APRIL 24, 2025 POST-TRIAL STATUS CONFERENCE

A judicial mediation session was conducted on April 18, 2025. The Parties report XXXXXXX

APRIL 16, 2025 POST-TRIAL STATUS CONFERENCE

On March 6, 2025, the court concluded the Trial in this Adversary Proceeding and set a continued trial date for orally rendering the decision on the record on March 26, 2025. Civ. Min.; Dckt. 97. After the trial and prior to the decision being issued, the Parties requested a post-trial/pre decision judicial mediation. The court entered the Order granting the Motion and setting a judicial mediation before the Hon. Christopher D Jaime. Order; Dckt. 103. The Judicial Mediation is set for 10:00 a.m. on April 18, 2025.

The court continues the Post-Trial Status Conference to 11:00 a.m. on April 24, 2025, for court administrative purposes to keep a timely eye on this matter. If the Parties conclude after the first mediation session that additional time is required, or they simply need time to document a mutually agreeable settlement, they may file a simple request for further continuance of the Post Trial Status Conference and suggestion continuance period.

The continuance does not have to be a day for which the court has a calendar already set, but may be specially set to a date and time that the parties deem to be the most conducive for their good faith, production settlement discussions. (With the use of digital recording for the hearings, the court has much more flexibility in accommodating the schedules of the parties and their counsel.

The Post-Trial Status Conference is continued to 11:00 a.m. on April 24, 2025.
