13. 15-29072-A-7 AUDREY CECH STATUS CONFERENCE
16-2023 2-10-16 [1]
STATE FARM MUTUAL AUTO. INS. CO. V. CECH

Final Ruling: No appearances.

The complaint was filed on February 10, 2016. An initial summons was issued on February 10. There is no certificate of service indicating that the complaint and original summons were served.

It appears that the plaintiff attempted to obtain a reissued summons on March 22. That form, however, was on a Southern District of California form. While the summons was filed and appears on the docket, it was not issued by the clerk of this court.

On March 28, a certificate of service was filed indicating that the complaint and a summons were served on March 28. If the summons referred to is the summons issued on February 10, that summons was no longer valid on March 28. If the summons was the summons filed on March 22, as indicated above, it was not issued by the clerk of this court.

There is no responsive pleading on file.

Therefore, the status conference is continued to June 15, 2016 at 9:30 a.m. If a reissued summons and complaint have not been served by that date, the plaintiff shall show cause at the status conference why the complaint should not be dismissed pursuant to Fed. R. Bankr. P. 7004(a)(1) and Fed. R. Civ. P. 4(m).

14. 16-20290-A-7 DARRELL PINTILY STATUS CONFERENCE
16-2024 2-10-16 [1]
U.S. TRUSTEE V. PINTILY

Final Ruling: No appearances. A default judgment was entered on March 29. The status conference will not be conducted.
