JANUARY 23, 2025 STATUS CONFERENCE

The court specially set the Confirmation Status Conference for the Chapter 12 Plan filed by Kenneth and Mary Deaver so that the confirmation hearings for the three administratively consolidated Bankruptcy Cases could be conducted at the same time. There was only an order setting a confirmation hearing in the Kenneth and Mary Deaver Case. Confirmation hearings have not yet be set for proposed plans in the other two jointly administered Cases.

On January 17, 2025, the court entered a Final Order Authorizing Use of Cash Collateral on an Interim Basis for the Kenneth and Mary Deaver Case. Dckt. 269. On January 21, 2025, a second Final Order Authorizing Use of Cash Collateral on an Interim Basis was uploaded to the court. It is not clear if this is to be an amended order to correct a clerical error or was inadvertently uploaded. ^{FN.1.}

FN. 1. In stating that it is a "Final Order," it is the last order to be entered for the Motion filed under DCN: CMW-9. In light of the administrative consolidation of the three bankruptcy cases, the court requested that the Parties file new motions for such relief in light of there being some duplication of docket control numbers being used prior to the administrative consolidation. The "Final Order" is not a limitation on the Debtor in Possession's ability to seek further use of Cash Collateral.
