

UNITED STATES BANKRUPTCY COURT

Eastern District of California

Honorable Christopher M. Klein
Bankruptcy Judge
Sacramento, California

1.	13-33000 -C-13	DONALD/JANICE RUBIN	MOTION TO DISMISS CASE
	DPC-3	Peter Macaluso	6-27-17 [46]

Final Ruling: No appearance at the July 26, 2017 hearing is required.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss the Bankruptcy Case is dismissed without prejudice.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on June 27, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor's plan will complete in 86 months rather than the 60 months proposed as Class 5 Priority claims were \$41,345.17 greater than scheduled.

Debtor's Response

Debtor responds that a modified plan will be filed prior to the hearing.

The court notes that no modified plan is on file. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on May 6, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to deny the Motion to Dismiss and the case is not dismissed.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor failed to file all tax returns, specifically from years 2016, 2015 and 2014.
- B. Debtor has failed to provide all documentation to the Trustee despite specific request from the Trustee.

Debtor responded that the 2014 and 2015 taxes have been filed and the 2017 tax return will be filed before October 15, 2017. Debtor asserts that business documents have been provided to the Trustee.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is denied and the case is not dismissed.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on May 15, 2017. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor appears to be over the secured debt limit as outlined in 11 U.S.C. § 109(e). Debtor lists secured debt totaling \$1,783,325.00

The case was continued to allow further briefing on the debt limit issue. Debtor filed a response stating that the under secured portion of the claim owed to Bank of America in this case should not count against the debt limit because the debtor previously received a chapter 7 discharge.

The Trustee responds by arguing that because the debtor owes that money to Bank of America, and because Bank of America has an allowed secured claim, that claim must count against the debt limit.

Discussion

The court understands the arguments advanced by both parties. The fundamental question underlying this issue is what is the character of an under-secured mortgage lien after a debtor receives a chapter 7 discharge?

The answer to that question is not up for debate. The Supreme Court itself has shone clarity on this issue in its ruling in Johnson v. Home State Bank, 501 U.S. 78 (1991). In very plain language, the Court stated that, in the case of an under-secured mortgage debt's character after a debtor obtains a chapter 7 discharge, "there can be no doubt that the surviving mortgage interest corresponds to an 'enforceable obligation' of the debtor." Therefore, the Court held that an entire mortgage debt must be allowed as a claim and a creditor has the ability to recover up to all of the amount of the claim (depending on the value of the asset). The entire lien amount is a claim pursuant to 11

U.S.C. 101(5) as a claim against property of the debtor.

The law of this circuit is that there is no distinction between debts and claims. Pursuant to several Ninth Circuit Bankruptcy Appellate Panel and California Bankruptcy Court decisions, the rule for dealing with mortgage liens in “Chapter 20” cases is that “pursuant to Nobleman, the undersecured liens could not be bifurcated, and therefore any “undersecured” debt would nonetheless be treated as secured debt.” In re Blackwell, 514 B.R. 19, 26 (N.D. California Bankr. 2014).

The debtor requests that the under-secured portion of the \$1.7 million mortgage claim not count towards the unsecured debt limit of § 109(e) AND that only the value of the lien secured by the scheduled value of the property count towards the secured debt limit of § 109(e). Debtor’s attempt to strip off a portion of a primary mortgage lien in a chapter 13 using a previous chapter 7 discharge flies directly in the face of this district’s approach towards the required treatment of mortgage liens in “chapter 20s.” See In re Grounder, 266 B.R. 879 (E.D. California Bankr. 2001) (holding that debtors must provide for the unsecured portion of a previously discharged mortgage lien in a chapter 13 plan).

The debtor argues that the unsecured portion of the mortgage lien should not count against the unsecured debt limit because the debtor is no longer personally liable on the debt. However, it is beyond cavil that the creditor owns a non-recourse loan for the full amount of the lien. Therefore, the court sees no legal basis, and the debtor introduces no argument to the contrary, for allowing the debtor to include less than the full amount of the lien in the secured debt limit calculation of § 109(e).

Until the property is sold, the creditor has a claim for the full amount of the lien. Until the property is sold, the lien survives in its full amount. Therefore, the entire amount of the lien is counted towards the secured debt limit under § 109(e). As a result, this debtor is above the secured debt limit, and the case will be dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on July 6, 2017. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is \$1,373.00 delinquent in plan payments. The debtor has paid \$14,702.00 into the plan to date.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. §§ 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

MOTION TO DISMISS CASE
6-8-17 [[39](#)]

Final Ruling: No appearance at the July 26, 2017 hearing is required.

The case being dismissed pursuant to court order on June 22, 2017, **the Motion to Dismiss the Bankruptcy Case was dismissed without prejudice, and the matter is removed from the calendar .**

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on July 6, 2017. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is \$1,500.00 delinquent in plan payments. The debtor has paid \$4,385.00 into the plan to date.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. §§ 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Final Ruling: No appearance at the July 26, 2017 hearing is required.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on June 28, 2017. By the court's calculation, 28 days' notice was provided. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor failed to appear to the First Meeting of Creditors. The next meeting of creditors is scheduled to be August 17, 2017.
- B. Debtor is \$4,797.40 delinquent in plan payments to the Trustee. Debtor has made no plan payments to date.
- C. Debtor has failed to provide the Trustee with a tax transcript or a copy of his Federal Income Tax Return with attachments for the most recent pre-petition tax year for which a return was required.
- D. Debtor has failed to provide the Trustee with certain business documents.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Final Ruling: No appearance at the July 26, 2017 hearing is required.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss the Bankruptcy Case is dismissed without prejudice.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on May 3, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtors' plan does not clearly state the monthly plan payment amount. The debtors have paid \$0 into the plan to date.
- B. Debtors failed to appear to the First Meeting of Creditors.
- C. Debtors have failed to provide the Trustee with tax returns from the most recent pre-petition year for which a return was required.
- D. Debtors' amended plan has not been served on all interested parties.

Debtor has not filed a response, however it appears that the debtor and/or counsel for the debtor has had health problems. As a result, this hearing may be continued if needed to allow the debtors an appropriate amount of time to file a response.

The court notes that if the debtors make the payments they intend to make the Motion will be denied. The court does not currently have evidence of the debtors' payments. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes
for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the

The Order to Show Cause is discharged. No appearance required.

The fees having been dismissed, the Order to Show Cause is discharged.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Order to Show Cause having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Order to Show Cause is discharged as the case has been dismissed.

Final Ruling: No appearance at the July 26, 2017 hearing is required.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss the Bankruptcy Case is dismissed without prejudice.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on June 16, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor's plan in Section 1.02 states that "Debtor to turnover all tax refunds received during the life of the plan." Debtor received a tax refund and did not turn it over to the Trustee.

Debtor's Response

Debtor responds that the tax refund was used for the necessary support and maintenance for the household of the debtor.

The debtor is in default of the material provisions of the plan which state unequivocally that tax refunds received by the debtor must be turned over to the Trustee. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

ORDER TO SHOW CAUSE - FAILURE
TO PAY FEES
6-26-17 [[18](#)]

Final Ruling: No appearance at the July 26, 2017 hearing is required.

Final Ruling: The court issued an order to show cause based on Debtor's failure to pay the required fees in this case (\$56.00 due on June 20, 2017 for the filing of the petition). The court docket reflects that on June 26, 2017, the Debtors paid the fees upon which the Order to Show Cause was based.

The Order to Show Cause is discharged. No appearance required.

The fees having been paid, the Order to Show Cause is discharged.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Order to Show Cause having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Order to Show Cause is discharged, no sanctions are ordered, and the case shall proceed.

Final Ruling: No appearance at the July 26, 2017 hearing is required.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on June 28, 2017. By the court's calculation, 28 days' notice was provided. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$1,878.00. Debtor has paid \$0 into the plan to date.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on July 7, 2017. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is \$1,300.00 delinquent in plan payments. The debtor has paid \$650.00 into the plan to date.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. §§ 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If no opposition is offered at the hearing, the court will take up the merits of the motion.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is \$3,648.34 delinquent in plan payments. The debtor has paid \$24,316.78 into the plan to date.

The court continued the case to allow debtors to file an amended plan. An amended plan has been filed and set for hearing on August 1, 2017. The court will continue the Motion to Dismiss to September 6, 2017 at 9:00 a.m. to see the outcome of the Motion to Modify.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is continued to September 6, 2017 at 9:00 a.m.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on June 9, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to deny the Motion to Dismiss and the case is not dismissed.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Trustee's objection to confirmation was sustained on May 9, 2017. Debtor has not filed an amended plan or set a plan for confirmation.

Debtor's Response

Debtor responds that a modified plan has been filed.

The court notes that a Modified Chapter 13 plan has been filed and is set for hearing on August 29, 2017. The court has reviewed the Motion to Confirm the Modified Plan and the Declaration in support filed by the Debtors. The Motion appears to comply with Federal Rule of Bankruptcy Procedure 9013 (stating grounds with particularity) and the Declaration appears to provide testimony as to facts to support confirmation based upon personal knowledge (Fed. R. Evid. 601, 602).

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is denied and the case is not dismissed.

The court's decision is to continue the Motion to Dismiss to September 6, 2017 at 9:00 a.m.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor has yet to file an amended plan after the Motion to Confirm was denied on December 20, 2016.

Debtor's Response

Debtor responds that affirmative action has been taking place in order to get a plan confirmed and requests additional time to gather information, specifically tax returns, in order to propose a plan.

The court continued this hearing to July 26, 2017 at 9:00 a.m. in order to give the debtor time to gather the requisite information and set a plan confirmation hearing.

The debtor filed a status report indicating that most of the required information has been provided to the Trustee, but a 2014 tax return is still being obtained. The debtor requests an additional continuance if the tax return has not been obtained prior to the hearing. The court is inclined to grant another continuance to September 6, 2017 as it appears the debtor is actively attempting to provide all required documentation to the court and Trustee.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$4,780.00. Debtor has paid \$4,780.00 into the plan to date.
- B. Debtor's Motion to Confirm was denied on April 4, 2017 and the debtor has yet to file an amended plan and set it for confirmation.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on July 5, 2017. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is \$4,366.00 delinquent in plan payments. The debtor has paid \$2,894.00 into the plan to date.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. §§ 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on July 7, 2017. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is \$3,900.00 delinquent in plan payments. The debtor has paid \$72,100.00 into the plan to date.
- B. Debtor filed a notice with the court indicating debtor's intention to commence loan modification trial period payments, however the plan specifically states in § 6.03 that "The Debtor shall not commence making payments under the terms of the loan modification until it has been approved by the court." No approval for loan modification has been filed.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. § § 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted
and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$952.00.
- B. Debtor has failed to provide the Trustee with a tax transcript or a copy of Federal Income Tax Returns with attachments for the most recent pre-petition tax year for which a return was required.
- C. Debtor has failed to provide Trustee with Employer Payment Advices.
- D. One of the debtors failed to appear at the Meeting of Creditors. The Meeting of Creditors was continued to July 20, 2017 where both debtors appeared.
- E. The case was filed on April 28, 2017 but the debtor has yet to confirm a plan. The debtor filed an Amended Plan on June 12, 2017 but did not set a confirmation hearing date.

Debtor's Response

Debtors respond they will be current as of the date of the hearing. Debtors assert that a hearing date has been set for the amended plan.

The court notes that there is no evidence of tax returns or Employer Payment Advices being provided to the Trustee. Debtors appear to have followed other requirements, and if the Trustee has been provided with the necessary documentation, the court will deny the motion. However, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes

for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

A. Debtor is \$2,675.00 delinquent in plan payments. The debtor has paid \$19,376.00 into the plan to date.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. §§ 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

Debtor's Response

Debtors respond that the plan is no longer feasible and that the debtors will be seeking to file for conversion prior to the date of the hearing.

The court notes that no request for conversion has been filed. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on February 1, 2017. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to continue the Motion to Dismiss to September 6, 2017 at 9:00 a.m.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is \$4,710.00 delinquent in plan payments. The debtor has paid \$88,455.00 into the plan to date.

Debtor's Response

Debtors respond that they have the means to cure the delinquency and have provided a declaration to that effect.

The court finds the declaration of the debtor persuasive. The debtors appear to be able to make up the delinquency given a continuance. As a result, the Motion to Dismiss will be continued to September 6, 2017 at 9:00 a.m.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is continued
to September 6, 2017 at 9:00 a.m.

Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.
