\*\*\*\*

**Tentative Ruling:** The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

**Below is the court's tentative ruling.**

-----  
Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor (*pro se*), Debtor's Attorney, and Office of the United States Trustee on December 15, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtors are delinquent in plan payments in the amount of \$4,382.20. Debtor has paid \$135,069.00 into the plan to date.

Debtor responds that a modified plan will be filed. The court notes that no plan has been filed. Therefore, cause exists to dismiss this case as plan payments have not been made. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause

appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted  
and the case is dismissed.

**Below is the court's tentative ruling.**

-----  
Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 7, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$1,250.00. Debtor has paid \$3,750.00 into the plan to date.
- B. Trustee's objection to confirmation was sustained on October 3, 2017 and no subsequent amended plan has been filed.

**Debtor's Response**

Debtor filed a document without the apparent assistance of counsel indicating that the delinquency can be cured. Also, debtor asserts her significant other can help pay into the plan. Debtor's counsel appears to have filed a reply shortly after this document asserting that debtor has caught up and is no longer delinquent, and that an amended plan has been filed.

**Trustee's Reply**

Trustee replies that debtor is still delinquent. Additionally, Trustee will be filing an opposition to the Motion to Confirm.

The court does not currently have evidence of the debtors' payments. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

**The court's decision is to continue the Motion to Dismiss to March 21, 2018 at 9:00 a.m.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtors are delinquent in plan payments in the amount of \$6,075.80. Debtor has paid \$83,898.20 into the plan to date.

Debtor requests that the debtor be given 60 days to file a modified plan. Given the significant amount of money debtor has paid into the plan, the court will continue the hearing to March 21, 2018 at 9:00 a.m.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is continued to March 21, 2018 at 9:00 a.m.

\*\*\*\*

\*\*\*\*

**Final Ruling:** No appearance at the January 17, 2018 hearing is required.  
-----

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

**Tentative Ruling:** The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

**Below is the court's tentative ruling.**

-----  
Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor (*pro se*), Debtor's Attorney, and Office of the United States Trustee on December 15, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtors are delinquent in plan payments in the amount of \$1,629.08. Debtor has paid \$13,631.37 into the plan to date.

Debtor responds that they will become current as of the date of the hearing, or file a modified plan prior to the hearing. In the absence of evidence that debtor have become current or that a confirmable plan has been filed, cause exists to dismiss this case as plan payments have not been made. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

\*\*\*\*

\*\*\*\*

**Final Ruling:** No appearance at the January 17, 2018 hearing is required.

-----  
Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on November 1, 2017. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$3,000.00. Debtor has paid \$4,200.00 into the plan to date.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

**Tentative Ruling:** The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

**Below is the court's tentative ruling.**

-----  
Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 15, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$6,026.53. Debtor has paid \$21,370.00 into the plan to date.

**Debtor's Response**

Debtor responds that debtor is attempting to refinance his home loan in order to make the payments and if he cannot refinance, he will file an amended plan, convert the case, or dismiss.

The court notes that there is no evidence of a loan modification or a modified plan. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

\*\*\*\*

\*\*\*\*

**Tentative Ruling:** The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

**Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).**

-----  
Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on January 3, 2018. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is \$6,810.00 delinquent in plan payments. The debtor has paid \$7,371.01 into the plan to date.
- B. Debtor's Motion to Confirm was denied on December 5, 2017 and no amended plan has been filed.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. § § 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$600.00.
- B. Debtor has not appeared at two meetings of creditors, the next one is to be held February 8, 2018.
- C. Trustee's Objection to Confirmation on November 21, 2017 and debtor has failed to file an amended plan.

Debtor responds that the payments will be made by the date of the hearing.

The court notes that if the debtors make the payments they intend to make the Motion will be denied. The court does not currently have evidence of the debtors' payments. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

**Tentative Ruling:** The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

**Below is the court's tentative ruling.**

In the absence of evidence that debtor have become current, cause exists to dismiss this case as plan payments have not been made. The motion is granted and the case is dismissed.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 18, 2017. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$660.00. Debtor has paid \$3,170.00 into the plan to date.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtors' Motion to Confirm was denied on November 21, 2017. Debtors have not filed an amended plan.

The court finds the Trustee's objections valid. This is unreasonable delay to creditors and cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

The Notice of Intent to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The court issued a Notice of Intent to Dismiss for failure to file all documents. Creditor U.S. Bank National Association requested that a hearing be heard, additionally requesting that the debtor's case be dismissed with a 180 day bar against refiling pursuant to 11 U.S.C. § 109(g).

The debtor has filed no documents beyond a skeletal petition. This is debtor's third case in the past three years. All of the previous cases were dismissed. The court finds that a 180 day bar is appropriate under these circumstances.

The Trustee filed a response in support of dismissal. The debtor has not made any progress towards reorganizing or towards filing a chapter 13 plan.

Cause exists to dismiss this case with a 180 day bar against refiling pursuant to § 109(g). The motion is granted and the case is dismissed.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause

appearing,

**IT IS ORDERED** that the case is dismissed and the debtor, Chin Wong, is barred from refiling pursuant to 11 U.S.C. § 109(g).

\*\*\*\*

\*\*\*\*

**Tentative Ruling:** The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

**Below is the court's tentative ruling.**

-----  
Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor (*pro se*), Debtor's Attorney, and Office of the United States Trustee on October 4, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

**The court's decision is to deny the Motion to Dismiss and the case is not dismissed.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtors are delinquent in plan payments in the amount of \$13,748.00. Debtor has paid \$60,524.87 into the plan to date.

Debtor responds that a modified plan will be filed. The court notes that a Modified Chapter 13 plan has been filed and is set for hearing on February 27, 2018. The court has reviewed the Motion to Confirm the Modified Plan and the Declaration in support filed by the Debtors. The Motion appears to comply with Federal Rule of Bankruptcy Procedure 9013 (stating grounds with particularity) and the Declaration appears to provide testimony as to facts to support confirmation based upon personal knowledge (Fed. R. Evid. 601, 602).

Therefore, the motion is denied and the case is not dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is denied and the case is not dismissed.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 18, 2017. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The court's decision is to xxxxxxxxxxxxxxxx**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor's plan will not complete in 60 months. 12 payments remain needing to be paid and debtor has completed 51 months of the plan.

Debtor filed a late response due to the fact that Mr. Liberman was attempting to make contact with the debtors to take over from Charles Anthony Hughes. A substitution of attorney has been filed. Debtor has told counsel that he may be able to make larger payments.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

- A. Debtors are delinquent in plan payments in the amount of \$4,830.00. Debtor has paid \$14,490.00 into the plan to date.

Debtor responds that a modified plan will be filed. The court notes that no plan has been filed. Therefore, cause exists to dismiss this case as plan payments have not been made. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$3,900.00. Debtor has paid \$1,950.00 into the plan to date.
- B. Trustee's Objection to Confirmation was sustained on November 7, 2017 and no amended plan has been filed.

**Debtor's Response**

Debtor responds that the payments will be made by the date of the hearing. Additionally debtor has filed a plan and motion to confirm in December 2017.

**Trustee's Reply**

Trustee states that the debtor is still delinquent and that there is no plan that was filed in December. The Motion to Confirm is merely attempting to confirm the August plan. The court sustained the trustee's objection to that plan.

The debtor has not filed an amended plan. The court does not currently have evidence of the debtors' payments. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on January 3, 2018. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is \$1,714.00 delinquent in plan payments. The debtor has paid \$6,896.00 into the plan to date.
- B. Trustee's Objection to Confirmation was sustained by the court on October 17, 2017 and no amended plan has been filed.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. § § 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Trustee's Objection to Confirmation was sustained on November 7 and no amended plan has been filed.

**Debtor's Response**

Debtor responds that a plan was filed December 2017.

**Trustee's Reply**

Trustee points out that there was no amended plan filed, merely a motion to confirm the August plan. The court sustained the Trustee's objection to confirmation of that plan.

The debtor has not filed an amended plan. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court would further point out that in both this case, and matter #56, counsel submitted a document stating that "In response the debtor has filed a plan and confirmation that has been on file since middle of December 2017." In neither case was this true. In both cases, the debtor did NOT file an amended plan in December. In both cases, there has been no amended plan filed at all. The document filed by counsel in both cases is nearly identical. In both cases it is wrong. Whether counsel has been intentionally trying to mislead the court, or merely filing documents that do not pertain to the case at hand due to mistake, the court cautions counsel to only present the court with facts that are actually true.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

\*\*\*\*

\*\*\*\*

**Final Ruling:** No appearance at the January 17, 2018 hearing is required.

-----  
Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 15, 2017. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$2,575.00. Debtor has paid \$1,000.00 into the plan to date.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**Tentative Ruling:** Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 20, 2017. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is \$2,471.00 delinquent in plan payments. The debtor has paid \$0 into the plan to date.
- B. Debtors failed to provide the Trustee with a tax transcript or a copy of the Federal Income Tax Return with attachments for the most recent pre-petition tax year for which a return was required.
- C. The debtor filed a plan on November 27, 2017 but did not serve the plan on all interested parties and no Motion to Confirm Plan is pending.
- D. Debtor has failed to provide the Trustee with 60 days of employer payment advices received prior to the filing of the petition.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. §§ 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**Tentative Ruling:** The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on January 3, 2018. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is \$6,630.00 delinquent in plan payments. The debtor has paid \$5,600.00 into the plan to date.
- B. Debtor's Motion to Confirm plan was denied on November 21, 2017. No amended plan has since been filed.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. § § 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted  
and the case is dismissed.

\*\*\*\*

\*\*\*\*

**Tentative Ruling:** The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

**Below is the court's tentative ruling.**

-----  
Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor (*pro se*), Debtor's Attorney, and Office of the United States Trustee on November 29, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. The case was filed on August 9, 2017 and debtor has yet to confirm a plan. Objection to Confirmation was sustained on October 17, 2017 and debtor has yet to file an amended plan.
- B. Debtors failed to provide the Trustee with a tax transcript or a copy of the Federal Income Tax Return with attachments for the most recent pre-petition tax year for which a return was required.

Debtor responds that a modified plan will be filed. The court notes that a plan has been filed. However, as the Trustee points out, the plan does not address the 2016 tax return. Therefore, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

\*\*\*\*

\*\*\*\*

**Final Ruling:** No appearance at the January 17, 2018 hearing is required.  
-----

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor (*pro se*), Debtor's Attorney, and Office of the United States Trustee on December 15, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

**The court's decision is to deny the Motion to Dismiss the case is not dismissed.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtors are delinquent in plan payments in the amount of \$10,873.79. Debtor has paid \$79,229.00 into the plan to date.

Debtor responds that a modified plan will be filed. The court notes that a Modified Chapter 13 plan has been filed and is set for hearing on February 27, 2018. The court has reviewed the Motion to Confirm the Modified Plan and the Declaration in support filed by the Debtors. The Motion appears to comply with Federal Rule of Bankruptcy Procedure 9013 (stating grounds with particularity) and the Declaration appears to provide testimony as to facts to support confirmation based upon personal knowledge (Fed. R. Evid. 601, 602).

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

\*\*\*\*

**Final Ruling:** No appearance at the January 17, 2018 hearing is required.

-----  
Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 18, 2017. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. The plan will not complete within 60 months. Unsecured claims filed were greater than scheduled.
- B. Debtor is delinquent \$1,000 under the terms of the confirmed plan.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

**Final Ruling:** No appearance at the January 17, 2018 hearing is required.

**Final Ruling:** The court issued an order to show cause based on Debtor's failure to pay the required fees in this case (\$310.00 due on October 23, 2017 for the filing of the petition). The court docket reflects that on November 6, 2017, the Debtors paid the fees upon which the Order to Show Cause was based.

**The Order to Show Cause is discharged.** No appearance required.

The fees having been paid, the Order to Show Cause is discharged.

The court shall issue a minute order substantially in the following form holding that:

Debtors filed a late response indicating that they would be current as of the date of the hearing. Without evidence of the debtors curing the delinquency, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$888.00. Debtor has paid \$6,150.00 to date.

**Debtor's Response**

Debtor's counsel filed a document indicating that he had been attempting to get in contact with the debtor, and filed an objection to preserve an opportunity to object at the hearing.

The court notes that if the debtors make the payments they intend to make the Motion will be denied. The court does not currently have evidence of the debtors' payments. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

- B. Debtors have failed to provide for the Priority claim of the Franchise Tax Board. This makes the plan complete in 49 months as opposed to 36 as proposed.

Debtor responds that the debtors will get current and that a modified plan will be filed. The court notes that no plan has been filed and the court has no evidence that the debtors are current. Therefore, cause exists to dismiss this case as plan payments have not been made. The motion is granted and the case is dismissed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on November 29, 2017. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The court's decision is to grant the Motion to Dismiss and dismiss the case.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtors' Motion to Confirm Plan was heard 10 months after filing, on October 3, 2017 and was denied. No amended plan has been filed since.

Cause exists to dismiss this case as there is unreasonable delay in filing a new plan. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

**Tentative Ruling:** The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

**Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).**
