

UNITED STATES BANKRUPTCY COURT

Eastern District of California

Honorable Christopher M. Klein
Bankruptcy Judge
Sacramento, California

September 6, 2017 at 9:00 a.m.

1.	14-32000 -C-13	ARTHUR/SHIRLEY PRUITT	MOTION TO DISMISS CASE
	DPC-3	Matthew DeCaminada	8-4-17 [74]

Final Ruling: No appearance at the September 6, 2017 hearing is required.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss the Bankruptcy Case is dismissed without prejudice.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on August 8, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$3,150.00. Debtor has paid \$9,850.00 into the plan to date.
- B. Debtor withdrew the Motion to Confirm Plan on May 11, 2017. Debtor has yet to file an Amended Plan and set it for confirmation.

Debtor's Response

Debtor responds that an amended plan will be filed by the hearing date.

The court notes that if the debtor files and sets for confirmation a Modified Plan the motion may be denied. The court does not currently see a modified plan on file. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Debtor's Response

Debtor responds that the payments will be made by the date of the hearing.

The court notes that if the debtor makes the payments he intends to make the Motion will be denied. The court does not currently have evidence of the debtor's payments. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

A Motion to Dismiss the Bankruptcy Case having been filed by the Chapter 13 Trustee, the Chapter 13 Trustee having filed an ex parte motion to dismiss the Motion without prejudice pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rules of Bankruptcy Procedure 9014 and 7041, dismissal of the Motion being consistent with the opposition filed, and good cause appearing,

Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

- A. Debtor is delinquent in plan payments in the amount of \$7,810.00. Debtor has paid \$23,134.00 into the plan to date.

Debtor's Response

Debtor responds that an amended plan will be filed by the hearing date.

The court has reviewed the Motion to Confirm the Modified Plan and the Declaration in support filed by the Debtors. Dckt. 74, 77. The Motion appears to comply with Federal Rule of Bankruptcy Procedure 9013 (stating grounds with particularity) and the Declaration appears to provide testimony as to facts to support confirmation based upon personal knowledge (Fed. R. Evid. 601, 602). As a result, the motion to dismiss will be denied.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to deny the Motion to Dismiss and the case is not dismissed.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor's Motion to Confirm was heard and denied on July 11, 2017 and the debtor has done nothing to cure the deficiencies in the plan.

Debtor's Response

Debtor responds that an amended plan has been filed and set for hearing.

The court notes that a Modified Chapter 13 plan has been filed and is set for hearing on October 3, 2017. The court has reviewed the Motion to Confirm the Modified Plan and the Declaration in support filed by the Debtors. Dckt. 95, 97. The Motion appears to comply with Federal Rule of Bankruptcy Procedure 9013 (stating grounds with particularity) and the Declaration appears to provide testimony as to facts to support confirmation based upon personal knowledge (Fed. R. Evid. 601, 602).

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is denied and the case is not dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on August 8, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$520.00. Debtor has paid \$260.00 into the plan to date.

Debtor's Response

Debtor responds that the payments will be made by the date of the hearing.

The court notes that if the debtors make the payments they intend to make the Motion will be denied. The court does not currently have evidence of the debtors' payments. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

Final Ruling: No appearance at the September 6, 2017 hearing is required.

The Chapter 13 Trustee having filed a Withdrawal of the Motion to Dismiss the Bankruptcy Case, pursuant to Federal Rule of Civil Procedure 41(a)(1)(A)(i) and Federal Rules of Bankruptcy Procedure 9014 and 7041 **the Motion to Dismiss the Bankruptcy Case was dismissed without prejudice, and the matter is removed from the calendar .**

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on August 7, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$8,000.00. The debtor has paid \$39,826.00 into the plan to date.

Debtor's Response

Debtor responds that the payments will be made by the date of the hearing.

The court notes that if the debtor makes the payments he intends to make the Motion will be denied. The court does not currently have evidence of the debtor's payments. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Final Ruling: No appearance at the September 6, 2017 hearing is required.

Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on August 7, 2017. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$8,264.77. Debtor has paid \$8,550.00 into the plan to date.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on May 3, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtors' case based on the following:

- A. Debtors' plan does not clearly state the monthly plan payment amount. The debtors have paid \$0 into the plan to date.
- B. Debtors failed to appear to the First Meeting of Creditors.
- C. Debtors have failed to provide the Trustee with tax returns from the most recent pre-petition year for which a return was required.
- D. Debtors' amended plan has not been served on all interested parties.

Debtors have not filed a response, however it appears that the debtors and/or counsel for the debtors has had health problems. As a result, this hearing may be continued if needed to allow the debtors an appropriate amount of time to file a response.

The court notes that if the debtors make the payments they intend to make the Motion will be denied. The court does not currently have evidence of the debtors' payments. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review

of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). Local Rule 9014-1(f)(1) Motion - No Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on August 7, 2017. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$5,865.00. Debtor has paid \$3,880.00 into the plan to date.

Cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Debtor's Response

Debtor responds that a modified plan will be filed prior to the date of the hearing.

The court notes that no modified plan is on file. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor failed to appear to the First Meeting of Creditors held on August 17, 2017. The meeting was continued to September 14, 2017.
- B. Debtors failed to provide the Trustee with a tax transcript or a copy of the Federal Income Tax Return with attachments for the most recent pre-petition tax year for which a return was required.
- C. Debtor failed to provide the Trustee with all relevant business documents.
- D. Debtor failed to list prior Chapter 13 filings on the petition.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. § § 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the

Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court continued this hearing to July 26, 2017 at 9:00 a.m. in order to give the debtor time to gather the requisite information and set a plan confirmation hearing.

The debtor filed a status report indicating that most of the required information has been provided to the Trustee, but a 2014 tax return is still being obtained. The debtor requested an additional continuance if the tax return has not been obtained prior to the previous hearing. The court granted a continuance to September 6, 2017. Debtor filed another status report indicating that a modified plan had been filed on August 23, 2017.

The court notes that a Modified Chapter 13 plan has been filed and is set for hearing on October 17, 2017. The court has reviewed the Motion to Confirm the Modified Plan and the Declaration in support filed by the Debtors. Dckt. 131, 133. The Motion appears to comply with Federal Rule of Bankruptcy Procedure 9013 (stating grounds with particularity) and the Declaration appears to provide testimony as to facts to support confirmation based upon personal knowledge (Fed. R. Evid. 601, 602).

Therefore, the Motion to Dismiss will be denied.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes

for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is denied and the case is not dismissed.

Final Ruling: No appearance at the September 6, 2017 hearing is required.

The Chapter 13 Trustee having filed a "Withdrawal of Motion" for the pending Motion to Dismiss the Bankruptcy Case, the "Withdrawal" being consistent with the opposition filed to the Motion, the court interpreting the "Withdrawal of Motion" to be an ex parte motion pursuant to Federal Rule of Civil Procedure 41(a)(2) and Federal Rule of Bankruptcy Procedure 9014 and 7041 for the court to dismiss without prejudice the Motion to Dismiss the Bankruptcy Case, and good cause appearing, **the court dismisses without prejudice the Chapter 13 Trustee's Motion to Dismiss the Bankruptcy Case.**

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on July 7, 2017. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is \$3,900.00 delinquent in plan payments. The debtor has paid \$72,100.00 into the plan to date.
- B. Debtor filed a notice with the court indicating debtor's intention to commence loan modification trial period payments, however the plan specifically states in § 6.03 that "The Debtor shall not commence making payments under the terms of the loan modification until it has been approved by the court." No approval for loan modification has been filed.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. § § 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. The court shall issue a minute order substantially in the following form holding that:

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995).

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling.

Local Rule 9014-1(f)(1) Motion - Opposition Filed.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on August 4, 2017. 28 days' notice is required. That requirement is met.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The Debtor filed opposition. If it appears at the hearing that disputed material factual issues remain to be resolved, a later evidentiary hearing will be set. Local Bankr. R. 9014-1(g).

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is delinquent in plan payments in the amount of \$1,378.00. Debtor has paid \$24,200.00 into the plan to date.

Debtor's Response

Debtor responds that the payments will be made by the date of the hearing.

The court notes that if the debtors make the payments they intend to make the Motion will be denied. The court does not currently have evidence of the debtors' payments. As a result, currently cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on August 8, 2017. 28 days' notice is required.

The Motion to Dismiss has been set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(1). The failure of the respondent and other parties in interest to file written opposition at least 14 days prior to the hearing as required by Local Bankruptcy Rule 9014-1(f)(1)(ii) is considered to be the equivalent of a statement of nonopposition. *Cf. Ghazali v. Moran*, 46 F.3d 52, 53 (9th Cir. 1995). Further, because the court will not materially alter the relief requested by the moving party, an actual hearing is unnecessary. *See Law Offices of David A. Boone v. Derham-Burk (In re Eliapo)*, 468 F.3d 592, 602 (9th Cir. 2006). Therefore, the defaults of the respondent and other parties in interest are entered. Upon review of the record there are no disputed material factual issues and the matter will be resolved without oral argument. The court will issue its ruling from the parties' pleadings.

IT IS ORDERED that the Motion to Dismiss is granted and the case is dismissed.

Tentative Ruling: The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). Consequently, the Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. If any of these potential respondents appear at the hearing and offers opposition to the motion, the court will set a briefing schedule and a final hearing unless there is no need to develop the record further. If no opposition is offered at the hearing, the court will take up the merits of the motion.

Oral argument may be presented by the parties at the scheduled hearing, where the parties shall address the issues identified in this tentative ruling and such other issues as are necessary and appropriate to the court's resolution of the matter.

Below is the court's tentative ruling, rendered on the assumption that there will be no opposition to the motion. If there is opposition presented, the court will consider the opposition and whether further hearing is proper pursuant to Local Bankruptcy Rule 9014-1(f)(2)(iii).

Local Rule 9014-1(f)(2) Motion.

Correct Notice Provided. The Proof of Service states that the Motion and supporting pleadings were served on Debtor, Debtor's Attorney, and Office of the United States Trustee on August 16, 2017. Fourteen days' notice is required. That requirement was met.

The Motion to Dismiss was properly set for hearing on the notice required by Local Bankruptcy Rule 9014-1(f)(2). The Debtor, Creditors, the Trustee, the U.S. Trustee, and any other parties in interest were not required to file a written response or opposition to the motion. At the hearing -----.

The court's decision is to grant the Motion to Dismiss and dismiss the case.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

- A. Debtor is \$9,392.24 delinquent in plan payments. The debtor has paid \$6,140.00 into the plan to date.
- B. Trustee's Objection to Confirmation was heard and sustained by the court on May 9, 2017. No subsequent amended plan or Motion to Confirm has been filed to date.

The court finds the Trustee's objections valid. As the debtor is delinquent and has not complied with all of the requirements under 11 U.S.C. § § 1322 and 1325, cause exists to dismiss this case. The motion is granted and the case is dismissed.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.

The Motion to Dismiss the Chapter 13 case filed by the Chapter 13 Trustee having been presented to the court, and upon review of the pleadings, evidence, arguments of counsel, and good cause appearing,

IT IS ORDERED that the Motion to Dismiss is granted

and the case is dismissed.

The Chapter 13 Trustee seeks dismissal of Debtor's case based on the following:

A. Debtor is \$4,710.00 delinquent in plan payments. The debtor has paid \$88,455.00 into the plan to date.

Debtor's Response

Debtors respond that they have the means to cure the delinquency and have provided a declaration to that effect.

The court continued the hearing to allow the debtors to make up the delinquency. The court does not currently have evidence that the debtors have come current on plan payments. As a result, cause exists to dismiss the case.

The court shall issue a minute order substantially in the following form holding that:

Findings of Fact and Conclusions of Law are stated in the Civil Minutes for the hearing.
