

UNITED STATES BANKRUPTCY COURT

Eastern District of California

Honorable Michael S. McManus
Bankruptcy Judge
Sacramento, California

April 20, 2015 at 1:30 p.m.

THIS CALENDAR IS DIVIDED INTO TWO PARTS. THEREFORE, TO FIND ALL MOTIONS AND OBJECTIONS SET FOR HEARING IN A PARTICULAR CASE, YOU MAY HAVE TO LOOK IN BOTH PARTS OF THE CALENDAR. WITHIN EACH PART, CASES ARE ARRANGED BY THE LAST TWO DIGITS OF THE CASE NUMBER.

THE COURT FIRST WILL HEAR ITEMS 1 THROUGH 18. A TENTATIVE RULING FOLLOWS EACH OF THESE ITEMS. THE COURT MAY AMEND OR CHANGE A TENTATIVE RULING BASED ON THE PARTIES' ORAL ARGUMENT. IF ALL PARTIES AGREE TO A TENTATIVE RULING, THERE IS NO NEED TO APPEAR FOR ARGUMENT. HOWEVER, IT IS INCUMBENT ON EACH PARTY TO ASCERTAIN WHETHER ALL OTHER PARTIES WILL ACCEPT A RULING AND FOREGO ORAL ARGUMENT. IF A PARTY APPEARS, THE HEARING WILL PROCEED WHETHER OR NOT ALL PARTIES ARE PRESENT. AT THE CONCLUSION OF THE HEARING, THE COURT WILL ANNOUNCE ITS DISPOSITION OF THE ITEM AND IT MAY DIRECT THAT THE TENTATIVE RULING, AS ORIGINALLY WRITTEN OR AS AMENDED BY THE COURT, BE APPENDED TO THE MINUTES OF THE HEARING AS THE COURT'S FINDINGS OF FACT AND CONCLUSIONS OF LAW.

IF A MOTION OR AN OBJECTION IS SET FOR HEARING PURSUANT TO LOCAL BANKRUPTCY RULE 3015-1(c), (d) [eff. May 1, 2012], GENERAL ORDER 05-03, ¶ 3(c), LOCAL BANKRUPTCY RULE 3007-1(c)(2) [eff. through April 30, 2012], OR LOCAL BANKRUPTCY RULE 9014-1(f)(2), RESPONDENTS WERE NOT REQUIRED TO FILE WRITTEN OPPOSITION TO THE RELIEF REQUESTED. RESPONDENTS MAY APPEAR AT THE HEARING AND RAISE OPPOSITION ORALLY. IF THAT OPPOSITION RAISES A POTENTIALLY MERITORIOUS DEFENSE OR ISSUE, THE COURT WILL GIVE THE RESPONDENT AN OPPORTUNITY TO FILE WRITTEN OPPOSITION AND SET A FINAL HEARING UNLESS THERE IS NO NEED TO DEVELOP THE WRITTEN RECORD FURTHER. IF THE COURT SETS A FINAL HEARING, UNLESS THE PARTIES REQUEST A DIFFERENT SCHEDULE THAT IS APPROVED BY THE COURT, THE FINAL HEARING WILL TAKE PLACE ON MAY 18, 2015 AT 1:30 P.M. OPPOSITION MUST BE FILED AND SERVED BY MAY 4, 2015, AND ANY REPLY MUST BE FILED AND SERVED BY MAY 11, 2015. THE MOVING/OBJECTING PARTY IS TO GIVE NOTICE OF THE DATE AND TIME OF THE CONTINUED HEARING DATE AND OF THESE DEADLINES.

THERE WILL BE NO HEARING ON ITEMS 19 THROUGH 28 IN THE SECOND PART OF THE CALENDAR. INSTEAD, THESE ITEMS HAVE BEEN DISPOSED OF AS INDICATED IN THE FINAL RULING BELOW. THAT RULING WILL BE APPENDED TO THE MINUTES. THIS FINAL RULING MAY OR MAY NOT BE A FINAL ADJUDICATION ON THE MERITS; IF IT IS, IT INCLUDES THE COURT'S FINDINGS AND CONCLUSIONS. IF ALL PARTIES HAVE AGREED TO A CONTINUANCE OR HAVE RESOLVED THE MATTER BY STIPULATION, THEY MUST ADVISE THE COURTROOM DEPUTY CLERK PRIOR TO HEARING IN ORDER TO DETERMINE WHETHER THE COURT VACATE THE FINAL RULING IN FAVOR OF THE CONTINUANCE OR THE STIPULATED DISPOSITION.

IF THE COURT CONCLUDES THAT FED. R. BANKR. P. 9014(d) REQUIRES AN EVIDENTIARY HEARING, UNLESS OTHERWISE ORDERED, IT WILL BE SET ON APRIL 27, 2015, AT 2:30 P.M.

April 20, 2015 at 1:30 p.m.

Matters to be Called for Argument

1. 15-20504-A-13 SHAWN TAYLOR ORDER TO
SHOW CAUSE
4-1-15 [20]

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

Tentative Ruling: The case will remain pending but the court will modify the terms of its order permitting the debtor to pay the filing fee in installments.

The court granted the debtor permission to pay the filing fee in installments. The debtor failed to pay the \$77 installment when due on March 27. While the delinquent installment was paid on April 6, the fact remains the court was required to issue an order to show cause to compel the payment. Therefore, as a sanction for the late payment, the court will modify its prior order allowing installment payments to provide that if a future installment is not received by its due date, the case will be dismissed without further notice or hearing.

2. 15-21411-A-13 MARK GLOWSKI OBJECTION TO
JPJ-1 CONFIRMATION OF PLAN AND MOTION TO
DISMISS CASE
3-31-15 [14]

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

Tentative Ruling: Because this hearing on an objection to the confirmation of the proposed chapter 13 plan and a motion to dismiss the case was set pursuant to the procedure required by Local Bankruptcy Rule 3015-1(c)(4), the debtor was not required to file a written response. If no opposition is offered at the hearing, the court will take up the merits of the objection. Below is the court's tentative ruling, rendered on the assumption that there will be no opposition. Obviously, if there is opposition, the court may reconsider this tentative ruling.

The objection will be sustained and the motion to dismiss the case will be conditionally denied.

The plan's feasibility depends on the debtor successfully prosecuting a motion to value the collateral of PNE Main Financial in order to strip down or strip off its secured claim from its collateral. No such motion has been filed, served, and granted. Absent a successful motion the debtor cannot establish that the plan will pay secured claims in full as required by 11 U.S.C. § 1325(a)(5)(B) or that the plan is feasible as required by 11 U.S.C. § 1325(a)(6). Local Bankruptcy Rule 3015-1(j) provides: "If a proposed plan will reduce or eliminate a secured claim based on the value of its collateral or the avoidability of a lien pursuant to 11 U.S.C. § 522(f), the debtor must file, serve, and set for hearing a valuation motion and/or a lien avoidance motion. The hearing must be concluded before or in conjunction with the confirmation of the plan. If a motion is not filed, or it is unsuccessful, the Court may deny confirmation of the plan."

Because the plan proposed by the debtor is not confirmable, the debtor will be given a further opportunity to confirm a plan. But, if the debtor is unable to confirm a plan within a reasonable period of time, the court concludes that the

3. 15-21622-A-13 TIMOTHY/EMMA ARIAS
JPJ-1

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

- Page 3 -

Fifth, if counsel for the debtor opts to receive fees pursuant to Local Bankruptcy Rule 2016-1 rather than by making a motion in accordance with 11 U.S.C. §§ 329, 330 and Fed. R. Bankr. P. 2002, 2016, 2017, counsel has not complied with Rule 2016-1 by filing the rights and responsibilities agreement. The abbreviated procedure for approval of the fees permitted by Local Bankruptcy Rule 2016-1 is not applicable. Therefore, if plan is modified to require the trustee to pay the fees without counsel first making a motion in accordance with 11 U.S.C. §§ 329, 330 and Fed. R. Bankr. P. 2002, 2016, 2017, permits payment of fees without the required court approval, the plan will violate sections 329 and 330.

4. 15-21424-A-13 ROBERT/LEE-ANN MAHAN OBJECTION TO
JPJ-1 CONFIRMATION OF PLAN
4-1-15 [25]

- Tentative Ruling:** Because this hearing on an objection to the confirmation of the proposed chapter 13 plan was set pursuant to the procedure required by Local Bankruptcy Rule 3015-1(c)(4), the debtor was not required to file a written response. If no opposition is offered at the hearing, the court will take up the merits of the objection. Below is the court's tentative ruling, rendered on the assumption that there will be no opposition. Obviously, if there is opposition, the court may reconsider this tentative ruling.

First, the debtor failed to appear at the meeting of creditors. Appearance is mandatory. See 11 U.S.C. § 343. To attempt to confirm a plan while failing to appear and be questioned by the trustee and any creditors who appear, the debtor is also failing to cooperate with the trustee. See 11 U.S.C. § 521(a)(3). Under these circumstances, attempting to confirm a plan is the epitome of bad faith. See 11 U.S.C. § 1325(a)(3). The failure to appear also is cause for the dismissal of the case. See 11 U.S.C. § 1307(c)(6).

Third, the debtor has not proven that plan complies with 11 U.S.C. § 1325(a)(4) because unsecured creditors would receive payment in full in a chapter 7 liquidation as of the effective date of the plan. This plan will pay less than a 1% dividend to unsecured creditors.

April 20, 2015 at 1:30 p.m.
- Page 4 -

EDD as required by 11 U.S.C. § 1322(a)(2).

Fifth, the plan's feasibility depends on the debtor successfully prosecuting motions to avoid judicial liens held by Granite State Insurance and Folsom Ready Mix in order to strip down or strip off their secured claims from their collateral. No such motions have been filed, served, and granted. Absent successful motions the debtor cannot establish that the plan will pay secured claims in full as required by 11 U.S.C. § 1325(a)(5)(B) or that the plan is feasible as required by 11 U.S.C. § 1325(a)(6). Local Bankruptcy Rule 3015-1(j) provides: "If a proposed plan will reduce or eliminate a secured claim based on the value of its collateral or the avoidability of a lien pursuant to 11 U.S.C. § 522(f), the debtor must file, serve, and set for hearing a valuation motion and/or a lien avoidance motion. The hearing must be concluded before or in conjunction with the confirmation of the plan. If a motion is not filed, or it is unsuccessful, the Court may deny confirmation of the plan."

Sixth, the debtor has failed to give the trustee financial records for two closely held businesses. This is a breach of the duties imposed by 11 U.S.C. § 521(a)(3) & (a)(4). To attempt to confirm a plan while withholding relevant financial information from the trustee is bad faith. See 11 U.S.C. § 1325(a)(3).

5. 13-30825-A-13 CHRISTOPHER/WENDY THOMAS MOTION TO
SS-2 MODIFY PLAN
3-10-15 [59]

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

Tentative Ruling: The motion will be denied and the objection will be sustained.

First, the plan is not feasible as required by 11 U.S.C. § 1325(a)(6) because the monthly plan payment of \$2,066 is less than the \$2,115 in dividends and expenses the plan requires the trustee to pay each month.

Second, to pay the dividends required by the plan and the rate proposed by it will take 82 months which exceeds the maximum 5-year duration permitted by 11 U.S.C. § 1322(d).

Third, even though 11 U.S.C. § 1322(b)(2) prevents the proposed plan from modifying a claim secured only by the debtor's home, 11 U.S.C. § 1322(b)(2) & (b)(5) permit the plan to provide for the cure of any defaults on such a claim while ongoing installment payments are maintained. The cure of defaults is not limited to the cure of pre-petition defaults. See In re Bellinger, 179 B.R. 220 (Bankr. D. Idaho 1995). The proposed plan, however, does not provide for a cure of the post petition arrears owed to the Class 1 home loan because it fails to specify the amount of the arrears and the amount of the cure dividend.

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

Tentative Ruling: Because this hearing on an objection to the confirmation of the proposed chapter 13 plan and a motion to dismiss the case was set pursuant to the procedure required by Local Bankruptcy Rule 3015-1(c)(4), the debtor was not required to file a written response. If no opposition is offered at the hearing, the court will take up the merits of the objection. Below is the court's tentative ruling, rendered on the assumption that there will be no opposition. Obviously, if there is opposition, the court may reconsider this tentative ruling.

The objection will be sustained and the motion to dismiss the case will be conditionally denied.

First, if requested by the U.S. Trustee or the chapter 13 trustee, a debtor must produce evidence of a social security number or a written statement that such documentation does not exist. See Fed. R. Bankr. P. 4002(b)(1)(B). In this case, the debtor has breached the foregoing duty by failing to provide evidence of the debtor's social security number. This is cause for dismissal.

Second, the plan's feasibility depends on the debtor successfully prosecuting motions to value the collateral of Wells Fargo Bank and Indymac Bank/One West Bank/Ocwen in order to strip down or strip off their secured claims from their collateral. No such motions have been filed, served, and granted. Absent successful motions the debtor cannot establish that the plan will pay secured claims in full as required by 11 U.S.C. § 1325(a)(5)(B) or that the plan is feasible as required by 11 U.S.C. § 1325(a)(6). Local Bankruptcy Rule 3015-1(j) provides: "If a proposed plan will reduce or eliminate a secured claim based on the value of its collateral or the avoidability of a lien pursuant to 11 U.S.C. § 522(f), the debtor must file, serve, and set for hearing a valuation motion and/or a lien avoidance motion. The hearing must be concluded before or in conjunction with the confirmation of the plan. If a motion is not filed, or it is unsuccessful, the Court may deny confirmation of the plan."

Third, the trustee will object to all of the debtor's Cal. Civ. Proc. Code § 703.140(b) exemptions claimed on Schedule C. The debtor is married and because the debtor's spouse has not joined in the chapter 13 petition, the debtor must file his spouse's waiver of right to claim exemptions. See Cal. Civ. Proc. Code § 703.140(a)(2). This was not done. Therefore, the trustee is likely to prevail on the objection to the exemptions. Without exemptions, the plan does not comply with 11 U.S.C. § 1325(a)(4) because the formerly exempt equity of \$45,294.36 in assets is available to pay unsecured claims. The plan will pay nothing to unsecured creditors.

Because the plan proposed by the debtor is not confirmable, the debtor will be given a further opportunity to confirm a plan. But, if the debtor is unable to confirm a plan within a reasonable period of time, the court concludes that the prejudice to creditors will be substantial and that there will then be cause for dismissal. If the debtor has not confirmed a plan within 75 days, the case will be dismissed on the trustee's ex parte application.

7. 15-21528-A-13 KEVIN KRONE
BHT-1
OCWEN LOAN SERVICING, L.L.C. VS.

OBJECTION TO
CONFIRMATION OF PLAN
3-31-15 [16]

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

Tentative Ruling: Because this hearing on an objection to the confirmation of the proposed chapter 13 plan was set pursuant to the procedure required by Local Bankruptcy Rule 3015-1(c)(4), the debtor was not required to file a written response. If no opposition is offered at the hearing, the court will take up the merits of the objection. Below is the court's tentative ruling, rendered on the assumption that there will be no opposition. Obviously, if there is opposition, the court may reconsider this tentative ruling.

The objection will be sustained.

The plan assumes the arrears on the objecting creditor's Class 1 secured claim are approximately \$9,000. The creditor indicates that the arrears are more than \$14,000. At this higher level, the plan either is not feasible or it will not pay the objecting secured claim in full. The plan fails to comply with 11 U.S.C. §§ 1325(a)(5)(B) & (a)(6).

8. 15-20632-A-13 JOSEPH/ROBI ROGERS
ME-2
TERRENCE CASHEN VS.

MOTION FOR
RELIEF FROM AUTOMATIC STAY
3-23-15 [41]

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

Tentative Ruling: The motion will be granted in part.

The movant is secured by the debtor's residence. His claim was all due and payable when the bankruptcy case was filed.

The proposed plan provides for the claim in Class 1. Class 1 is reserved for long term secured claims (i.e., claims that will mature after the completion of the plan) and that are not modified by the proposed plan. The plan merely cures the default and provides for the maintenance of ongoing monthly contract installment payments.

Here, because the movant's claim has matured, the debtor should have provided for the payment of the claim in Class 2. This would require the debtor to pay the entire claim through the plan.

The plan also fails to provide for the cure of delinquent real property taxes which are a senior lien on the subject property.

Finally, the debtor has not insured the property. This is required by the loan documentation as well as the proposed plan.

The failure to provide for the payment of the entire claim as well as real property taxes, and to maintain insurance on the subject property is cause to terminate the automatic stay to permit the movant to conduct a nonjudicial foreclosure sale and to obtain possession of the subject property following sale. See 11 U.S.C. § 362(d)(1).

The loan documentation contains an attorney's fee provision and the movant is an over-secured creditor. The motion demands payment of fees and costs. The court concludes that a similarly situated creditor would have filed this motion. Under these circumstances, the movant is entitled to recover reasonable fees and costs incurred in connection with prosecuting this motion. See 11 U.S.C. § 506(b). See also Kord Enterprises II v. California Commerce Bank (In re Kord Enterprises II), 139 F.3d 684, 689 (9th Cir. 1998).

Therefore, the movant shall file and serve a separate motion seeking an award of fees and costs. The motion for fees and costs must be filed and served no later than 14 days after the conclusion of the hearing on the underlying motion. If not filed and served within this deadline, or if the movant does not intend to seek fees and costs, the court denies all fees and costs. The order granting the underlying motion shall provide that fees and costs are denied. If denied, the movant and its agents are barred in all events from recovering any fees and costs incurred in connection with the prosecution of the motion.

If a motion for fees and costs is filed, it shall be set for hearing pursuant to Local Bankruptcy Rule 9014-1(f)(1) or (f)(2). It shall be served on the debtor, the debtor's attorney, the trustee, and the United States Trustee. Any motion shall be supported by a declaration explaining the work performed in connection with the motion, the name of the person performing the services and a brief description of that person's relevant professional background, the amount of time billed for the work, the rate charged, and the costs incurred. If fees or costs are being shared, split, or otherwise paid to any person who is not a member, partner, or regular associate of counsel of record for the movant, the declaration shall identify those person(s) and disclose the terms of the arrangement with them.

Alternatively, if the debtor will stipulate to an award of fees and costs not to exceed \$750, the court will award such amount. The stipulation of the debtor may be indicated by the debtor's signature, or the debtor's attorney's signature, on the order granting the motion and providing for an award of \$750.

The 14-day period specified in Fed. R. Bankr. P. 4001(a)(3) is not waived. That period, however, shall run concurrently with the 7-day period specified in Cal. Civ. Code § 2924g(d) to the extent section 2924g(d) is applicable to orders terminating the automatic stay.

9.	15-21435-A-13 DARRIN HUTCHINS JPJ-1	OBJECTION TO CONFIRMATION OF PLAN AND MOTION TO DISMISS CASE 3-31-15 [15]
----	---	--

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

Tentative Ruling: Because this hearing on an objection to the confirmation of the proposed chapter 13 plan and a motion to dismiss the case was set pursuant to the procedure required by Local Bankruptcy Rule 3015-1(c)(4), the debtor was not required to file a written response. If no opposition is offered at the hearing, the court will take up the merits of the objection. Below is the court's tentative ruling, rendered on the assumption that there will be no opposition. Obviously, if there is opposition, the court may reconsider this tentative ruling.

The objection will be sustained and the motion to dismiss the case will be conditionally denied.

The plan does not comply with 11 U.S.C. § 1325(b) because it neither pays unsecured creditors in full nor pays them all of the debtor's projected disposable income. The plan will pay \$6,272.35 unsecured creditors but Form 22, once corrected, shows that the debtor will have \$20,441.40 over the plan's duration. The correction is at lines 13b and 33b where the debtor has overstated the monthly obligation on a vehicle loan at \$720. It should be \$224.

Because the plan proposed by the debtor is not confirmable, the debtor will be given a further opportunity to confirm a plan. But, if the debtor is unable to confirm a plan within a reasonable period of time, the court concludes that the prejudice to creditors will be substantial and that there will then be cause for dismissal. If the debtor has not confirmed a plan within 75 days, the case will be dismissed on the trustee's ex parte application.

10. 15-21236-A-13 ALAN/JENNY ALFORD MOTION TO
WW-1 VALUE COLLATERAL
VS. WASHINGTON MUTUAL 4-1-15 [21]

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

Tentative Ruling: Because less than 28 days' notice of the hearing was given by the debtor, this motion is deemed brought pursuant to Local Bankruptcy Rule 9014-1(f)(2). Consequently, the creditors, the trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion. Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. Obviously, if there is opposition, the court may reconsider this tentative ruling.

The motion will be granted.

The debtor seeks to value the debtor's residence at a fair market value of \$305,000 as of the date the petition was filed. It is encumbered by a first deed of trust held by Downey Savings and Loan. The first deed of trust secures a loan with a balance of approximately \$330,084 as of the petition date. Therefore, Washington Mutual's claim secured by a junior deed of trust is completely under-collateralized. No portion of this claim will be allowed as a secured claim. See 11 U.S.C. § 506(a).

Any assertion that the respondent's claim cannot be modified because it is secured only by a security interest in real property that is the debtor's principal residence is disposed of by In re Zimmer, 313 F.3d 1220 (9th Cir. 2002) and In re Lam, 211 B.R. 36 (B.A.P. 9th Cir. 1997). See also In re Bartee, 212 F.3d 277 (5th Cir. 2000); In re Tanner, 217 F.3d 1357 (11th Cir. 2000); McDonald v. Master Fin., Inc. (In re McDonald), 205 F.3d 606, 611-13 (3rd Cir. 2000); and Domestic Bank v. Mann (In re Mann), 249 B.R. 831, 840 (B.A.P. 1st Cir. 2000).

Because the claim is completely under-secured, no interest need be paid on the

claim except to the extent otherwise required by 11 U.S.C. § 1325(a)(4). If the secured claim is \$0, because the value of the respondent's collateral is \$0, no interest need be paid pursuant to 11 U.S.C. § 1325(a)(5)(B)(ii).

Any argument that the plan, by valuing the respondent's security and providing the above treatment, violates In re Hobdy, 130 B.R. 318 (B.A.P. 9th Cir. 1991), will be overruled. The plan is not an objection to the respondent's proof of claim pursuant to Fed. R. Bankr. P. 3007 and 11 U.S.C. § 502. The plan makes provision for the treatment of the claim and all other claims, and a separate valuation motion has been filed and served as permitted by Fed. R. Bankr. P. 3012 and 11 U.S.C. § 506(a). The plan was served by the trustee on all creditors, and the motion to value collateral was served by the debtor with a notice that the collateral for the respondent's claim would be valued. That motion is supported by a declaration of the debtor as to the value of the real property. There is nothing about the process for considering the valuation motion which amounts to a denial of due process.

To the extent the respondent objects to valuation of its collateral in a contested matter rather than an adversary proceeding, the objection is overruled. Valuations pursuant to 11 U.S.C. § 506(a) and Fed. R. Bankr. P. 3012 are contested matters and do not require the filing of an adversary proceeding. Further, even if considered in the nature of a claim objection, an adversary proceeding is not required. Fed. R. Bankr. P. 3007. It is only when such a motion or objection is joined with a request to determine the extent, validity or priority of a security interest, or a request to avoid a lien that an adversary proceeding is required. Fed. R. Bankr. P. 7001(2). The court is not determining the validity of a claim or avoiding a lien or security interest. The respondent's deed of trust will remain of record until the plan is completed. This is required by 11 U.S.C. § 1325(a)(5)(B)(I). Once the plan is completed, if the respondent will not reconvey its deed of trust, the court will entertain an adversary proceeding. See also 11 U.S.C. § 1325(a)(5)(B)(I).

In the meantime, the court is merely valuing the respondent's collateral. Rule 3012 specifies that this is done by motion. Rule 3012 motions can be filed and heard any time during the case. It is particularly appropriate that such motions be heard in connection with the confirmation of a plan. The value of collateral will set the upper bounds of the amount of the secured claim. 11 U.S.C. § 506(a). Knowing the amount and character of claims is vital to assessing the feasibility of a plan, 11 U.S.C. § 1325(a)(6), and determining whether the treatment accorded to secured claims complies with 11 U.S.C. § 1325(a)(5).

To the extent the creditor objects to the debtor's opinion of value, that objection is also overruled, particularly in light of its failure to file any contrary evidence of value. According to the debtor, the residence has a fair market value of \$305,000. Evidence in the form of the debtor's declaration supports the valuation motion. The debtor may testify regarding the value of property owned by the debtor. Fed. R. Evid. 701; So. Central Livestock Dealers, Inc., v. Security State Bank, 614 F.2d 1056, 1061 (5th Cir. 1980).

11. 15-21338-A-13 SHAWN GASKINS
JPJ-1

OBJECTION TO
CONFIRMATION OF PLAN AND MOTION TO
DISMISS CASE
3-31-15 [19]

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

Tentative Ruling: Because this hearing on an objection to the confirmation of the proposed chapter 13 plan and a motion to dismiss the case was set pursuant to the procedure required by Local Bankruptcy Rule 3015-1(c)(4), the debtor was not required to file a written response. If no opposition is offered at the hearing, the court will take up the merits of the objection. Below is the court's tentative ruling, rendered on the assumption that there will be no opposition. Obviously, if there is opposition, the court may reconsider this tentative ruling.

The objection will be sustained and the motion to dismiss the case will be conditionally denied.

First, to pay the dividends required by the plan and the rate proposed by it will take 112 months which exceeds the maximum 5-year duration permitted by 11 U.S.C. § 1322(d).

Second, the plan is not feasible as required by 11 U.S.C. § 1325(a)(6) because the monthly plan payment of \$1,559 is less than the \$2,615.41 in dividends and expenses the plan requires the trustee to pay each month.

Because the plan proposed by the debtor is not confirmable, the debtor will be given a further opportunity to confirm a plan. But, if the debtor is unable to confirm a plan within a reasonable period of time, the court concludes that the prejudice to creditors will be substantial and that there will then be cause for dismissal. If the debtor has not confirmed a plan within 75 days, the case will be dismissed on the trustee's ex parte application.

12. 15-20164-B-13 GEORGE NJENGE AND RACHEL
JPJ-2 EKinDESONE

MOTION TO
DISMISS CASE
2-18-15 [19]

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

Tentative Ruling: The motion will be granted and the case will be dismissed unless the debtor wished to move to convert the case to one under chapter 11.

According to the schedules, in particular, Schedules E and F, filed by the debtor when the petition was filed, the debtor owed noncontingent, liquidated debt totaling \$854,268.13. The Ninth Circuit requires the bankruptcy court based on the debtor's statements in the schedules as to the amount and nature of the debtor's debts. The court may not look beyond the schedules unless the schedules were filed in bad faith. Here, the trustee is relying on the schedules as filed by the debtor. Those schedules are under penalty of perjury and establish that the debtor's unsecured debt exceeds \$383,175, the maximum noncontingent, liquidated debt a chapter 13 debtor may have when the case is filed.

proposed plan will reduce or eliminate a secured claim based on the value of its collateral or the avoidability of a lien pursuant to 11 U.S.C. § 522(f), the debtor must file, serve, and set for hearing a valuation motion and/or a lien avoidance motion. The hearing must be concluded before or in conjunction with the confirmation of the plan. If a motion is not filed, or it is unsuccessful, the Court may deny confirmation of the plan."

Because the plan proposed by the debtor is not confirmable, the debtor will be given a further opportunity to confirm a plan. But, if the debtor is unable to confirm a plan within a reasonable period of time, the court concludes that the prejudice to creditors will be substantial and that there will then be cause for dismissal. If the debtor has not confirmed a plan within 75 days, the case will be dismissed on the trustee's ex parte application.

15. 15-21472-A-13 RIGOBERTO/FELIX RODRIGUEZ OBJECTION TO
APN-1 CONFIRMATION OF PLAN
WELLS FARGO BANK, N.A. VS. 3-25-15 [16]
- ☐ Telephone Appearance
☐ Trustee Agrees with Ruling

Tentative Ruling: Because this hearing on an objection to the confirmation of the proposed chapter 13 plan was set pursuant to the procedure required by Local Bankruptcy Rule 3015-1(c)(4), the debtor was not required to file a written response. If no opposition is offered at the hearing, the court will take up the merits of the objection. Below is the court's tentative ruling, rendered on the assumption that there will be no opposition. Obviously, if there is opposition, the court may reconsider this tentative ruling.

The objection will be sustained in part.

To the extent the creditor objects to the valuation of its collateral the objection is premature because there is no motion to value its collateral. Hence, its claim is determined by the proof of claim the creditor files, not the plan.

However, because the debtor has failed to file a valuation motion, the debtor cannot prove that the monthly dividend and interest rate proposed for the objecting creditor's claim will adequately protect its interest in the vehicle and pay it the present value of the claim.

16. 15-20379-A-13 ALBERTO/KATHARINE OBREGON MOTION TO
PGM-1 VALUE COLLATERAL
VS. SIERRA CENTRAL CREDIT UNION 2-5-15 [16]
- ☐ Telephone Appearance
☐ Trustee Agrees with Ruling

Tentative Ruling: The motion will be denied.

The debtor has filed a valuation motion in connection with a proposed chapter 13 plan. The valuation motion addresses the value of a 2012 Ford Escape that secures Sierra Central Credit Union's Class 2 claim. While the debtor has opined that the vehicle has a value of \$15,000 based on the vehicle's model year, 31,000 miles, and minor condition problems (such as cracked windshield, old tires, dirty seats, noisy side windows), no specific information is given in the motion regarding equipment and accessories. No evidence has been

presented by the debtor indicating the extent to which these conditions problems affect value.

The credit union counters that the value of the vehicle is \$19,557 based on a retail evaluation by the Kelley Blue Book.

To the extent the objection urges the court to reject the debtor's opinion of value because the debtor's opinion is not admissible, the court instead rejects the objection. As the owner of the vehicle, the debtor is entitled to express an opinion as to the vehicle's value. See Fed. R. Evid. 701; So. Central Livestock Dealers, Inc., v. Security State Bank, 614 F.2d 1056, 1061 (5th Cir. 1980).

Any opinion of value by the owner must be expressed without giving a reason for the valuation. Barry Russell, Bankruptcy Evidence Manual, § 701.2, p. 1278-79 (2007-08). Indeed, unless the owner also qualifies as an expert, it is improper for the owner to give a detailed recitation of the basis for the opinion. Only an expert qualified under Fed. R. Evid. 702 may rely on and testify as to facts "of a type reasonably relied upon by experts in the particular field in forming opinions or inferences upon the subject. . . ." Fed. R. Evid. 703. "For example, the average debtor-homeowner who testifies in opposition to a motion for relief from the § 362 automatic stay, should be limited to giving his opinion as to the value of his home, but should not be allowed to testify concerning what others have told him concerning the value of his or comparable properties unless, the debtor truly qualifies as an expert under Rule 702 such as being a real estate broker, etc." Barry Russell, Bankruptcy Evidence Manual, § 701.2, p. 1278-79 (2007-08).

The creditor has come forward with evidence that the replacement value of the vehicle, based on its retail value as reported by the Kelley Blue Book, is \$19,557. This valuation, however, presumes the condition of the vehicle is excellent. See <http://www.kbb.com> (indicating that retail "value assumes the vehicle has received the cosmetic and/or mechanical reconditioning needed to qualify it as 'Excellent'" and that "this is not a transaction value; it is representative of a dealer's asking price and the starting point for negotiation").

The vehicle must be valued at its replacement value. In the chapter 13 context, the replacement value of personal property used by a debtor for personal, household or family purposes is "the price a retail merchant would charge for property of that kind considering the age and condition of the property at the time value is determined." See 11 U.S.C. § 506(a)(2).

The retail value suggested by the creditor cannot be relied upon by the court to establish the vehicle's replacement value. First, the creditor's retail value assumes that the vehicle is in excellent condition. This is not based on any facts, at least facts proven to the court. 11 U.S.C. § 506(a)(2) asks for "the price a retail merchant would charge for property of that kind considering the age and condition of the property at the time value is determined." That is, what would a retailer charge for the vehicle as it is?

Nor has the debtor proven to the court's satisfaction the replacement value of the vehicle. There is no evidence from the debtor on this point. The debtor's opinion of value, at best is what they could sell it for. To the extent the debtor is asserting that \$15,000 is the retail value the debtor has not been qualified as an expert on this issue. Thus, the debtor's opinion of value is an inadmissible lay opinion. See Fed. R. Evid. 701(c) (prohibiting lay

witnesses from testifying in the form of opinions based on scientific, technical or other specialized knowledge). The court does not have any other evidence of value.

While neither party has persuaded the court as to the replacement value of the vehicle under section 506(a)(2), it is the debtor who has the burden of proof. Accordingly, the valuation motion must be denied.

Accordingly, the motion will be denied.

17. 13-34387-A-13 BRANDON/RACHELLE SCHWAB MOTION FOR
APN-1 RELIEF FROM AUTOMATIC STAY
SANTANDER CONSUMER USA, INC. VS. 3-20-15 [81]

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

Tentative Ruling: The motion will be granted.

The motion will be granted pursuant to 11 U.S.C. § 362(d)(1) to permit the movant to repossess its collateral, to dispose of it pursuant to applicable law, and to use the proceeds from its disposition to satisfy its claim. No other relief is awarded.

The plan provides for payment in full of the movant's secured claim as a Class 2 secured claim. Class 2 secured claims are paid in full through the plan and without maintenance of post-petition contract installments. The debtor has failed to make all payments required by the plan and has been in continuous default since July 2014. This has delayed payments to the movant and is a material breach of the plan that has delayed payment of the movant's claim while the debtor continues to use and depreciate the movant's collateral. This cause to terminate the automatic stay. The court also notes that the debtor has proposed six plans during a one year period and the last time the court considered a plan for confirmation, the debtor had failed to make the payments required by the proposed plan.

Because the movant has not established that the value of its collateral exceeds the amount of its claim, the court awards no fees and costs. 11 U.S.C. § 506(b).

The 14-day period specified in Fed. R. Bankr. P. 4001(a)(3) will be waived.

18. 15-21389-A-13 MARIA VEGA ORDER TO
SHOW CAUSE
3-31-15 [17]

- ☐ Telephone Appearance
- ☐ Trustee Agrees with Ruling

Tentative Ruling: The case will be dismissed.

The debtor was given permission to pay the filing fee in installments pursuant to Fed. R. Bankr. P. 1006(b). The installment in the amount of \$79 due on March 26 was not paid. This is cause for dismissal. See 11 U.S.C. § 1307(c)(2).

FINAL RULINGS BEGIN HERE

19. 13-27002-A-13 RICHARD ROBERTS OBJECTION TO
JPJ-2 CLAIM
VS. THE TOWNES AT PARK RIDGE HOA 3-5-15 [142]

Final Ruling: This objection to the proof of claim of The Townes at Park Ridge HOA has been set for hearing on at least 44 days' notice to the claimant as required by Local Bankruptcy Rule 3007-1(c)(1)(ii). The failure of the claimant to file written opposition at least 14 calendar days prior to the hearing is considered as consent to the sustaining of the objection. Cf. Ghazali v. Moran, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the objecting party, an actual hearing is unnecessary. See Boone v. Burk (In re Eliapo), 468 F.3d 592 (9th Cir. 2006). Therefore, the claimant's default is entered and the objection will be resolved without oral argument.

The objection will be sustained. The last date to file a timely proof of claim was December 17, 2014. The proof of claim was filed on February 10, 2015. Pursuant to 11 U.S.C. § 502(b)(9) and Fed. R. Bankr. P. 3002(c), the claim is disallowed because it is untimely. See In re Osborne, 76 F.3d 306 (9th Cir. 1996); In re Edelman, 237 B.R. 146, 153 (B.A.P. 9th Cir. 1999); Ledlin v. United States (In re Tomlan), 907 F.2d 114 (9th Cir. 1989); Zidell, Inc. V. Forsch (In re Coastal Alaska), 920 F.2d 1428, 1432-33 (9th Cir. 1990).

20. 13-34810-A-13 AARON/ANDREA JOHNSON OBJECTION TO
JPJ-2 CLAIM
VS. HSBC MORTGAGE SERVICES 3-5-15 [41]

Final Ruling: This objection to the proof of claim of HSBC Mortgage Services has been set for hearing on at least 44 days' notice to the claimant as required by Local Bankruptcy Rule 3007-1(c)(1)(ii). The failure of the claimant to file written opposition at least 14 calendar days prior to the hearing is considered as consent to the sustaining of the objection. Cf. Ghazali v. Moran, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the objecting party, an actual hearing is unnecessary. See Boone v. Burk (In re Eliapo), 468 F.3d 592 (9th Cir. 2006). Therefore, the claimant's default is entered and the objection will be resolved without oral argument.

The objection will be sustained. The last date to file a timely proof of claim was March 19, 2014. The proof of claim was filed on January 9, 2015. Pursuant to 11 U.S.C. § 502(b)(9) and Fed. R. Bankr. P. 3002(c), the claim is disallowed because it is untimely. See In re Osborne, 76 F.3d 306 (9th Cir. 1996); In re Edelman, 237 B.R. 146, 153 (B.A.P. 9th Cir. 1999); Ledlin v. United States (In re Tomlan), 907 F.2d 114 (9th Cir. 1989); Zidell, Inc. V. Forsch (In re Coastal Alaska), 920 F.2d 1428, 1432-33 (9th Cir. 1990).

21. 15-22024-B-13 TOBY/GERALDINE HALL MOTION TO
MS-1 VALUE COLLATERAL
VS. WELLS FARGO BANK, N.A. 3-16-15 [10]

Final Ruling: This valuation motion has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the trustee and the respondent creditor to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered as consent to the granting of the motion. Cf. Ghazali v. Moran, 46 F.3d 52, 53

(9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. See Boone v. Burk (In re Eliapo), 468 F.3d 592 (9th Cir. 2006). Therefore, the defaults of the trustee and the respondent creditor are entered and the matter will be resolved without oral argument.

The motion will be granted.

The debtor seeks to value the debtor's residence at a fair market value of \$599,445 as of the date the petition was filed. It is encumbered by a first deed of trust held by Ocwen Loan Servicing. The first deed of trust secures a loan with a balance of approximately \$859,866.07 as of the petition date. Therefore, Wells Fargo Bank's claim secured by a junior deed of trust is completely under-collateralized. No portion of this claim will be allowed as a secured claim. See 11 U.S.C. § 506(a).

Any assertion that the respondent's claim cannot be modified because it is secured only by a security interest in real property that is the debtor's principal residence is disposed of by In re Zimmer, 313 F.3d 1220 (9th Cir. 2002) and In re Lam, 211 B.R. 36 (B.A.P. 9th Cir. 1997). See also In re Bartee, 212 F.3d 277 (5th Cir. 2000); In re Tanner, 217 F.3d 1357 (11th Cir. 2000); McDonald v. Master Fin., Inc. (In re McDonald), 205 F.3d 606, 611-13 (3rd Cir. 2000); and Domestic Bank v. Mann (In re Mann), 249 B.R. 831, 840 (B.A.P. 1st Cir. 2000).

Because the claim is completely under-secured, no interest need be paid on the claim except to the extent otherwise required by 11 U.S.C. § 1325(a)(4). If the secured claim is \$0, because the value of the respondent's collateral is \$0, no interest need be paid pursuant to 11 U.S.C. § 1325(a)(5)(B)(ii).

Any argument that the plan, by valuing the respondent's security and providing the above treatment, violates In re Hobdy, 130 B.R. 318 (B.A.P. 9th Cir. 1991), will be overruled. The plan is not an objection to the respondent's proof of claim pursuant to Fed. R. Bankr. P. 3007 and 11 U.S.C. § 502. The plan makes provision for the treatment of the claim and all other claims, and a separate valuation motion has been filed and served as permitted by Fed. R. Bankr. P. 3012 and 11 U.S.C. § 506(a). The plan was served by the trustee on all creditors, and the motion to value collateral was served by the debtor with a notice that the collateral for the respondent's claim would be valued. That motion is supported by a declaration of the debtor as to the value of the real property. There is nothing about the process for considering the valuation motion which amounts to a denial of due process.

To the extent the respondent objects to valuation of its collateral in a contested matter rather than an adversary proceeding, the objection is overruled. Valuations pursuant to 11 U.S.C. § 506(a) and Fed. R. Bankr. P. 3012 are contested matters and do not require the filing of an adversary proceeding. Further, even if considered in the nature of a claim objection, an adversary proceeding is not required. Fed. R. Bankr. P. 3007. It is only when such a motion or objection is joined with a request to determine the extent, validity or priority of a security interest, or a request to avoid a lien that an adversary proceeding is required. Fed. R. Bankr. P. 7001(2). The court is not determining the validity of a claim or avoiding a lien or security interest. The respondent's deed of trust will remain of record until the plan is completed. This is required by 11 U.S.C. § 1325(a)(5)(B)(I). Once the plan is completed, if the respondent will not reconvey its deed of trust, the court will entertain an adversary proceeding. See also 11 U.S.C. § 1325(a)(5)(B)(I).

In the meantime, the court is merely valuing the respondent's collateral. Rule 3012 specifies that this is done by motion. Rule 3012 motions can be filed and heard any time during the case. It is particularly appropriate that such motions be heard in connection with the confirmation of a plan. The value of collateral will set the upper bounds of the amount of the secured claim. 11 U.S.C. § 506(a). Knowing the amount and character of claims is vital to assessing the feasibility of a plan, 11 U.S.C. § 1325(a)(6), and determining whether the treatment accorded to secured claims complies with 11 U.S.C. § 1325(a)(5).

To the extent the creditor objects to the debtor's opinion of value, that objection is also overruled, particularly in light of its failure to file any contrary evidence of value. According to the debtor, the residence has a fair market value of \$599,445. Evidence in the form of the debtor's declaration supports the valuation motion. The debtor may testify regarding the value of property owned by the debtor. Fed. R. Evid. 701; So. Central Livestock Dealers, Inc., v. Security State Bank, 614 F.2d 1056, 1061 (5th Cir. 1980).

22. 13-30825-A-13 CHRISTOPHER/WENDY THOMAS MOTION TO
SS-3 APPROVE COMPENSATION OF DEBTORS'
ATTORNEY
3-10-15 [66]

Final Ruling: This compensation motion has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1) and Fed. R. Bankr. R. 2002(a)(6). The failure of the trustee, the debtor, the United States Trustee, the creditors, and any other party in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered as consent to the granting of the motion. Cf. Ghazali v. Moran, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. See Boone v. Burk (In re Eliapo), 468 F.3d 592 (9th Cir. 2006). Therefore, the defaults of the above-mentioned parties in interest are entered and the matter will be resolved without oral argument.

The motion seeks approval of \$1,895 in additional fees incurred principally in taking over the case from an earlier attorney and obtaining modification of the confirmed plan. The foregoing represents reasonable compensation for actual, necessary, and beneficial services rendered to the debtor. Any retainer may be drawn upon and the balance of the approved compensation is to be paid through the plan in a manner consistent with the plan and Local Bankruptcy Rule 2016-1, if applicable.

23. 15-21526-A-13 DEE LINDERER OBJECTION TO
JPJ-1 CONFIRMATION OF PLAN AND MOTION TO
DISMISS CASE
3-31-15 [15]

Final Ruling: The court finds that a hearing will not be helpful to its consideration and resolution of this matter. Accordingly, it is removed from calendar for resolution without oral argument.

The objection will be sustained and the motion to dismiss the case will be conditionally denied.

To pay the dividends required by the plan and the rate proposed by it will take 98 months which exceeds the maximum 5-year duration permitted by 11 U.S.C. §

1322(d) .

Because the plan proposed by the debtor is not confirmable, the debtor will be given a further opportunity to confirm a plan. But, if the debtor is unable to confirm a plan within a reasonable period of time, the court concludes that the prejudice to creditors will be substantial and that there will then be cause for dismissal. If the debtor has not confirmed a plan within 75 days, the case will be dismissed on the trustee's ex parte application.

24. 11-39045-A-13 SERGIO/SANDRA VILLASENOR OBJECTION TO
JPJ-2 CLAIM
VS. NAVIENT SOLUTIONS, INC. 3-5-15 [60]

Final Ruling: This objection to the proof of claim of Navient Solutions, Inc., has been set for hearing on at least 44 days' notice to the claimant as required by Local Bankruptcy Rule 3007-1(c)(1)(ii). The failure of the claimant to file written opposition at least 14 calendar days prior to the hearing is considered as consent to the sustaining of the objection. Cf. Ghazali v. Moran, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the objecting party, an actual hearing is unnecessary. See Boone v. Burk (In re Eliapo), 468 F.3d 592 (9th Cir. 2006). Therefore, the claimant's default is entered and the objection will be resolved without oral argument.

The objection will be sustained. The last date to file a timely proof of claim was December 7, 2011. The proof of claim was filed on February 16, 2015. Pursuant to 11 U.S.C. § 502(b)(9) and Fed. R. Bankr. P. 3002(c), the claim is disallowed because it is untimely. See In re Osborne, 76 F.3d 306 (9th Cir. 1996); In re Edelman, 237 B.R. 146, 153 (B.A.P. 9th Cir. 1999); Ledlin v. United States (In re Tomlan), 907 F.2d 114 (9th Cir. 1989); Zidell, Inc. V. Forsch (In re Coastal Alaska), 920 F.2d 1428, 1432-33 (9th Cir. 1990).

25. 15-21752-A-13 WILFREDO/FE ONA MOTION TO
SDB-1 AVOID JUDICIAL LIEN
VS. CAPITAL ONE BANK (USA), N.A. 3-17-15 [15]

Final Ruling: This motion to avoid a judicial lien has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the trustee and the respondent creditor to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered as consent to the granting of the motion. Cf. Ghazali v. Moran, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. See Boone v. Burk (In re Eliapo), 468 F.3d 592 (9th Cir. 2006). Therefore, the defaults of the trustee and the respondent creditor are entered and the matter will be resolved without oral argument.

The motion will be granted pursuant to 11 U.S.C. § 522(f)(1)(A). The subject real property had an approximate value of \$440,000 as of the petition date. The unavoidable liens totaled \$685,920.93 on that same date. The debtor claimed an exemption in the amount of \$100.

The respondent holds a judicial lien created by the recordation of an abstract of judgment in the chain of title of the subject real property. After application of the arithmetical formula required by 11 U.S.C. § 522(f)(2)(A), there is no equity to support the judicial lien. Therefore, the fixing of this judicial lien impairs the debtor's exemption of the real property and its

fixing will be avoided subject to 11 U.S.C. § 349(b) (1) (B) .

26. 15-20164-B-13 GEORGE NJENGE AND RACHEL MOTION TO
DRE-1 EKINDESONE VALUE COLLATERAL
VS. BANK OF AMERICA 2-26-15 [23]

Final Ruling: This valuation motion has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f) (1). The failure of the trustee and the respondent creditor to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f) (1) (ii) is considered as consent to the granting of the motion. Cf. Ghazali v. Moran, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. See Boone v. Burk (In re Eliapo), 468 F.3d 592 (9th Cir. 2006). Therefore, the defaults of the trustee and the respondent creditor are entered and the matter will be resolved without oral argument.

The motion will be granted.

The debtor seeks to value the debtor's residence at a fair market value of \$228,000 as of the date the petition was filed. It is encumbered by a first deed of trust held by Bank of America. The first deed of trust secures a loan with a balance of approximately \$297,744 as of the petition date. Therefore, Bank of America's other claim secured by a junior deed of trust is completely under-collateralized. No portion of this claim will be allowed as a secured claim. See 11 U.S.C. § 506(a) .

Any assertion that the respondent's claim cannot be modified because it is secured only by a security interest in real property that is the debtor's principal residence is disposed of by In re Zimmer, 313 F.3d 1220 (9th Cir. 2002) and In re Lam, 211 B.R. 36 (B.A.P. 9th Cir. 1997). See also In re Barte, 212 F.3d 277 (5th Cir. 2000); In re Tanner, 217 F.3d 1357 (11th Cir. 2000); McDonald v. Master Fin., Inc. (In re McDonald), 205 F.3d 606, 611-13 (3rd Cir. 2000); and Domestic Bank v. Mann (In re Mann), 249 B.R. 831, 840 (B.A.P. 1st Cir. 2000) .

Because the claim is completely under-secured, no interest need be paid on the claim except to the extent otherwise required by 11 U.S.C. § 1325(a) (4). If the secured claim is \$0, because the value of the respondent's collateral is \$0, no interest need be paid pursuant to 11 U.S.C. § 1325(a) (5) (B) (ii) .

Any argument that the plan, by valuing the respondent's security and providing the above treatment, violates In re Hobdy, 130 B.R. 318 (B.A.P. 9th Cir. 1991), will be overruled. The plan is not an objection to the respondent's proof of claim pursuant to Fed. R. Bankr. P. 3007 and 11 U.S.C. § 502. The plan makes provision for the treatment of the claim and all other claims, and a separate valuation motion has been filed and served as permitted by Fed. R. Bankr. P. 3012 and 11 U.S.C. § 506(a). The plan was served by the trustee on all creditors, and the motion to value collateral was served by the debtor with a notice that the collateral for the respondent's claim would be valued. That motion is supported by a declaration of the debtor as to the value of the real property. There is nothing about the process for considering the valuation motion which amounts to a denial of due process.

To the extent the respondent objects to valuation of its collateral in a contested matter rather than an adversary proceeding, the objection is overruled. Valuations pursuant to 11 U.S.C. § 506(a) and Fed. R. Bankr. P.

In the meantime, the court is merely valuing the respondent's collateral. Rule 3012 specifies that this is done by motion. Rule 3012 motions can be filed and heard any time during the case. It is particularly appropriate that such motions be heard in connection with the confirmation of a plan. The value of collateral will set the upper bounds of the amount of the secured claim. 11 U.S.C. § 506(a). Knowing the amount and character of claims is vital to assessing the feasibility of a plan, 11 U.S.C. § 1325(a)(6), and determining whether the treatment accorded to secured claims complies with 11 U.S.C. § 1325(a)(5).

27. 15-20484-A-13 CHRISTOPHER WEBB OBJECTION TO
JPJ-2 EXEMPTIONS
3-19-15 [41]

A debtor's exemptions are determined as of the date the bankruptcy petition is filed. Owen v. Owen, 500 U.S. 305, 314 (1991); see also In re Chappell, 373 B.R. 73, 77 (B.A.P. 9th Cir. 2007) (holding that "critical date for determining exemption rights is the petition date"). Thus, the court applies the facts and law existing on the date the case was commenced to determine the nature and extent of the debtor's exemptions.

11 U.S.C. § 522(b)(1) permits the states to opt out of the federal exemption statutory scheme set forth in section 522(d). In enacting Cal. Civ. Proc. Code § 703.130, the State of California opted out of the federal exemption scheme relegating a debtor to whatever exemptions are provided under state law. Thus, substantive issues regarding the allowance or disallowance of a claimed exemption are governed by state law in California.

California state law gives debtors filing for bankruptcy the right to choose (1) a set of state law exemptions similar but not identical to the Bankruptcy Code exemptions; or (2) California's regular non-bankruptcy exemptions. See Cal. Civ. Proc. Code §§ 703.130, 703.140. In the case of a married debtor, if either spouse files for bankruptcy individually, California's regular non-bankruptcy exemptions apply unless, while the bankruptcy case is pending, both spouses waive in writing the right to claim the regular non-bankruptcy state exemptions in any bankruptcy proceeding filed by the other spouse. See Cal. Civ. Proc. Code § 703.140(a)(2).

Here, the debtor is asserting the exemptions of Cal. Civ. Proc. Code § 703.140(b), which require a spousal waiver. That waiver was not filed with the petition.

28. 14-20086-A-13 DANETTE PALLADINO
RJ-3

MOTION TO
MODIFY PLAN
3-10-15 [49]

Final Ruling: The motion will be dismissed without prejudice.

The motion does not comply with Local Bankruptcy Rule 9014-1(e)(3) because when it was filed it was not accompanied by a separate proof/certificate of service. Appending a proof of service to one of the supporting documents (assuming such was done) does not satisfy the local rule. The proof/certificate of service must be a separate document so that it will be docketed on the electronic record. This permits anyone examining the docket to determine if service has been accomplished without examining every document filed in support of the matter on calendar. Given the absence of the required proof/certificate of service, the moving party has failed to establish that the motion was served on all necessary parties in interest.
