DPC-1 Mary Ellen Terranella 12-16-15 [[17](#)]

\*\*\*\*\*

**Final Ruling:** No appearance at the January 20, 2016 hearing is required.  
-----

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 16, 2015. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The Motion to Dismiss is granted and the case is dismissed.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor is \$4,198 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$2,099 is due prior to this hearing. Debtor has paid a total of \$0 into the plan thus far.

The court has considered the Trustee's reason for dismissal and finds it to be valid. Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are  
stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 14, 2015. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. See *Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The Motion to Dismiss is granted and the case is dismissed.**

1. Debtor is \$8,360 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$3,980 is due prior to this hearing. Debtor has paid a total of \$141,118 into the plan thus far.

The court has considered the Trustee's reason for dismissal and finds it to be valid. Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are  
stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13  
case filed by the Chapter 13 Trustee having been

----------------------------------------------------------

**SUMMARY OF MOTION**

The Chapter 13 Trustee requests that the court strike the 11 U.S.C. § 1328 Certificate filed on October 13, 2015. Dkt. 76.

The Chapter 13 Trustee objects to discharge on the basis that Debtor is not eligible to receive a discharge because Debtor received a Chapter 7 discharge during the four year period preceding the date of the order for relief in this case. 11 U.S.C. § 1328(f)(1). Debtor received a Chapter 7 discharge on June 30, 2010. (Case No. 2010-26470-D-7). Debtor filed this Chapter 13 case on April 20, 2012.

**DEBTOR'S OPPOSITION**

Debtors state that they accidentally checked the box indicating that they

had not received a prior chapter 7 discharge on the Certificate and ask that the court overrule the Trustee's Objection.

#### **DISCUSSION**

Pursuant to 11 U.S.C. § 1328(f)(1), Debtor is not entitled to a discharge in this Chapter 13 case because Debtor received a discharge in a Chapter 7 case filed during the four year period preceding the date of the order for relief in this case. The Objection is sustained.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Objection to the Discharge filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that Objection to Certification of Discharge is sustained, and the 11 U.S.C. § 1328 Certificate filed on October 13, 2015 is stricken.

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtors are \$6,921.12 delinquent in plan payments to the Trustee to date. Debtor has paid \$0 into the plan to date.
2. This case was filed on September 1, 2015, and Debtor has yet to confirm a plan. The motion to confirm amended plan was heard and denied on November 17, 2015, and Debtor has failed to amend the plan and set a confirmation hearing date.

**Debtor's Opposition**

Debtor was unaware of the requirement to make monthly payments. Debtor will file a second modified plan prior to the hearing.

**Discussion**

The court has considered the Trustee's reasons for dismissal and finds them to be valid. The docket reflects that Debtors have not filed a modified plan.

Cause exists to dismiss this case. The motion is granted and the case is

dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on November 6, 2015. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. See *Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**Final Ruling:** No appearance at the January 20, 2016 hearing is required.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on November 6, 2015. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The Motion to Dismiss is granted and the case is dismissed.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor did not appear at the First Meeting of Creditors held on December 3, 2015. Pursuant to 11 U.S.C. § 343, Debtor is required to appear at the meeting.
2. Debtor did not provide Trustee with a tax transcript or copy of his Federal Income Tax return with attachments for the most recent pre-petition tax year for which a return was required, or a written statement that no such document exists. 11 U.S.C. § 521(e)(2)(A); FRBP 4002(b)(3). This is required seven days before the date first set for the meeting of creditors. 11 U.S.C. § 521(e)(2)(A)(1).
3. Debtor has not provided Trustee with 60 days of employer payment advices received prior to the filing of the petition pursuant to 11 U.S.C. § 521(a)(1)(B)(iv).
4. Debtor is \$85.00 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$85.00 is due on November 25, 2015. Debtor has paid \$0.00 into the plan to date.

The court has considered the Trustee's reasons for dismissal and finds them to be valid. Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor's Motion to Confirm was heard and denied on September 15, 2015, and Debtors have failed to file an Amended Plan.
2. Debtor is \$535 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$540 is due prior to the hearing on this matter. Debtor has paid \$4,185 into the plan to date.

A review of the docket shows that Debtor has not yet filed a new plan or a motion to confirm a plan. Debtor offers no explanation for the delay in setting the Plan for confirmation. This is unreasonable delay which is prejudicial to creditors. 11 U.S.C. §1307(c)(1).

The court has considered the Trustee's reasons for dismissal and finds them to be valid. Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 14, 2015. 28 days' notice is required. This requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$9,735.04 to date with the last payment received on November 3, 2015. Trustee shows a total of \$14,146.47 is due, thus Debtor is delinquent \$4,433.43 in plan payments. Prior to the hearing on this matter, a payment of \$1,582.45 will come due. As a result, Debtor will need to pay \$5,993.88 in order to bring the plan current as of the date of this hearing.

**DEBTOR'S OPPOSITION**

Debtor opposes Trustee's motion, stating that she will make every effort to cure the payment arrears by the date of hearing.

**DISCUSSION**

Although Debtor has stated her intent to be current by the date of hearing, she has not provided evidence to the court that she is actually current. No testimony, or even argument by counsel, is provided as to why the Debtor has defaulted in the payments. To date, no evidence has been presented that the Debtor has cured the delinquency. Further, Debtor offers no testimony or argument as to how such a substantial default could be cured

in one month given the Debtor's limited projected disposable income.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$5,014 to date with the last payment received on August 21, 2015. Trustee shows a total of \$5,668 is due, thus Debtor is delinquent \$654 in plan payments. Prior to the hearing on this matter, a payment of \$218 will come due. As a result, Debtor will need to pay \$872 in order to bring the plan current as of the date of this hearing.

**DEBTORS' OPPOSITION**

Debtors responds stating that they have paid the delinquent amount and current under the terms of the plan.

**DISCUSSION**

Although Debtors state in their motion that they are current under the terms of their plan, they provide no declaration or authenticated proof to show that they have in fact cured the delinquency.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

**The Motion to Dismiss is granted and the case is dismissed.**

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$4,203 to date with the last payment received on July 27, 2015. Trustee shows a total of \$12,683 is due, thus Debtor is delinquent \$8,480 in plan payments. **Final Ruling:** No appearance at the January 20, 2016 hearing is required.  
-----

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss the Bankruptcy Case is dismissed without prejudice.

\*\*\*\*\*

**Final Ruling:** No appearance at the January 20, 2015 hearing is required.  
-----

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 11, 2015. 28 days' notice is required. This requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The Motion to Dismiss is granted and the case is dismissed.**

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$30,612 to date with the last payment received on September 17, 2015. Trustee shows a total of \$38,724 is due, thus Debtor is delinquent \$8,112 in plan payments. Prior to the hearing on this matter, a payment of \$3,298 will come due. As a result, Debtor will need to pay \$11,410 in order to bring the plan current as of the date of this hearing.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

-----

The Order to Show Cause was served by the Clerk of the Court on Rafat and Caterina Muhareb ("Debtor"), Trustee, and other parties in interest on December 30, 2015.

The court issued an Order to Show Cause based on Debtor's failure to pay the required fees in this case (\$310 for filing fees).

<b>The court's decision is to sustain the Order to Show Cause and order the case dismissed.</b>
-------------------------------------------------------------------------------------------------

The court's docket reflects that the default in payment which is the subjection of the Order to Show Cause has not been cured. [The following filing fees are delinquent and unpaid by Debtor: [\$310].

The court shall issue a minute order substantially in the following form holding that:

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 11, 2015. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$2,400 to date with the last payment received on November 3, 2015. Trustee shows a total of \$37,427.28 is due, thus Debtor is delinquent \$2,400 in plan payments. Prior to the hearing on this matter, a payment of \$1,200 will come due. As a result, Debtor will need to pay \$3,600 in order to bring the plan current as of the date of this hearing.

**DEBTORS' OPPOSITION**

Debtors oppose the instant motion, stating their intent to be current by the date of hearing on this matter.

**DISCUSSION**

Although Debtors have stated their intent to be current by the date of hearing, they have not provided evidence to the court that they are actually current. No testimony, or even argument by counsel, is provided as to why the Debtor has defaulted in the payments. To date, no evidence has been presented that the Debtor has cured the delinquency. Rather, it is merely an argument stated by Debtor's counsel. Further, Debtor offers no testimony or argument as to how such a substantial default could be cured in

one month given the Debtor's limited projected disposable income.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

Debtor has paid a total of \$31,500 to date with the last payment received on November 30, 2015. Trustee shows a total of \$38,500 is due, thus Debtor is delinquent \$7,000 in plan payments. Prior to the hearing on this matter, a payment of \$3,500 will come due. As a result, Debtor will need to pay \$10,500 in order to bring the plan current as of the date of this hearing.

**DEBTORS' OPPOSITION**

Debtors oppose the instant motion, stating that they fell behind in plan payments because Debtor Sherry Larsen had an unexpected medical condition that required surgery that caused her to miss time from work. IN order to make up their delinquent payments, Debtors were able to successfully request a hardship withdrawal from their 401K. The full amount will be paid to Trustee prior to hearing date.

**DISCUSSION**

Debtor has paid a total of \$3,102 to date with the last payment received on November 24, 2015. Trustee shows a total of \$6,429 is due, thus Debtor is delinquent \$3,327 in plan payments. Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 16, 2015. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The Motion to Dismiss is granted and the case is dismissed.**

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$1,206 to date with the last payment received on October 26, 2015. Trustee shows a total of \$1,695 is due, thus Debtor is delinquent \$489 in plan payments. Prior to the hearing on this matter, a payment of \$185 will come due. As a result, Debtor will need to pay \$674 in order to bring the plan current as of the date of this hearing.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$19,050 to date with the last payment received on September 29, 2015. Trustee shows a total of \$25,260 is due, thus Debtor is delinquent \$6,210 in plan payments. Prior to the hearing on this matter, a payment of \$3,105 will come due. As a result, Debtor will need to pay \$9,315 in order to bring the plan current as of the date of this hearing.

**DEBTORS' OPPOSITION**

Debtors oppose the instant motion, stating their intent to be current by the date of hearing on this matter.

**DISCUSSION**

Although Debtors have stated their intent to be current by the date of hearing, they have not provided evidence to the court that they are actually current. No testimony, or even argument by counsel, is provided as to why the Debtor has defaulted in the payments. To date, no evidence has been presented that the Debtor has cured the delinquency. Rather, it is merely an argument stated by Debtor's counsel. Further, Debtor offers no testimony or argument as to how such a substantial default could be cured in

one month given the Debtor's limited projected disposable income.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 16, 2015. 28 days' notice is required. That requirement was met.

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor is \$3,786.74 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$3,786.74 is due December 25, 2015. The case was filed on October 16, 2015, and Debtor has paid \$0 into the plan to date. The plan cannot be confirmed under 11 U.S.C. § 1325(a)(2).
2. Debtor has not provided Trustee with 60 days of employer payment advices received prior to the filing of the petition pursuant to 11 U.S.C. § 521(a)(1)(B)(iv).

**DEBTORS' OPPOSITION**

Debtors oppose the instant motion, stating: (1) their intent to be current by the date of hearing on this matter, and (2) that Debtors have located their missing paystubs and have provided them to Trustee's office.

**DISCUSSION**

Although Debtors have stated their intent to be current by the date of hearing and that they have provided the missing documentation, they have

not provided evidence to the court that they are actually current or that they have actually provided the requested information. Further, Debtor offers no testimony or argument as to how such a substantial default could be cured in one month given the Debtor's limited projected disposable income.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$184,750.00 to date with the last payment received on September 21, 2015. Trustee shows a total of \$218,980.00 is due, thus Debtor is delinquent \$34,230 in plan payments. Prior to the hearing on this matter, a payment of \$5,705 will come due. As a result, Debtor will need to pay \$39,935.00 in order to bring the plan current as of the date of this hearing.

**DEBTORS' OPPOSITION**

Debtors oppose the instant motion, stating their intent to be current by the date of hearing on this matter.

**Tentative Ruling:** The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

**Below is the court's tentative ruling.**

-----  
Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 8, 2015. 28 days' notice is required. This requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

**The Motion to Dismiss is granted and the case is dismissed.**

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$16,550 to date with the last payment received on October 19, 2015. Trustee shows a total of \$17,600 is due, thus Debtor is delinquent \$1,050 in plan payments. Prior to the hearing on this matter, a payment of \$350 will come due. As a result, Debtor will need to pay \$1,400 in order to bring the plan current as of the date of this hearing.

**DEBTORS' RESPONSE**

Debtor filed a declaration, averring that Debtor made a \$350 payment on December 18, 2015, and mailed another \$350 payment on January 6, 2016. On January 11, 2016, Debtor states that she will mail another \$350 payment, and another \$350 payment on January 18, 2016.

**DISCUSSION**

While Debtor has submitted a declaration, stating that she has remitted \$700 in payments to cure the delinquency, the court has received no confirmation that Debtor has remitted the additional \$700 promised in the month of January. Debtor has not shown to the court by way of admissible evidence that the deficiency has been cured, and only shows her intent to be

current by the date of hearing.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

**Final Ruling:** No appearance at the January 20, 2016 hearing is required.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 8, 2015. 28 days' notice is required. This requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The Motion to Dismiss is granted and the case is dismissed.**

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$840 to date with the last payment received on August 14, 2015. Trustee shows a total of \$1,470 is due, thus Debtor is delinquent \$630 in plan payments. Prior to the hearing on this matter, a payment of \$210 will come due. As a result, Debtor will need to pay \$840 in order to bring the plan current as of the date of this hearing.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor (*pro se*), and Office of the United States Trustee on December 11, 2016. 28 days' notice is required. This requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor did not appear at the first meeting of creditors on November 12, 2015. Trustee does not have sufficient information to determine if the plan is suitable for confirmation under 11 U.S.C. § 1325.
2. Debtor has not provided Trustee with a tax transcript or a copy of the Federal Income Tax Report with attachments for the most recent pre-petition tax year for which a return was required, or a written statement that no such documentation exists. 11 U.S.C. § 521(e)(2)(A). This is required 7 days before the date set for the meeting of creditors. 11 U.S.C. § 521(e)(2)(A)(I).
3. Debtor has not provided Trustee with 60 days of employer payment advices received prior to the filing of the petition pursuant to 11 U.S.C. § 521(a)(1)(B)(iv).
4. Debtor is \$490 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$490 is due December 25, 2015. Debtor has paid \$0 into the plan to date. The plan cannot be confirmed under 11 U.S.C. § 1325(a)(2).

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor is \$3,800 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$3,800 is due December 25, 2015. Debtor has paid \$0 into the plan to date. The plan cannot be confirmed under 11 U.S.C. § 1325(a)(2).
2. Debtor did not appear at the first meeting of creditors on December 3, 2015. Trustee does not have sufficient information to determine if the plan is suitable for confirmation under 11 U.S.C. § 1325.

**DEBTOR'S OPPOSITION**

Debtor opposes Trustee's motion, stating his intent to be current on or before the date of hearing on this matter.

**DISCUSSION**

Although Debtor has stated his intent to be current by the date of hearing, he has not provided evidence to the court that he is actually current. No testimony, or even argument by counsel, is provided as to why the Debtor has defaulted in the payments. To date, no evidence has been

presented that the Debtor has cured the delinquency. In contending that Debtor would be "current" by the time of the hearing, the Debtor fails (or refuses) to provide any testimony under penalty of perjury to such contention. Rather, it is merely an argument stated by Debtor's counsel. Further, Debtor offers no testimony or argument as to how such a substantial default could be cured in one month given the Debtor's limited projected disposable income.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 14, 2015. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$98,176 to date with the last payment received on November 4, 2015. Trustee shows a total of \$102,458 is due, thus Debtor is delinquent \$4,282 in plan payments. Prior to the hearing on this matter, a payment of \$2,137 will come due. As a result, Debtor will need to pay \$6,419 in order to bring the plan current as of the date of this hearing.

#### **DEBTORS' OPPOSITION**

Debtors oppose Trustee's motion, stating they intend to be current on or before the date of hearing on this matter. Debtors request a short time to pay the arrearages in the event they are not current by the date of hearing, pointing to their record of payment and opining that Trustee is being hasty.

#### **DISCUSSION**

Although Debtors have stated their intent to be current by the date of hearing, they have not provided evidence to the court that they are actually current. No testimony, or even argument by counsel, is provided as

to why the Debtor has defaulted in the payments. Further, Debtor offers no testimony or argument as to how such a substantial default could be cured in one month given the Debtor's limited projected disposable income. Although Debtors request further time to cure the default in the event they are not current by the date of hearing, that they have not made plan payments since November 2015 raises doubt as to Debtors' ability to afford their current plan payments at all. Debtors offer no explanation to the court as to why they have fallen into default at this time, and offer no suggestions as to how long they might need, or how they might become current.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 18, 2015. 28 days' notice is required. That requirement was met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

**The Motion to Dismiss is granted and the case is dismissed.**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor is \$2,550 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$2,550 is due December 25, 2015. Debtor has paid \$8,222 into the plan to date. The plan cannot be confirmed under 11 U.S.C. § 1325(a)(2).
2. Debtor's Motion to Confirm was heard and denied by this court at hearing held on December 8, 2015, Dckt. 116. No subsequent amended plan or Motion to Confirm has been filed to date.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$26,443 to date with the last payment received on November 16, 2015. Trustee shows a total of \$29,887 is due, thus Debtor is delinquent \$3,444 in plan payments. Prior to the hearing on this matter, a payment of \$1,573 will come due. As a result, Debtor will need to pay \$5,017 in order to bring the plan current as of the date of this hearing.

**DEBTOR'S OPPOSITION**

Debtor opposes Trustee's motion, stating her intent to file a modified plan and Motion to Modify Plan prior to date of hearing on this motion.

**DISCUSSION**

Although Debtor has stated her intent to file a modified plan, the docket does not reflect that a modified plan or motion to modify plan has been filed, set for hearing, or served on parties. The Trustee's basis for objection remains outstanding, Debtor remains in material default and delinquent in plan payments.

-------------------------------------------------------------

**PREVIOUSLY**

At the hearing on September 9, 2015, Debtor represented that an amended plan and motion to confirm, as well as an objection to the proof of claim filed by the Internal Revenue Service will be filed and served. Debtor represented that the Chapter 13 case shall be diligently prosecuted. The court continued this motion to November 4, 2015 at 10:00 am. On November 4, 2015, the court continued this motion to January 20, 2016 on Debtor's request on the basis that Debtor would file a proposed amended plan well before January 6, 2016 because Debtor was waiting for a final amended proof of claim from the Internal Revenue Service.

**MOTION**

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

1. Debtor is \$6,806 delinquent in plan payments to the Trustee to date and the next scheduled payment of \$3,402 is due August 25, 2015. The case was filed on September 12, 2014. The Plan calls for payments of \$28,782 paid through month 7 and \$3,402 beginning in month 8. Debtor has paid \$32,182 into

the plan to date.

2. Debtor filed a Notice of Withdrawal of the Motion to Confirm plan filed June 19, 2015, SS-3 Dckt. 74. The Motion to Confirm was set for hearing on August 11, 2015. To date, the plan filed June 19, 2015 remains unconfirmed. Debtor has failed to file a confirmable plan and set the plan for a confirmation hearing.

#### **DEBTOR'S RESPONSE**

Debtor responds to Trustee's motion, stating her intent to file a proposed amended plan prior to the September 9, 2015 hearing date.

#### **DEBTOR'S SUPPLEMENTAL BRIEF**

On October 21, 2015, Debtor filed a supplemental response to Trustee's motion, stating that Debtor will file a proposed amended plan well before January 6, 2016. Debtor states that she is waiting for a final amended proof of claim from the Internal Revenue Service. Debtor's counsel has been in touch with the IRS office and has been informed that an amended claim should be forthcoming before the end of October. Until such claim is filed, Debtor cannot determine what amount will be owed for tax year 2008.

#### **DISCUSSION**

Although Debtor represented in her supplemental brief filed October 21, 2015 that she would file a proposed amended plan "well before" January 6, 2016, the docket reflects that no such plan has been filed. The Trustee filed this motion to dismiss in August 2015. The court continued this motion on at least two occasions based on Debtor's request and promises to file and serve amended plans. To further continue the motion would prejudice creditors, and Trustee's basis for motion have not been resolved.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.

**Tentative Ruling:** The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c). According to Trustee's calculations, the plan will complete in 98 months as opposed to the 60 months proposed. This exceeds the maximum amount of time allowed under 11 U.S.C. § 1322(d). Debtor has not complied with section 2.08(b)(4)(i) of the plan. Creditor Wells Fargo, N.A. has filed Notices of Mortgage Payment Change, most recently on September 10, 2015, increasing the class 1 monthly contract installment amount to \$1,788.71 effective November 2015 from \$1,509.09 per the plan confirmed September 12, 2013. Debtor has failed to increase the plan payment from \$1,000 in the confirmed plan. After payment of Trustee fees and the monthly contract installment amount \$109.29 is available to pay creditors. Remaining secured and unsecured claims plus remaining attorney fees to be paid total \$7,549.89 net of the balance on hand. Thus this amounts to 70 months remaining, while Debtors have completed 28 months of their plan.

**DEBTOR'S OPPOSITION**

Debtor opposes the instant motion, responding that Debtor will modify the current plan to provide for the increased mortgage cost through his plan and plans to be current with his modified plan prior to date of hearing.

## **DISCUSSION**

Although Debtor states his intent to file a modified plan to bring himself current under the terms of the modified plan, the docket reflects that no such modified plan or motion to modify has been filed, set for hearing, or served.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

-----  
Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on December 10, 2015. 28 days' notice is required. That requirement was met.

<b>The court's decision is to grant the Motion to Dismiss and dismiss the case.</b>
-------------------------------------------------------------------------------------

The Chapter 13 Trustee seeks dismissal of Debtor's case on the basis that Debtor is in material default with respect to the term of a confirmed plan, 11 U.S.C. § 1307(c)(6). Debtor has paid a total of \$9,800 to date with the last payment received on September 8, 2015. Trustee shows a total of \$14,000 is due, thus Debtor is delinquent \$4,200 in plan payments. Prior to the hearing on this matter, a payment of \$1,400 will come due. As a result, Debtor will need to pay \$5,600 in order to bring the plan current as of the date of this hearing.

**DEBTORS' OPPOSITION**

Debtors oppose Trustee's motion, stating their intent to be current by the date of hearing on this motion.

**DISCUSSION**

Although Debtors have stated their intent to be current by the date of hearing, they have not provided evidence to the court that they are actually current. No testimony, or even argument by counsel, is provided as to why the Debtor has defaulted in the payments. To date, no evidence has been presented that the Debtor has cured the delinquency. In contending that Debtor would be "current" by the time of the hearing, the Debtor fails (or

refuses) to provide any testimony under penalty of perjury to such contention. Rather, it is merely an argument stated by Debtor's counsel. Further, Debtor offers no testimony or argument as to how such a substantial default could be cured in one month given the Debtor's limited projected disposable income.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

**IT IS ORDERED** that the Motion to Dismiss is granted and the case is dismissed.
