## **CONTRACT CLAUSES**

Applicable to both the solicitation and contract

### **Clause 7-10, Contractor Representative (JAN 2003)**

(a) The contractor's representative to be contacted for all contract administration matters is as follows (contractor complete the information):

**Name:**

**Address:**

**Telephone:**

**E-mail:**

**Fax:**

(b) The contractor's representative shall act as the central point of contact with the judiciary, shall be responsible for all contract administration issues relative to this contract, and shall have full authority to act for and legally bind the contractor on all such issues.

(end)

### **JP3 Clause 2-20C, Warranty of Services**

#### **Warranty of Services (JAN 2003)**

(a) Definition. "Acceptance," as used in this clause, means the act of an authorized representative of the judiciary by which the judiciary assumes for itself, or as an agent of another, approves specific services, as partial or complete performance of the contract.

(b) Notwithstanding inspection and acceptance by the judiciary or any provision concerning the conclusiveness thereof, the contractor warrants that all services performed under this contract will, at the time of acceptance, be free from defects in workmanship and conform to the requirements of this contract. The contracting officer will give written notice of any defect or nonconformance to the contractor [contracting officer will insert the specific period of time in which notice will be given to the contractor; e.g., "within 30 days from the date of acceptance by the judiciary"; within 1000 hours of use by the judiciary;" or other specified event whose occurrence will terminate the period of notice, or combination of any applicable events or period of time]. This notice will state either

(1) that the contractor shall correct or re-perform any defective or nonconforming services; or

(2) that the judiciary does not require correction or re-performance.

(c) If the contractor is required to correct or re-perform, it shall be at no cost to the judiciary, and any services corrected or re-performed by the contractor shall be subject to this clause to the same extent as work initially performed. If the contractor fails or refuses to correct or re-perform, the contracting officer may, by contract or otherwise, correct or replace with similar services and charge to the contractor the cost occasioned to the judiciary thereby, or make an equitable adjustment in the contract price.

(d) If the judiciary does not require correction or re-performance, the contracting officer will make an equitable adjustment in the contract price.

(end)

### **JP3 Clause 6-35, Errors and Omissions**

#### **Errors and Omissions (JAN 2003)**

(a) The contractor warrants that it is insured for \$200,000 (unless a different amount is set forth in the schedule) for errors and omissions per claim in an amount in excess of the minimum set forth in the schedule in the performance of this contract.

(b) Unless the contractor's policy is prepaid, noncancellable, and issued for a period at least equal to the term of this contract on an occurrence basis, the contractor shall have the policy amended to include substantially the following provision:

"It is a condition of this policy that the company furnish written notice to the \_\_\_\_\_ (fill in the name of the finance office for the individual court unit, federal public defender organization, or the Administrative Office, whichever required the insurance) 30 days in advance of the effective date of any reduction in or cancellation of this policy."

(c) The contractor shall furnish a certificate of insurance or, if required by the contracting officer, true copies of liability policies and manually countersigned endorsements of any changes. Insurance shall be effective, and evidence of acceptable insurance furnished, before beginning performance under this contract. Evidence of renewal shall be furnished not later than five days before a policy expires.

(end)

**Construction Contract Statement of Work**

Sacramento Bankruptcy Chambers (3) Wallpaper Refresh - Priming Walls

**1.0 Notice to Proceed**

- 1.1 The Contracting Officer is the only individual from the Government that can give the contractor notice to proceed.
- 1.2 Before any of the work within the scope of the contract is started, the Contractor shall confer with COR (Contracting Officer Representative) and agree on a sequence of procedure, means of access to premises and building; delivery of material and use of approaches, use of corridors, stairways, elevators, and similar means of communications; and the location partitions, eating spaces for Contractor's employees.

**2.0 TECHNICAL SPECIFICATIONS: SUMMARY OF WORK****2.1. GENERAL:****PROJECT DESCRIPTION:**

Priming Walls for Wallpaper: Contractor shall furnish all labor, equipment, and materials for painting two coats of wall primer to facilitate reinstallation of wallpaper in three judicial chamber suites. The two different types of primer to be used will be specified by the Court. The wall area to be primed of each chamber suite is approximately 1,290 sq. ft.

The contractor is responsible for visiting the site to determine exact sizes, quantities, dimensions, and accessibility of the work areas prior to submitting an offer.

The court requests a separate line item or quote for each named area as follows:

Suite 6-210: Two coats of wall primer (this suite is currently occupied)

Suite 6-230: Two coats of wall primer

Suite 7-210: Two coats of wall primer

**2.2 DEMOLITION:**

General: Contractor shall be responsible for protecting all access to the space by installing protective floor covering in hallways to and from access points.

- n/a

**2.3 NEW WORK:**

- Contractor will be responsible for following all rules and regulations for work within a federal building.
- Contractor will be responsible to provide a sufficient amount of the two different wall primers (to be specified by the Court).

---

**Construction Contract Statement of Work**

Sacramento Bankruptcy Chambers (3) Wallpaper Refresh - Priming Walls

- Contractor will be responsible for protecting all surfaces prior to beginning work.
- Contractor will be responsible for applying the two coats of primer.

**3.0 SUPPLEMENTAL CONDITIONS:**

- 3.1 Contractor is responsible for coordinating its field operations with any other trades in order to achieve the most expeditious overall completion of the project.
- 3.2 Contractor acknowledges that the Contract may require Contractor to either change installation sequences in its work to accommodate the overall Project Schedule or to remobilize as required to complete different portions of the work due to Court hearing schedules. Contractor includes in the Contract Amount all costs associated with the completion of this schedule.
- 3.3 The rate of progress shall be such that it meets or exceeds the project requirements. The Contractor shall work the necessary crews and timeframes, overtime if necessary, to meet the schedule requirements. All costs to achieve this schedule must be included within this Contract Cost.
- 3.4 Any and all FAR allowed taxes are included in this Contract and must be included in pay applications.
- 3.5 Contractor is responsible for daily clean-up of all trash and debris associated with demolition and construction. Final clean-up of Contractor's work and surrounding areas disturbed by the Contractor shall be complete to the Government's requirements.
- 3.6. If the Contractor fails to complete his obligation of daily clean up under the direction of the Court's Contracting Officer, the Contractor will be notified in writing as to the insufficiency in the daily clean-up being provided and will have 24 hours to correct the problem.

**4.0 SAFETY:**

- 4.1 Contractor to comply with all OSHA safety requirements as to minimize exposure of all site personnel to danger or injury including having on-site at least one person, sufficiently trained in all safety aspects of this Contractor's work, to serve as the competent person for this Contractor when its forces are working.
- 4.2 Contractor is responsible for providing and maintaining all general, equipment, material, task or condition specific safety training, personal protective gear and safety equipment required for completing their scope of work without exception.
- 4.3 Contractor is solely responsible for all fall protection aspects and actions required to complete this scope of work including 100% tie-off of its personnel when barricades, guardrails or tensioned cables are not able to or are not allowed by OSHA standards to protect its personnel from fall hazards.

**5.0 GENERAL CONDITIONS:**

---

**Construction Contract Statement of Work**

Sacramento Bankruptcy Chambers (3) Wallpaper Refresh - Priming Walls

- 5.1 The contract amount of this Contract/order is a Lump Sum Cost to complete the work. Contractor shall provide all required labor, materials, supervision, necessary overtime to meet construction schedule, insurance, FAR allowed taxes, bonds and equipment necessary to complete site work in accordance with the Contract Documents. All manufacturers, materials and installation are to be as approved in the contract documents including but not limited to drawings, specifications, and addenda.
- 5.2 All workmanship and material shall be subject to the approval of the Court or those parties designated as their representative. Contractor shall immediately proceed with repair, replacement or otherwise correct its work which has been disapproved/not accepted.
- 5.3 Contractor shall have on site for the duration of the Contractor' work a supervisor capable of the following:
- A. Supervising and coordinating the tradesmen.
  - B. Reading and interpreting the Contract Documents.
  - C. Orderly coordination of its work with the Court' Contracting Officer Representative.
  - D. Schedule of Contractor' work.
  - E. Controlling and establishing good quality in the completed work.
  - F. Preparation and submission of daily reports to be included in contractor' weekly report.
  - G. Knowledgeable of and compliance with jobsite safety requirements.
- 5.4 Submittals, shop drawings, samples, etc. must begin within ten (10) days after receipt of the Court's issuance of award with Notice to Proceed to maintain the schedule.
- 5.5 Submittals must be completed in time to allow for a reasonable review and turn around to the Contractor and not affect the construction schedule for the Project.
- 5.6 All submittals are to be submitted electronically via email the Court' contracting officer at [andrea\\_lovgren@caeb.uscourts.gov](mailto:andrea_lovgren@caeb.uscourts.gov).
- 5.7 It is the intent of this contract to include all aspects of installation, material, labor and equipment required for the complete installation of systems and components. This contract is to include all items shown or not shown yet required for a complete installation of all parts of this scope.
- 5.8 FAR allowed taxes, fees, licenses and permits are included in Contractor' price.
- 5.9 Contractor will fully coordinate his work with the Court to ensure that all "gray" areas of work are included. No change requests for additional work will be submitted due to field conditions

Sacramento Bankruptcy Chambers (3) Wallpaper Refresh - Priming Walls

that could have been resolved before installation through coordination with other trades. Contractors will attend pre-installation coordination meetings to facilitate coordination efforts with other Government Contractors if needed.

- 5.10 Contractor is responsible for coordinating its field operations with other entities being affected by the project to achieve the most expeditious overall completion of the project. Failure to do so does not relieve Contractor's responsibility for coordination.
- 5.11 It is understood that the Contractor's work progress may not always flow in a continuous manner and that scheduling and phasing changes may be required and are included at no additional cost to the Court.
- 5.12 Contractor will take necessary "special" measures to keep all materials, equipment, and operations within the designated work area. Any damages resulting from "out of designated work area" work, whether intended or accidental, will be repaired at the expense of the Contractor.
- 5.13 Contractor shall be responsible for all costs associated with the repair, replacement or correction of its own work and or the work of others when such damage is caused by the Contractor or any of its agents, employees, suppliers, or when the Contractor's work is at a variance with the requirements of the contract documents and specifications.
- 5.14 Contractor verifies that a job site inspection has been performed and Contractor is fully aware of all reasonable existing conditions.
- 5.15 All deliveries to the project are to be coordinated a minimum of 48hrs in advance of delivery with the Court's Contracting Officer. Failure to notify and coordinate deliveries with the representative may result in the refusal or rescheduling of deliveries at the Contractor's expense.
- 5.16 Contractor includes protection of all adjacent finished surfaces and areas. Any corrective work required due to the negligence of this Contractor shall be the sole responsibility of this Contractor.
- 5.17 Contractor includes protection of all materials. The Court is not responsible for protection of materials or moving/relocating of provided materials unless specified.
- 5.18 All materials and installations to be in strict conformance with the Contract Documents. Nothing listed herein, or in previous correspondence, relieves the Contractor from adhering to all requirements of the drawings and specifications.
- 5.19 All installation to comply fully with all accessibility and ADA requirements.
- 5.20 Contractor agrees that unless significant changes are made to drawings requiring additional work or materials, that this is a lump sum contract.
- 5.21 Dismantling, removing, and disposal of all temporary items installed by this Contractor is included in Contractor's price.

---

**Construction Contract Statement of Work**

Sacramento Bankruptcy Chambers (3) Wallpaper Refresh - Priming Walls

- 5.22 No work will be performed on concrete floors that would detrimentally affect the finish or appearance of uncovered floors or the application of finish flooring where called for. Operations such as cutting or threading pipe, burring, welding, paint mixing or clean-up of painting, will not be permitted in these areas without proper protection of floors. Finished and unfinished floors must be returned to original condition by the contractor before contract close-out.

**6.0 WARRANTIES:**

- 6.1 In addition to any manufacturer' warranty, all materials and equipment provided shall be warranted against defect in material and workmanship for a period of one (1) year from the date of final acceptance by the government.

**7.0 PRODUCTS:**

- 7.1 All products and materials proposed for this project shall be commercially available first line products of a reputable manufacturer acceptable to the Contracting Officer.

**8.0 HOURS OF WORK:**

- 8.1 All work must be conducted between 7:00 am and 4:30 pm on weekdays unless noted otherwise. All work, which may affect normal building operations including power interruptions, must be closely coordinated with the GSA Property Manager.
- 8.2. Security: All contractors, employees, or subcontractors entering and leaving the facility during performance of this contract must have security / background clearances and confirmed via GSA Region 9. This clearance shall be annotated on a Government provided Form. **Alternatively, all contractors, employees, or subcontractors must be escorted by Court staff at all times.**
