16 All Claims of XTRA Lease, whether asserted or unasserted, known or unknown,
17 including all pre-petition claims and all post-bankruptcy Administrative Claims asserted against
18 the Debtors shall be treated as follows in accordance with the parties' agreement to setoff and
19 fully and finally compromise and resolve all XTRA Lease of pre-petition and post-petition

11 Section 541(a) shall continue, and all assets of the Debtors and/or their respective Estates shall
12 be deemed to be property of the consolidated bankruptcy estates until distributed in accordance
13 with this Plan. The provisions of Section 362(a) shall continue in full force and effect following
14 entry of the Confirmation Order, and stay any person from taking any act, commencing any suit,
15 or enforcing any right, which has the effect of asserting, liquidating, or enforcing any claim
16 against any property of the Estates that arose prior to entry of the Confirmation Order. The sole
17 recourse of a creditor holding a claim that arose prior to entry of the Confirmation Order shall be
18 an action in the Bankruptcy Court seeking to enforce its rights under this Plan.

19 Without limiting the generality of the foregoing, all funds in the General
20 Unsecured Creditors' Fund shall be deemed held in trust for the benefit of Allowed Claim
21 Holders in Classes 6, 7, 8, 9, and 10 to the extent provided in this Plan and shall be free and clear
22 of any liens, claims, or interests of any pre-or post-bankruptcy creditor of the Debtors or the
23 Debtors' Estates notwithstanding any agreement with the Debtors' Estates, any act of a creditor,
24 or any other order, judgment, or process issued by a court other than the Bankruptcy Court.

25 **5.2 Substantive Consolidation**

26 Each of the Debtors shall continue to maintain its separate corporate existence
27 after the Effective Date for all purposes other than the treatment of Claims under this Plan.

28 Except as expressly provided in this Plan (or as otherwise ordered by the Bankruptcy Court), on

1 the Effective Date: (a) all assets (and all proceeds thereof) and liabilities of the Debtors shall be
2 deemed pooled or treated as though they were merged into and with the assets and liabilities of
3 each other, (b) no distributions shall be made under this Plan on account of intercompany claims
4 among the Debtors and all such Claims shall be eliminated and extinguished, (c) all guaranties of
5 the Debtors of the obligations of any other Debtor shall be deemed eliminated and extinguished
6 so that any Claim against any Debtor, and any guarantee thereof executed by any Debtor and any
7 joint or several liability of any of the Debtors shall be deemed to be one obligation of the
8 consolidated Debtors' Estates, (d) each and every Claim filed or to be filed in any of the Chapter
9 11 Cases shall be treated filed against the consolidated Debtors' Estates and shall be treated one

11 determining the availability of the right of set off under section 553 of the Bankruptcy Code, the
12 Debtors' Estates shall be treated as one entity so that, subject to the other provisions of section
13 553 of the Bankruptcy Code, debts due to any of the Debtors may be set off against the debts of
14 any of the other Debtors. For the avoidance of doubt, the substantive consolidation provided for
15 in this Section 5.2 shall not expand, diminish, alter, impair or affect the rights and obligations of
16 the Debtors' Estates/Plan Administrator and any Insurer, respectively, under any Insurance
17 Policy or applicable law.

19 than one Debtor is alleged to be liable on the same underlying indebtedness that shall be deemed
20 to be one obligation of the consolidated Debtors' Estates. The amount of each of those Claims
21 are identified therein under the heading "Surviving Claim." The Plan Administrator shall not be
22 required to file an objection to any guarantee, joint, joint and several liability, or other Claim
23 against multiple Debtors in order to affect the consolidation of such claims into one, however,
24 the identification of a Claim as the "Surviving Claim" in Schedule 5.2 shall not be deemed
25 allowance of such Claim. The Plan Administrator shall retain all rights and defenses to any such
26 Claims and may file objections to any of the Claims identified as a Surviving Claim in
27 accordance with Article 5.11.

28 Substantive consolidation shall not (other than for purposes relating to this Plan)

1 affect the legal and corporate structures of the Debtors' Estates. Moreover, such substantive
2 consolidation shall not affect any subordination provisions set forth in any agreement relating to
3 any Claim or Interest or the ability of the Debtors' Estates to seek to have any Claim or Interest
4 subordinated in accordance with any contractual rights or equitable principles.

5 Notwithstanding anything in this section to the contrary, all post-Effective Date
6 fees payable to the United States Trustee pursuant to 28 U.S.C. § 1930, if any, shall be calculated

17 forth on such monthly compensation report shall constitute plan expenses and shall be paid by
18 the Plan Administrator in accordance with the terms and conditions of the Plan, without further
19 notice or order of the Bankruptcy Court. In the event of any such objection, the Bankruptcy
20 Court shall determine the compensation and expense reimbursements owed to the Post-

21 granting a claimant relief from the automatic stay and/or any injunction or stay
22 provided for in this Plan to proceed with its claim, to pay costs and expenses in
23 relation thereto in accordance with the XL Insurance Policies, and in the event the
24 Debtors, Debtors' Estates, or Plan Administrator fail to pay or reimburse XL

28

1 **5.10 *Amendment of Pre-Petition Loan Documents***

2 On the Effective Date, all agreements between the Debtors on the one hand, and
3 Bank of America, N.A., Banc of America Leasing & Capital LLC, and PACCAR Financial
4 Corp., on the other shall be deemed amended in accordance with the terms of this Plan to change
5 the applicable rate of interest accruing on the Class 1, Class 2, and Class 3 Claims, and the
6 schedule for payments to be made on account of such claims. Nothing in this Article 5.10
7 however, shall be deemed to expand, diminish, alter, or affect any rights, obligations, or defenses
8 of the foregoing entities any other person or entity that is not a Debtor in the Chapter 11 Cases.
9 Notwithstanding the preceding sentence, any person or entity that guaranteed the obligations
10 owed by the Debtors to Bank of America, N.A. and/or Banc of America Leasing & Capital, LLC
11 pursuant to the Bank of America Loan Agreement and/or the Banc of America Leasing &
12 Capital Equipment Loan (collectively, the “Bank Loan Agreements”) may not use any provision
13 of this Plan, the Plan’s treatment of the secured and unsecured claims asserted against the
14 Debtors’ Estates by Bank of America, N.A. and Banc of America Leasing & Capital, LLC, or the
15 order confirming the Plan, to assert that they are not liable to Bank of America, N.A. and/or
16 Banc of America Leasing & Capital, LLC under any such guaranty for all amounts owed under
17 the Bank Loan Agreements, including without limitation all unpaid legal and financial advisory
18 fees and expenses.

19 **5.11 *Treatment of Disputed Claims***

20 **5.11.1 *Deadline for Filing Claim Objections***

21 Any objections to Claims in Class 7 must be filed within one-hundred (180) days
22 after the Effective Date, unless the Bankruptcy Court for cause extends such deadline. Any
23 objections to Claims in Class 6 shall be filed at the time prescribed by Article 4.6.2.

24 **5.11.2 *Distributions on Allowed Claims/De Minimis Distributions.***

25 The Plan Administrator shall make distributions only on account of Allowed
26 Claims. No distributions will be made to holders of Disputed Claims, except on account of any
27 portion of their claims which are undisputed. In the event that a distribution to an Allowed
28 Claimholder (other than a final distribution) is less than One Hundred (\$100.00) Dollars, the Plan

1 Administrator may withhold such distribution until the amount of the distribution to such
2 Allowed Claimholder exceeds \$100.00.

3 **5.11.3 Settlement of Disputes and Claims.**

4 Except with respect to the Class 8 claim (USPS) and claims or litigation involving
5 disputes of more than \$1.0 million, the Plan Administrator is authorized to settle and
6 compromise the Allowable amount of a Disputed Claim or other litigation (including Avoidance
7 Actions pending prior to the Effective Date) without court approval or notice to other
8 Claimholders. Notwithstanding the foregoing, the Plan Administrator may seek court approval
9 at his discretion for any claim settlement regardless of amount.

10 **5.11.4 Setoff/Recoupment.**

11 No provision of this Plan shall constitute a waiver or release of any right of setoff
12 or recoupment that the Debtors and/or Debtors' Estates have or may have against any creditor,
13 and the Debtors' Estates may setoff or recoup against any payments to a creditor due under this
14 Plan. In addition, neither the allowance of any claim nor the failure of the Debtors' Estates to
15 effect a right of setoff or recoupment shall be deemed a waiver of such rights by the Debtors'
16 Estates. After the Effective Date, the Debtors' Estates may enter into stipulations with creditors
17 asserting a right of setoff or recoupment against the Debtors or the Debtors' Estates without
18 notice to creditors or approval of the Bankruptcy Court.

19 **5.12 Administrative Reserve**

20 Within sixty (60) days after the Effective Date, the Plan Administrator shall establish a
21 reserve for the payment of the projected costs and expenses of the Plan Administrator, any
22 professionals retained by the Plan Administrator, and all other costs of administering the
23 Debtors' Estates after entry of the Confirmation Order ("Administrative Reserve"). The Plan
24 Administrator shall review the adequacy of the Administrative Reserve in connection with
25 preparing the reports required by Article 5.8 and have the right to increase the amount of the
26 Administrative Reserve as necessary.

27
28

1 **5.13 *Reserves for Disputed Claims***

2 Until such time as a Disputed Claim is Disallowed, the Plan Administrator shall
3 retain in the General Unsecured Creditor Fund for the benefit of each holder of such Disputed
4 Claim in Classes 6, 7, 8, and 9 an amount equal to the distributions that would have been made
5 to the holder of such Disputed Claim if it were an Allowed Claim in such Class in an amount
6 equal to the lesser of (i) the liquidated amount set forth in the filed proof of claim relating to such
7 Disputed Claim, (ii) the amount in which the Disputed Claim was estimated by the Bankruptcy
8 Court pursuant to Section 502 of the Bankruptcy Code, which constitutes and represents the
9 maximum amount in which such Claim may ultimately become an Allowed Claim, or (iii) such
10 other amount as may be agreed upon by the holder of such Disputed Claim and the Plan
11 Administrator.

12 **5.14 *Tax Reporting and Addresses for Transmitting Payments***

13 The Plan Administrator shall not be required to make any distribution to any
14 Claimholder under the Plan unless such creditor has provided the Plan Administrator with a
15 properly completed and executed IRS Form W-9, IRS Form W-4, or any similar document
16 required to enable the Plan Administrator to accurately report distributions and/or withholdings
17 to any relevant federal or state taxing authority. The Plan Administrator may, but is not required,
18 to rely upon tax identification documentation previously provided by the Claimholder to the
19 Debtors.

20 Claimholders shall be solely responsible for notifying the Plan Administrator of
21 any changes in the address where their distribution check(s) should be sent. Except as otherwise
22 agreed with the holder of an Allowed Claim in respect thereof or as provided in this Plan, any
23 property to be distributed on account of an Allowed Claim shall be distributed by mail, upon
24 compliance by the holder with the provisions of this Plan, to (a) the latest mailing address filed
25 for the holder of an Allowed Claim entitled to a distribution under the Plan, (b) the latest mailing
26 address filed for a holder of a filed power of attorney designated by the holder of such Claim to
27 receive distributions, (c) the latest mailing address filed for the holder's transferee as identified in
28 a filed notice served on the Debtors pursuant to Bankruptcy Rule 3001(e), or (d) if no such

1 mailing address has been filed, the mailing address reflected on the Schedules or in the Debtors'
2 books and records.

3 **5.15 Unclaimed Distributions**

4 The Debtors' Estates shall make commercially reasonable efforts to contact by
5 telephone or email any creditor which has failed to negotiate any distribution within one hundred
6 twenty (120) days from the date upon which such distribution is made to verify that it has
7 received the distribution and determine if a replacement distribution should be made. If the
8 Debtors' Estates are unable to contact such creditor because it has moved and not provided the
9 Debtors' Estates with a forwarding address, the Debtors' Estates' efforts shall be deemed
10 commercially reasonable if it diligently searches publicly available information (including
11 internet searches), in order to locate the creditor. The Debtors' Estates, however, shall not be
12 required to incur costs for outside vendors or investigators to ascertain current contact
13 information for the creditor. If the Debtors' Estates are unable to contact such creditor after
14 making commercially reasonable efforts, the creditor shall forfeit all rights to any distribution
15 under the Plan and the Debtors' Estates will be authorized to cancel any distribution that is not
16 timely claimed. Pursuant to Section 347(b) of the Bankruptcy Code, upon forfeiture, such cash
17 (including interest thereon, if any) will revert to the Debtors' Estates, free of any restrictions
18 under the Plan, the Bankruptcy Code or the Bankruptcy Rules. Notwithstanding any federal or
19 state escheat laws to the contrary, upon forfeiture, the claim of any creditor with respect to such
20 funds will be discharged and forever barred, and neither such creditors or any other entity will
21 have any claim whatsoever with respect to such forfeited distribution against the Debtors and the
22 Debtors' Estates or any holder of an Allowed Claim to whom distributions are made by the
23 Reorganized Debtor.

24 **5.16 Post-Confirmation Committee of Unsecured Creditors**

8 Professionals previously retained by the Official Committee of Unsecured Creditors in the
9 Chapter 11 Cases at the same rate of compensation and other terms and conditions that exist
10 immediately prior to the Effective Date. The Plan Administrator shall serve the Post
11 Confirmation Committee with the Post-Confirmation Reports as required by Article 5.8 and
12 provide up to \$25,000 per quarter to the Post Confirmation Committee for its actual and
13 reasonably necessary administrative costs, including payment of professionals to assist the Post
14 Confirmation Committee to carry out its duties under the Plan. In the event the Post
15 Confirmation Committee incurs less than \$25,000 in administrative costs in a given quarter, the
16 difference shall be carried forward and may be utilized in subsequent quarters. Any disputes
17 between the Plan Administrator and the Post Confirmation Committee relating to the
18 administrative costs incurred by the Post Confirmation Committee shall be resolved by the
19 Bankruptcy Court.

20 The Plan Administrator may consult with Post Confirmation Committee with
21 respect to the administration of the Estates, but the Post Confirmation Committee shall not limit
22 or diminish the Plan Administrator's authority as set forth in the Plan. In the event that a member
23 of the Post-Confirmation Committee resigns, that member's position may be replaced by a
24 creditor who has served on the Official Committee of Unsecured Creditors.

25 **5.17 Duration of Automatic Stay and Pre-Confirmation Injunctions**

26 Any injunction or stay arising under sections 105 or 362 of the Bankruptcy Code
27 prior to Confirmation of this Plan shall remain in full force and effect until the Chapter 11 Case
28 closes.

1 **5.18 *Payments to Creditors Not Deemed Allowance of Claims***

2 Notwithstanding any provision of applicable law, entry of the Confirmation Order
3 and payment to any Claimholder under this Plan shall not be deemed a determination that the
4 Claimholder holds an Allowed claim, and the Debtors' Estates shall retain all rights to assert any
5 Avoidance Actions or other claims arising under bankruptcy or non-bankruptcy law against such
6 Claimholder.

7 **5.19 *Entry of Final Decree, Reopening***

8 Notwithstanding the Bankruptcy Court's entry of a final decree pursuant to
9 Article 5.7.9, the Debtors' Estates, the U.S. Trustee, any Claimholder, or any other interested
10 party shall retain the right to reopen the Chapter 11 Case for any reason specified in section
11 350(b) of the Bankruptcy Code, to permit the Plan Administrator to seek Bankruptcy Court
12 approval for any matter described in Article 5.7, to reconsider the allowance or disallowance of a

18 of the proceeds drawn under the standby letter of credit issued by Bank of America, N.A. in
19 favor of XL and be allocated to Bank of America, N.A. and paid as provided in Article 4.1.2.2,
20 and thirty (30%) percent of such refunded amount shall be deemed received on account of the
21 proceeds drawn under the standby letter of credit issued by Texas Capital Bank in favor of XL
22 and be allocated to the Debtors' Estates and distributed to other creditors in accordance with this
23 Plan.

24 **ARTICLE VI -**
25 **EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

26 **6.1 *Executory Contracts/Leases Assumed.***

27 The Debtors Estates shall assume and/or assume and assign the executory
28 contracts (including any modifications and amendments thereto) appearing on **Schedule 6.1**

1 effective as of the Effective Date, and Confirmation of this Plan shall be deemed authorization
2 for the Debtors to assume and/or assign the contracts appearing on Schedule 6.1. The Debtors,
3 however, shall retain the right through the hearing on Confirmation of the Plan to amend
4 Schedule 6.1 to add, delete, clarify the terms of any modifications/amendments to a listed
5 executory contract or lease, and to correct any amounts indicated as necessary to cure defaults
6 under such executory contracts or leases. Entry of the Bankruptcy Court's order confirming the
7 Plan shall also be deemed approval (if required) of any modifications/amendments to an assumed
8 executory contract referenced in Schedule 6.1.

9 Unless the Bankruptcy Court orders otherwise, the amounts listed by the Debtors
10 as the "Cure Amount" for a contract or lease in Schedule 6.1 shall be deemed the full amount
11 that the Debtors must pay to cure defaults under 11 U.S.C. § 365(b) existing as of the Effective
12 Date for all purposes, and all rights that a lessor or counter-party may have to assert additional
13 defaults and/or seek a larger sum to satisfy any such defaults will be forever barred. Any
14 disputes by a counterparty or lessor under an executory contract or unexpired lease related to the
15 assumption and/or assignment of an executory contract or lease (including any disputed
16 concerning Cure Amounts) shall be resolved in the manner provided for in the Bankruptcy
17 Court's order(s) scheduling a hearing on Confirmation of the Plan.

18 From and after the Effective Date, the Plan Administrator shall perform all
19 obligations thereunder, both pre-confirmation and post-confirmation. Post-confirmation
20 obligations will be paid as they come due.

21 For the avoidance of doubt, the XL Insurance Program has been assumed by the
22 Debtors' Estates pursuant to the XL Insurance Order, entry by the Bankruptcy Court of an order
23 confirming the Plan shall be deemed approval of the modifications to the XL Insurance Program
24 and XL Insurance Order provided for herein, and the Plan Administrator shall pay all obligations
25 and perform all duties of the Insured (as that term is defined in the XL Insurance Policies and XL
26 Insurance Program) thereunder to the extent provided in the Plan.

5 assumed pursuant to an order of the Bankruptcy Court, or (b) such contract or lease is listed in
6 Schedule 6.1 (as such schedule may be amended through the hearing on Confirmation of the

14 each Non-Disclosure Agreement and Common Interest and Joint Defense Agreement that exists
15 between the Debtors and any person, to the extent that it constitutes an executory contract, is
16 assumed pursuant to this Plan. Entry of the Confirmation Order by the Bankruptcy Court will
17 constitute approval of such assumptions pursuant to section 365(a) of the Bankruptcy Code.

18 **ARTICLE VII -**

20 **7.1 Conditions to Confirmation.**

21 The following are conditions precedent to confirmation of this Plan:

14 those obligations to creditors that existed prior to the Effective Date of the Plan. Debtors'

Schedule 5.5

Senior Management Key Employee Retention Plan

Senior Management Key Employee Incentive Program

The following individuals (each a “Participant” and collectively the “Participants”) shall participate in the Senior Management Key Employee Incentive Program (“KEIP”):

1. Charles Mellor, Chief Structuring Officer
2. Marcos Kropf, General Counsel
3. Mark Simmons, Chief Financial Officer, and
4. Hank Spacone, Plan Administrator

Participants shall be entitled to distributions under the KEIP based upon the timing (“Discount Rate”), the amount of a GUC Distribution, and the Percentage of Recovery of GUC Distributions. A “GUC Distribution” is made upon the Plan Administrator mailing or otherwise transferring (e.g. checks, ACH or wire) funds to Claimholders of an Allowed General Unsecured Claim in Classes 6, 7, 8 and 9 from the General Unsecured Creditors Fund. Funds held in or transferred into the General Unsecured Creditors’ Fund do not constitute a GUC Distribution. The amounts owed to Participants under the KEIP shall be calculated as set forth herein based on the gross amount of the GUC Distribution without regard to unnegotiated or returned checks. The Plan Administrator shall make payment under the KEIP to Participants within seven (7) days of a GUC Distribution unless otherwise agreed by a Participant (“KEIP Payment”). Participants shall share equally in each KEIP Payment unless unanimously agreed otherwise by the Participants. Participants shall retain their rights under the KEIP unless a Participant terminates or materially changes their employment status without the consent of the Plan Administrator.

Participants shall be entitled to a KEIP Payment calculated as follows:

1. Discount Rate

The GUC Distribution shall be subject to a discount of 2.5% every 180 days (“Discount Schedule”) after the Target Date. The Target Date shall be the earlier of March 17, 2025, or within 180 days from Effective Date. In the event the Target Date is not the 1st day of a month, the Discount Rate shall begin to apply on the 1st day of the following month. The Discount Rate shall apply as follows:

<u>Time Period</u>	<u>GUC Distribution Date</u>	<u>Percentage Recovery</u>	<u>Discount</u>
	On or Before Target Date	100%	0%
1st	On or Before 180 days after Target Date	97.5%	2.5%
2nd	On or Before 360 days after Target Date	95.0%	5.0%
3rd	On or Before 540 days after Target Date	92.5%	7.5%
4th	On or Before 720 days after Target Date	90.0%	10.0%
5th	On or Before 900 days after Target Date	87.5%	12.5%
6th	On or Before 1080 days after Target Date	85.0%	15.0%
	And so forth.....		

Senior Management Key Employee Incentive Program

2. Distributed Funds Component

<u>GUC Distribution Range</u>	<u>GUC Distribution Timing</u>	<u>Incentive Percentage of GUC Distribution</u>
All Funds Distributed	On or before the Target Date	7.50%
\$0-\$19,920,000	After Target Date	3.8325%
\$19,920,001-\$23,920,000	After Target Date	10.0%
Over \$23,920,000	After Target Date	12.67%

3. Percentage Recovery Component

In addition to the Distributed Funds Component, Participants shall be entitled to compensation based on the percentage recovery realized by Classes 6, 7, 8 and 9 from the General Unsecured Creditors Fund. The following formula represents the Percentage of Recovery portion of the KEIP:

<u>Distribution Recovery Percentage</u>	<u>Incentive Percentage of GUC Distribution</u>
0%-20%	0.0%
20%-40%	4.0%
40%-60%	8.0%
60%-100%	12.0%

1. Hypothetical Examples

Hypothetical #1. The Plan Administrator distributes \$7,000,000 on or before the Target Date. The Plan Administrator bases this distribution on an anticipated Percentage Recovery of less than 20%. The calculated KEIP Payment based on the funds distributed to creditors is \$525,000 (\$7,000,000 x 7.5%) on account of the Distributed Funds Component. The Percentage Recovery Component is \$0. There is no Discount. The total KEIP Payment amount is \$525,000.

GUC Distribution Amount	Applicable Incentive Percentage	Distributed Funds Component	Percentage Recovery Component	KEIP Payment
\$7,000,000	7.5%	\$525,000	\$0	\$525,000

Hypothetical #2. The Plan Administrator distributes \$6,000,000 on or before the Target Date and an additional \$1,500,000 within 180-days after the Target Date both based on an

anticipated Percentage Recovery of less than 20%. The second GUC distribution of \$1,500,000 during the first period after the target date yields a discount of 2.5%.

The KEIP Payment on account of the first GUC Distribution yields a KEIP Distributed Funds Component of \$450,000 (\$6,000,000 x 7.5%). The Percentage Recovery Component is \$0. There is no Discount.

The second GUC Distribution of \$1,500,000 yields a KEIP Distributed Funds Component of \$56,050 (\$1,500,000 x 3.8325% x 97.5%). The Percentage Recovery Component is \$0. The KEIP payment on the second GUC distribution is \$56,050.

The total KEIP payment in Hypothetical #2 is \$506,050.

GUC Distribution Amount	Applicable Incentive Percentage	Distributed Funds Component	Percentage Recovery Component	KEIP Payment
\$6,000,000	7.5%	\$450,000	\$0	\$450,000
\$1,500,000	3.8325%	\$57,487	\$0	\$56,050

Hypothetical #3. The Plan Administrator distributes \$3,000,000 during the fourth 180-day period on the Discount Schedule (i.e. 10.0%). Together with prior interim distributions, the total amount distributed to GUCs is now \$19,000,000. The Plan Administrator bases this KEIP payment on a Percentage Recovery of 25%. This is the first time in the case, the anticipated Percentage Recovery exceeds 20%. The KEIP Funds Distributed Component is \$103,478 (\$3,000,000 x 3.8325% x 90.0%).

Assuming the previous distribution of \$16,000,000 had no discount applied and the new distribution of \$3,000,000 is discounted at 10.0%, the KEIP basis is \$18,700,000 (\$16,000,000 + (\$3,000,000 x 90.0%)) and KEIP Percentage Recovery Component is \$187,000 (\$18,700,000 x 4.0%/4). The total KEIP payment is \$290,478.

GUC Distribution Amount	Applicable Incentive Percentage	Distributed Funds Component	Percentage Recovery Component	Total KEIP Payment
\$3,000,000	3.8325%	\$103,478	\$187,000	\$290,478
