

**UNITED STATES BANKRUPTCY COURT**  
**Eastern District of California**  
**Honorable W. Richard Lee**  
**Hearing Date: Thursday, April 10, 2014**  
**Place: Department B – Courtroom #12**  
**Fresno, California**

**INSTRUCTIONS FOR PRE-HEARING DISPOSITIONS**

1. The following rulings are tentative. The tentative ruling will not become the final ruling until the matter is called at the scheduled hearing. **Pre-disposed matters will generally be called, and the rulings placed on the record at the end of the calendar.** Any party who desires to be heard with regard to a pre-disposed matter may appear at the hearing. If the party wishes to contest the tentative ruling, he/she shall notify the opposing party/counsel of his/her intention to appear. **If no disposition is set forth below, the hearing will take place as scheduled.**

2. Submission of Orders:

Unless the tentative ruling expressly states that the court will prepare a civil minute order, then the tentative ruling will only appear in the minutes. If any party desires an order, then the appropriate form of order, which conforms to the tentative ruling, must be submitted to the court. When the debtor(s) discharge has been entered, proposed orders for relief from stay must reflect that the motion is denied as to the debtor(s) and granted only as to the trustee. Entry of discharge normally is indicated on the calendar.

3. Matters Resolved Without Opposition:

If the tentative ruling states that no opposition was filed, and the moving party is aware of any reason, such as a settlement, why a response may not have been filed, the moving party must advise Vicky McKinney, the Calendar Clerk, at (559) 499-5825 by 4:00 p.m. the day before the scheduled hearing.

4. Matters Resolved by Stipulation:

If the parties resolve a matter by stipulation after the tentative ruling has been posted, but **before the formal order is entered on the docket**, the **moving party** may appear at the hearing and advise the court of the settlement or withdraw the motion. Alternatively, the parties may submit a stipulation and order to modify the tentative ruling together with the proposed order resolving the matter.

5. Resubmittal of Denied Matters:

If the moving party decides to re-file a matter that is denied without prejudice for any reason set forth below, the moving party must file and serve a new set of pleadings with a new docket control number. It may not simply re-notice the original motion.

**The motion for relief under §362(d)(1) will be denied as moot. The case has been dismissed and the automatic stay has already terminated by operation of law. The motion for relief under §362(d)(4) will be granted. This appears to be the third bankruptcy filing affecting this property within a two-month period. All three bankruptcy petitions were filed on the eve of a scheduled foreclosure sale. All three cases have been dismissed. The court is persuaded that this bankruptcy was filed as part of a scheme to delay and hinder the moving party. **This is a motion to dismiss based on unreasonable delay. Based on a review of the record it appears that the debtors and their creditors have now been able to propose a consensual chapter 11 plan which has a reasonable likelihood of being confirmed within a reasonable period of time. If the U.S. Trustee files a written consent prior to this hearing, this matter will be continued to May 22, 2014, at 9:00 a.m., to be called and considered after the hearing to approve the disclosure statement. If the U.S. Trustee does not consent to a continuance, then the motion will be denied without prejudice. Based on the (apparently) consensual plan, the court is persuaded that conversion or dismissal at this time is not in the best interest of the creditors and the estate. No appearance is necessary.**
